SKETCHES OF CANDIDATES.

John E. Hurst.

Mr. John E. Hurst is a son of Stephen Hurst of Dorchester county. Samuel Hurst, grandfather of John E. Hurst, came from England in 1765 and settled in Dorchester where he erected a family mansion, built in the style of ancient English houses and of materials imported from England. Weare Neek farm, as the old homestead was called, which is on the Great Choptank river, about three miles from Cambridge, was the birthplace of John E. Hurst, who was born October 21, 1832.

The father, Stephen Hurst, died when the son was fourteen years old, and in the following year—1847—Jno. E. Hurst removed, with his mother, to Cambridge. He entered the Cambridge Academy and at the expiration of two years procured a position in Baltimore with the firm of Hamilton, Easter & Co., where he remained a year. Mr. Hurst then changed to the wholesale dry goods house of Messrs. Hambleton & Thomas, subsequently known as Hambleton & Sons. In 1855 he went to the house of Hurst, Berry & Co., and in January, 1875, in connection with his cousin, Wm. R. Hurst, succeeded to the business of the house under the firm name of Hurst & Co. Mr. W. R. Hurst died in 1868 and January 1, 1869, the copartnership of Hurst, Purnell & Co., was formed and has since continued as one of the largest importing and jobbing houses in the South.

Mr. Hurst is now the senior member of the firm and a man of thorough business qualiffcations. He has been president of the Merchants and Manufacturers' Association, is a member of the water board, a trustee of the Samuel Ready Asylum, and director in a number of financial corporations. He is classed as one of the richest business men in Baltimore.

His city residence was formerly on Eutaw Place but recently purchased from Gen. Alexander Brown for $75,000 the large double mansion at 704 Cathedral street, at the West End of Mount Vernon Place. During the summer Mr. Hurst resides at his country seat "Hurstleigh." six miles from Baltimore. When in Baltimore he attends St. Peter's Protestant Esiscopal Church, of which he is a vestryman. The wife of Mr. Hurst was Miss Mary R. Bell a daughter of Dr. Ephraim Bell, and one of his daughters, Miss Nancy Hurst was wedded last June to Lieutenant W. Alfred Cappellini, of the Italian navy.

Charles Carroll Crothers.

Charles Carroll Crothers, nominee for attorney general, was born in the eighth election district of Cecil county March 24, 1858, was educated in the public schools and West Nottingham Academy and taught school at the age of sixteen years, attending the academy in alternate years. He read law with the late Hiram McCullough, and was admitted to the bar June 17, 1878. The following year he was elected State's attorney of Cecil county which position he filled with ability. He declined a renomination at the end of his term of four years. Upon retiring from office he continued the practice of law in Elkton with success.

He has been active in politics since 1878. He was a candidate for Congressman in 1892, but was defeated for the nomination by J. F. C. Talbott in the convention which met at Port Deposit. His popularity soon enabled Mr. Crothers to become a leader of his party in Cecil county. Two years ago after a bitter contest at the primaries, he was nominated and then elected State Senator over L. M. Haines, his republican opponent.

Mr. Crothers was looked upon as a possible successor to United States Senator Charles H. Gibson. It is now expected that Senator Crothers will resign his seat in the State Senate, and it is considered very likely that Mr. John S. Wirt will be nominated to serve the remainder of the term.

Mr. Austen L. Crothers, who was elected State's Attorney of Cecil county in 1891, is a brother of Mr. C. C. Crothers, and another brother Dr. R. R. Crothers, was defeated in the election of 1885 as a candidate for the office of clerk of the Circuit Court for Cecil County, Mr. C. C. Crothers is unmarried.

Marion deKalb Smith.

Marion neKalb Smith, nominee for comptroller, was born in Kent county October 16, 1850, and was educated at Washington College, from wbich he was a graduate when he was nineteen years old. For two years he was deputy clerk of the Circuit court of Kent county. Uunder the preceptorship of Mr. Rich'd Hynson he studied law, and was admitted to the bar in May 1872.

In 1876 Mr. Smith was elected chairman of the State central committee of Kent county, and served in that position six years. He had charge during the campaigns of Governor Hamilton, General Hancock and Governor McLane and on all of these occasions gave democratic majorities.

Mr. Smith was elected State's attorney of Kent county in 1883 and was subsequently re-elected for a second term. Before the expiration of his second term Mr. Smith was elected comptroller of the State treasury, in 1891, and in 1893 was re-elected to the position for which he is now nominated a third term.

MASURY'S HOUSE PAINTS!

THE MOST ECONOMICAL AND DURABLE in the MARKET.

They are not an experiment but have been in use for more than twenty years in Chestertown and vicinity. In adopting the same, no error of judgment can be committed, as the goods are established facts, which is best proven by the attached testimonials from Frank H. Howard and W. J. Sappington.

CHESTERTOWN, MD., May, 13th, '95.
MR. PERCY T. MCFEELY.
Dear Sir:—In regard to Masury's Paints they are first-class in every respect and their Combination Lead is the best on the market. It will go further and cover up better than any Combination on the market. We have been using these goods for 20 years and they have given entire satisfaction, and I think we ought to know a GOOD LEAD in that time, being the largest users of Lead and Oil in the county, we know what we are talking about, and we have used some of their Ready Mixed Paints, and think they are the best in the market. You always get a full gallon when you buy their Paint.
Yours respectfully,
Signed, FRANK H. HOWARD.

CHESTERTOWN, MD., May 17, '95.
MR. PERCY T. MCFEELY.
Gentlemen:—I have used Masury's Goods for the past ten years, and I believe Masury Coloring Matter to be the best manufactured. I have used John W. Masury & Son's Pure Combination White Lead to my own satisfaction and to the satisfation of the owners of the property on which I used it. It has stood on my work as good as Pure White Lead and Zinc. I haven't had one single job to crack, peel off, blister or chalk. I have done some jobs with Masury's Combination as far back as 1887 and a number all the way along to 1895. Respectfully yours,
Signed, W. J. SAPPINGTON.
