WELL BALANCED FERTILIZERS.....

If you wish EXTRA FINE CROPS OF WHEAT and FULL VALUE FOR YOUR MONEY, do not hesitate to use Fertilizers manufactured by

WILLIAMS & CLARK

FERTILIZER COMP'Y,

as their line of goods, embracing ALL FERTILIZER MATERIALS, are equalled by few and surpassed by none. They furnish Phosphoric Acid, Ammonia and Potash in the most available and concentrated form for crop production. The cost is in proportion to the quantity of the plant food they supply, and is as low as such material can honestly be furnished under the most favorable conditions. Their peculiar composition causes an absorption of moisture from the atmosphere, which nourishes the plant. In time of drouth these Fertilizers have a strong chemical effect upon the inert mineral matter in the soil and sets free natural elements of plant food that otherwise would remain dormant. Thousands of farmers know the great value of these Fertilizers, and farmers should buy them exclusively for fall purposes.

REMARKABLE OFFER TO FARMERS!

I wish to inform the farmers of Kent and Queen Anne's Counties that I am in a better position to BUY GRAIN in this vicinity than I or any other grain buyer has ever been. I. M. Parr & Son, Baltimore, have employed me to buy Grain for them. They will telegraph me market daily, and have instructed me to pay Baltimore prices less only cost of handling; in this way farmers will surely save commissions and other costs, or about an average expense of $10 to $15 per $1,000 bushels. I will call, examine grain and make offer, upon notice by mail or messenger. Bids will be made for future delivery if desired. We want this grain for export. Parties preferring to consign their grain will receive the highest market price, according to grade. Though we can't see any chance for consignments, when we are OFFERING SUCH INDUCEMENTS. Where it is not practical for me to see the grain, I will bid on it according to Baltimore inspection.

KENNEDYVILLE BRIEFS.

The Lawn Fete held on the lawn of Mr. W. H. Whitely by the W. C. T. U. proved to be a very delightful affair. The pretty lawn was made brilliant by Japanese lanterns suspended from the trees. Prettily decorated ice-cream tables were presided over by the young ladies and gentlemen of the union, the supper tables being in charge of the older members. The attendance was very large indeed; persons from Queen Anne's being present. The receipts were about thirty-five dollars. The young people are having their share of innocent pleasure. Sailing parties are frequent. To Capt. Fred. Crouch belongs the credit of arranging (last Tuesday) the most pleasant sail of the season. The following persons constituted the party: Capt. Fred. Crouch, Mate John Frazier, Stewart Ralph Kendall, Rev. W. G. Chance and wife, Miss Mary Koplin, Mrs. W. D. Crosby, Misses Lillie Shaw, E. Embauch, Lillie Frazier, Tilly Crouch, Florence Crouch, Daisy Coleman, M. Apsley, Maggie Ashley, Tiny Crouch, Gussie Crouch, Eva Boyce, Mrs. John Crouch, Mrs. A. Downey, Mr. Alfred Cornelius and wife, Messrs. D. Kendall, Amos Crouch, W. Ashley, W. Slater, Norris Ashley, Geo. Downey, Columbus Ashley, Daniel Downey, W. Raymon, Sterling Crouch, John Glenn, Howard Coleman, Edgar Hyland. Fine music was furnished by Clarence and Steward Edwards and John Frazier. The "Plan," said to be the prettiest as well as the fastest pungy in Chester river, sailed out of Long Cove at eight o'clock in the morning. After a two hours sail we tied to Captain Daniel Haddaway's wharf in Quaker Neck. From the contents of the baskets a dinner was spread and a better one would be difficult to prepare. The time was principally spent in playing croquet, ball and swimming; while several parties were formed in search of watermellons and peaches. The return sail which occupied 2½ hours was most delightful. If one is in search of pleasure join Capt. Fred. Crouch and crew for a day's sail. We are fearful that the royal treatment on the part of the crew will get the captain into trouble, for we already hear that there is to be another soon.

Miss Bertha Stengle, of Smyrna, is visiting relatives and friends here.

Miss Medders is the guest of Miss D. A. Crossley.

The monthly meeting of the Epworth League was held last Thursday evening at Mrs. J. C. Rasin's. Owing to the excessive heat, the attendance was small, but an interesting session was held. It was decided that the League should join with the Mite Society in a lawn fete, to be held on Wednesday evening, August 19, at Mr. C. B. Krusen's. After the business session of the League seasonable refreshments were served. The next meeting will be held at Miss D. A. Crossley's in September.

Again another home has been bereaved and our whole community saddened. The infant child of Postmaster Wm. Parr died last Monday morning. The funeral services were held Wednesday afternoon at 3 o'clock. Interment in Still Pond cemetery.
