Children Cry for Pitcher's Castoria.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labelling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. SAMUEL PITCHER. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word **"Castoria"** and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government-protection was because Castoria had been proven to be **absolutely harmless?**

Do You Know that **35 average** doses of Castoria are furnished for **35 cents,** or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children will be kept well, and that you will have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Chas. H. Fletcher. **is on every wrapper.**

AN X ray will kill the bacteria of diphtheria. The electrical department of the University of Missouri, at Columbia, announces that, after extensive experiments, diphtheria germs had been killed by the Roentgen light. To Prof. Harry Preston Pratt and Prof. Hugo Wightman, of Chicago, the first to give to the scientific world the positive assertion that disease germs in the human body could be killed by the use of the X ray, this confirmation of their own pioneer work was extremely gratifying.

The following gives the details of the university's work:

"The Roentgen ray will cure diphtheria by killing the bacillus which causes that disease. This is the discovery which the electrical department of the University of Missouri announces today. Experiments have been carried on for some time in the electrical laboratory to test the effect of the famous ray upon the diphtheria bacillus. The germs were prepared by Prof. Hickman, of the bacteriological department, and subjected to the influence of the rays for two hours. The experiments demonstrated that the germs were killed, the microscope examination showing that the diphtheria bacillus had almost entirely disappeared. The arrangement of the testing apparatus is different from the ordinary method. Further experiments will be made at once."

ELKTON'S NEW SCHOOL.—As Chestertown is to have a new school building our people will be interested in the following item relative to a neighboring town, which we clip from the Baltimore *American* of Wednesday:

School Commissioner Ash, White and Everist selected today as a site for the new $10,000 school building a plot of ground belonging to Dr. P. C. Mackall at the southwest corner of Mitchell and Mackall streets, 200 by 200 feet. The price paid was $900. It is their intention to have the school ready for occupancy by September 1 next. The high school department will be in charge of a competent principal.

CHURCH HILL is now one of the pretty, flourishing towns of the Shore, and we are glad to see her citizens making haste to secure one of the greatest blessings to any live town—a water supply. The Legislature authorized a $1,200 bonded debt for the purpose, and the town commissioners, Messrs. Fred. Hall, president, Thomas Johns and Wm. T. Seeney, are now about to begin the improvement. It is proposed to utilize a live stream on the edge of the town on one side, and a mill pond on the other side, and drive wells connected by a tube system.

BEFORE I could get relief from a most horrible blood disease, I had spent hundreds of dollars TRYING various remedies and physicians, none of which did me any good. My finger nails came off, and my hair came out, leaving me perfectly bald. I then went to

HOT SPRINGS

Hoping to be cured by this celebrated treatment, but very soon became disgusted, and decided to TRY

S.S.S.

The effect was truly wonderful. I commenced to recover after taking the first bottle, and by the time I had taken twelve bottles I was entirely cured—cured by S. S. S. when the world-renowned Hot Springs had failed.

"Interesting Suit"

WHOSE SUIT? What Suit? "Aye, there's the rub!" There are suits and suits, suits for Men, suits for the Boys and Children; but Moody & Lusby's $4.90 suits for the Men, are attracting more attention at present than any other we know of. We have such an abundance of styles and qualities in suits, 'tis useless to weary you with an attempt at an enumeration of our grand collection; yet we cannot refrain from saying a few words in commendation of—some of our very special suits for men which we have collected together from the markets of New York, Philadelphia and Baltimore, which ARE NOW FULLY READY FOR YOUR INSPECTION. Our first is a line of Men's Suits in Black and Blue Cheviots, Neat Checks and Mixtures, suitable for busines or church, which we worked hard to get to sell at the close prices for these remarkably good suits. $4.90 THE WHOLE SUIT, SIZES 34 to 42, don't fail to examine this special line.

Then comes the better ones in Black and Blue, Neat Stripes, Pin Checks and Hair Lines at $6.00, $7.00, $7.50 to $8.00, the like you never saw, made well, of all wool cloth, and all of them possess our inimitable fit. On, up they go to foreign weaves in Clay Worsted in Combination Suits, Black Coat and vest (either Sack or Cutaway) and neat striped pants, beginning at $9.00 the suit. Also Imported Cheviots, in most any conceivable design. Same low prices prevail as they gradually graduate in price. We don't take advantage of your inability to judge the better grades. Next we invite you to inspect a line of Foreign Worsted Suits, which are a decided novelty for Chestertown. Made in neat, narrow stripes, pin checks, &c., all neat effects in the leading shades, which were tailored especially for us, all of which will be sold 20 per cent. less than city prices.

CHILDREN'S SUITS,

OF THE FAMOUS HOPKINS MAKE.

Double Seat, Double Knee, Buttons Riveted on, prices range $1.25, $1.75, $2.00 and slowly, with qualities ahead every time, in fact we are now recognized as head-quarters for this line also. LARGE BOYS' SUITS from 14 to 19 years, $3.00, $3.50 and on to better ones. SEPARATE PANTS in abundance for Men, Boys and Children.

HATS, we are right at home when you mention them. We have any kind you want. UNDERWEAR, NECKWEAR, PERCALE and MADRAS SHIRTS, are all up to date in patterns and down in price.

Read this advertisement and come see even how much lower we will do than we claim here, for we are cautious not to over-rate, but prefer to excel our claims rather than abuse the confidence of those who trust us.

Respectfully,

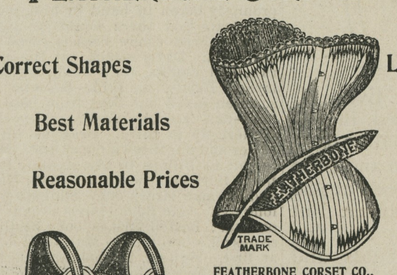

"A Mrs. Hopkins Boy."
