Our Celebrated TRUCK PHOSPHATE for TOMATOES, POTATOES, PEAS, MELLONS and ALL KINDS OF VEGETABLES.

For CORN use our SPECIAL PHOSPHATE for that crop. Cheap in price, and those who use it say it will not burn nor fire the plant. Then there is

Our Oat Phosphate, called IMPERIAL, which has been extensively used with very great success. And

Our Fruit Grower for PEACH TREES needs no comment, having been extensively used by many of our largest fruit growers, both in Delaware and Maryland since the year 1883. The base of this goods is a Natural Bird Guano, secured by our senior while on a visit to the West Indies that year.

20 Years in business with a steady increase in trade this our FORTY-FIRST SEASON is a guarantee as to the true merits of all our brands.

SPECIAL FORMULAS:

FOR CORN AND OATS.

The Piedmont Guano has been in use many years, and it gives entire satisfaction, as hundreds of testimonials published show. It has been tested alongside of many other fertilizers, and for its price is the best goods on the market.

FOR POTATOES.

The Piedmont Potato Producer, (P. P. P.) is manufactured with special reference to the needs of the Potato crop in all stages of its growth and maturity, and we are confident that there are no goods offered that can excell these brands, and very few, if any, that can equal them in the production of Potatoes, not only in the quality, but also in the quantity of the yield. Farmers should be careful to use such goods that they are confident will pay them. These are the goods you need, and you should use them liberally both broadcast and in the rows, taking care to mix them carefully with the earth, so that it does not come in direct contact with the seed.

OUR TOMATO FERTILIZER.

The greatest caution has been exercised in making this formula, and the materials used are exactly what the Tomato plants need. This we know after having fully tested by the growers of this crop. We have spared no pains to make this brand especially adapted to Tomato culture. We have fine reports from its use alongside of other fertilizers. It produces extra fine crops that paid well for its use. We intend keeping it full up to its present high standard, and will see that all the materials used are of the very best in every respect. If you grow any Tomatoes give this brand a trial, and you will use no other.

FOR BERRY GROWING.

A fertilizer which can never be excelled is the Piedmont Pure Raw Bone Mixture, producing the fruit in its largest and most perfect and therefore, most profitable condition.

"Dr. M. M. Fenner, Fredonia, N. Y.

Dear Sir:—I had been suffering from Abscesses on my Lungs and Liver Disease for about three months. Coughed a great deal, had become nervous and restless and my flesh had wasted away. Had been treated by three different physicians without any material benefit. They finally advised change of climate to avoid Consumption, and in August last I had decided to break up my business here and go West in search of health.

At this time I was induced to try your Blood and Liver Remedy and Nerve Tonic. Once fairly under its influence I gained flesh at the rate of a pound a day.

After using 2 bottles of the Remedy, I was a well man and went about my business which I have continued uninterruptedly to this time."
