HUNG BY A GLOVE BUTTON.

A Narrow Escape of a Quarryman From a Terrible Death.

Lewiston Me. Journal.

How much may depend upon a glove fastening was illustrated at one of the Monson slate quarries is an adventure which the person concerned would not care to repeat. He was a derrick man who stood on the brink of one of the great chasms from which the slate rock is hoisted. His duty was to catch hold of the big hook depending over the bank and attach it to the crate to be sent back into the pit. Standing upon the very edge, he reached out to catch the hook which dangled near him. It was winter and he wore thick buckskin gloves.

The hook slipped from him as he leaned out, but caught into the fastening of the glove. The swing of the great boom took him off his feet in an instant and carried him out into giddy space, with his life depending on the glove's holding fast. His whole weight was hung on that button, and there was a clear 175 ft. of space between him and the floor of rock below. The moments that passed before the boom could be swung over the bank seemed like hours to him, but he got there at last safe and sound. He explained that he did not dare to move his hand in the glove to attempt to catch the hook with his fingers for fear the change of position would loosen the button so it would give way. His presence of mind in keeping as still as possible may have helped to keep the slender thread from breaking.

Punishing Deserting Husbands.—The first case under the law passed by the last Legislature, providing for the punishment of men who desert, or fail to support their wives or minor children, occurred in Baltimore last Tuesday, upon the presentment by the grand jury of a husband on this charge. The act is chapter 73 of the acts of 1896. It provides that "any person who shall without just cause desert or willfully neglect to provide for the support and maintenance of his wife or minor child shall be guilty of a misdemeanor." The punishment upon conviction is a fine not exceeding $100 or imprisonment in the House of Correction not exceeding one year, or both fine and imprisonment, in the discretion of the court.

It is easy to pick out work for the fool-killer.

Few people are as funny as they try to be.

People usually pick out their own temptations.

"Interesting Suit"

WHOSE SUIT? What Suit? "Aye, there's the rub!" There are suits and suits, suits for Men, suits for the Boys and Children; but Moody & Lusby's $4.90 suits for the Men, are attracting more attention at present than any other we know of. We have such an abundance of styles and qualities in suits, 'tis useless to weary you with an attempt at an enumeration of our grand collection; yet we cannot refrain from saying a few words in commendation of—some of our very special suits for men which we have collected together from the markets of New York, Philadelphia and Baltimore, which ARE NOW FULLY READY FOR YOUR INSPECTION. Our first is a line of Men's Suits in Black and Blue Cheviots, Neat Checks and Mixtures, suitable for busines or church, which we worked hard to get to sell at the close prices for these remarkably good suits. $4.90 THE WHOLE SUIT, SIZES 34 to 42, don't fail to examine this special line.

Then comes the better ones in Black and Blue, Neat Stripes, Pin Checks and Hair Lines at $6.00, $7.00, $7.50 to $8.00, the like you never saw, made well, of all wool cloth, and all of them possess our inimitable fit. On, up they go to foreign weaves in Clay Worsted in Combination Suits, Black Coat and vest (either Sack or Cutaway) and neat striped pants, beginning at $9.00 the suit. Also Imported Cheviots, in most any conceivable design. Same low prices prevail as they gradually graduate in price. We don't take advantage of your inability to judge the better grades. Next we invite you to inspect a line of Foreign Worsted Suits, which are a decided novelty for Chestertown. Made in neat, narrow stripes, pin checks, &c., all neat effects in the leading shades, which were tailored especially for us, all of which will be sold 20 per cent. less than city prices.

"A Mrs. Hopkins Boy."

CHILDREN'S SUITS,

OF THE FAMOUS HOPKINS MAKE.

Double Seat, Double Knee, Buttons Riveted on, prices range $1.25, $1.75, $2.00 and slowly, with qualities ahead every time, in fact we are now recognized as head-quarters for this line also. LARGE BOYS' SUITS from 14 to 19 years, $3.00, $3.50 and on to better ones. SEPARATE PANTS in abundance for Men, Boys and Children.

HATS, we are right at home when you mention them. We have any kind you want. UNDERWEAR, NECKWEAR, PERCALE and MADRAS SHIRTS, are all up to date in patterns and down in price.

Read this advertisement and come see even how much lower we will do than we claim here, for we are cautious not to over-rate, but prefer to excel our claims rather than abuse the confidence of those who trust us.

Respectfully,
