KENNEDYVILLE BRIEFS.

The Kids scored another victory last Saturday at Galena defeating the home team by the score of 16 to 7. It was quite a disappointment for the home team, for they were confident of victory. Their score would have been 4 if the umpires had done the visitors justice. Umpire Hurlock, was taken with a pain in the back and had to give up; Beaston of Locust Grove taking his place. J. Pennington umpired for Galena.

The second nine of this place went to Morgnec and scored another victory in 10 innings, over a team consisting of several grown men. They had a pitcher, catcher and left fielder from Chestertown, but were unable to cope with our boys. The score was 10 to 12.

One of our local colored preachers was on his way to church last Sunday when he saw the track of a large turtle across the road. He hitched his horse and tracked him until he found him. He bridled him and put him in his carriage and went his way rejoicing.

GALENA BRIEFS.

Rev. Mr. Murphy preached at St. Andrews' P. E. Church on Sunday evening last to a large audience. It was a grand sermon from the text on "Faith and Works." After the service the many old friends of his acquaintance were glad to grasp him by the hand and bid him welcome.

On Sunday morning last Rev. Father Hughes, at the Catholic church, preached a very instructive sermon, Matt. 8: 8. There was quite a large congregation. He also preached at night and there was quite a number of Protestants present. On Monday evening Father Carey discoursed, and on Tuesday evening Father Flynn, of Wilmington, preached; and though the evening was stormy there was quite a large attendance. The reverend gentleman explained why the members of the church should be more earnest in their devotions during these special services of the Forty Hours' Devotion. If the weather had been good the church would not have big enough to hold the people that expected to hear Father Flynn. He is greatly esteemed as a preacher and gentleman by all denominations here. All of the old acquaintances of the genial Father Connolly were glad to see him and would have been glad to have heard him preach. The priests attending the Forty Hours' Devotions with Father Hughes were Fathers Haugh, S. J., Fallen, of Wilmington, Connolly, Flynn, McSweeney and Carey. There was grand music at all the services. The home choir, under the leadership of Mr. B. J. McCauley, was assisted by Miss Tillie Rasin and Mr. McNulty and sister, of Wilmington. The church altar was beautifully decorated with flowers, and with the many lights burning the effect was grand. All speak very highly of the services during the Forty Hours' Devotion. Father Hughes has been kept busy during the whole time. P.

WANAMAKER'S.

PHILADELPHIA, Monday, June 15, 1896.

THE MONTH OF ROSES AND BARGAINS

Column after column of the newspapers each day filled with news of "bargains." What's wrong? This: holders of large lots of goods, uneasy as to future market conditions and more uneasy as to their chances of marketing present holdings, are willing to make us liberal concessions if we will take lots in a lump. If the goods are altogether up to our standard we take them. If they fall below that standard they are hawked about until buyers are found. Such chances do not offer to small dealers, because it wastes money to subdivide lots and hunt a dozen or more purchasers. The one quick loss is best. From these opportunities, and from adjustments of our own stocks, come the bargains.

Echoes, empty echoes, from a score of imitators. Goods are not necessarily cheap because the prices are reduced—in the newspapers. We've told how bargains come—and where they come to.

CONTINENTAL BICYCLES

The world's a-wheel! Are you? Maybe it's our fault if you are not—for we haven't been able to get the wheels here fast enough. Continentals are the product of a factory famous the world over for the high-grade, handsome wheels it produces. The demand for them is great and growing—growing where the

wheels are sold under the makers' name-plate at $75, $80 and $100. Growing here—where we sell them under our name-plate at $45, $50 and $55.

Plenty of all the styles today! And that is something to tell of—for likely by the week's end we'll be short of stock again.

Women's Continental Bicycles at $45 and $55.
Men's Continental Bicycles at $45, $50 and $55.

Bicycle Suits for Women—

Two—either at $5. One is of cotton covert cloth. Coat that has been so popular with the Duchess of Milford suit; divided skirt with over-lapping front that gives nothing of the appearance of a divided skirt; leggings, cap and chatelaine purse.

The other is of crash: Jacket, skirt, bloomers, leggings and cap.

COTTON DRESS STUFFS

A rose by any other name would be as sweet, but a substitute for a rose could hardly masquerade successfully. The town is full of dimities, but some of the goods that are offered as dimities are as though you substituted an eglantine rose for an American Beauty. But retailers are at their wits' ends. Lots of goods are selling for less than their worth at Wanamaker's, while these other dealers get no chance at the big fresh lots we take. This outlet is equal to all demands and lots of goods are taken here almost invariably if they are up to our standard and the prices are advantageous to Our Public. We regret that makers lose money, but our ready help saves them frequently from still greater losses.

No wonder that the yard-sticks keep flying over these pretty cotton stuffs—dimities and other weaves. Look at the prices!
