BECK, WALKER & BROWN,

Fertilizer Manufacturers

OFFER to the farmers of Kent county their well known brands of WHEAT FERTILIZERS. During the past three years nearly one-fourth of the wheat raised in Kent county was grown with the following brands of Fertilizers. This should be sufficient recommendation of their reliability :

TRUSTWORTHY!

An Absolutely Pure Bone Phosphate. Any one wishing to use an Absolutely Pure Bone Goods cannot do better than use this brand. We have sold large quantities of it, and it has given universal satisfaction.

PROPAGATOR!

A Pure Bone Mineral Phosphate. We have found this brand very popular with those wishing to use a Complete Fertilizer, but unwilling to pay the price of pure bone goods. We can confidently recommend this brand.

TRY ME!

High Grade Mineral Bone and Potash—no Kainit. We introduced this brand three years ago to meet the low price of wheat. It is a mixture of the very best mineral Phosphates and high grade sulphate of potash, tests very high in both soluable and insoluable phosphoric acids and in potash, and is absolutely free from anything that can sour or injure the land. One-eighth of the wheat harvested in Kent county in the year 1895 and 1896 was grown with this brand, which should be a sufficient guarantee of its merits and popularity. We consider this to be one of the best Cheap Fertilizers on the market.

We are also Prepared to Put Up SPECIAL MIXTURES with Highest Grade of Goods at Lowest Possible Prices.

Under a State law, the chemists of the Agricultural College have for the past three years themselves taken samples of our different brands of goods, and in all cases have found our goods to over-run our guarantee and have estimated them at a higher cash comparative value in Baltimore city than we sold them for at our factory. All our goods are prepared under the personal supervision of Mr. P. B. Hollis, who is well known in the community as an experienced Agricultural Chemist. Our goods will be in first-class drilling condition, and only the best materials obtainable will be used in their composition. We offer them to the public as being strictly as represented.

We sell at the Lowest Possible Price and solicit the patronage of our friends and the public generally. We are now ready to book orders for goods. Our place of business is in the KENT NEWS Building. Where we will be pleased to see any who may call.

REMARKABLE OFFER TO FARMERS!

I wish to inform the farmers of Kent and Queen Anne's Counties that I am in a better position to BUY GRAIN in this vicinity than I or any other grain buyer has ever been. I. M. Parr & Son, Baltimore, have employed me to buy Grain for them. They will telegraph me market daily, and have instructed me to pay Baltimore prices less only cost of handling; in this way farmers will surely save commissions and other costs, or about an average expense of $10 to $15 per $1,000 bushels. I will call, examine grain and make offer upon notice by mail or messenger. Bids will be made for future delivery if desired. We want this grain for export. Parties preferring to consign their grain will receive the highest market price, according to grade. Though we can't see any chance for consignments, when we are OFFERING SUCH INDUCEMENTS. Where it is not practical for me to see the grain, I will bid on it according to Baltimore inspection.

FAIRLEE NOTES.

Presiding Elder Alfred Smith, D. D., will be at Salem tomorrow (Sunday) morning, and will hold love-feast at 9.30 and preach at 10.30.

Mrs. W. P. Crosby had a fine horse to die last week.

Mr. and Mrs. J. C. Staats and son visited relatives and friends in Middletown this week.

Wheat threshing is about over.

Mrs. E. A. Kendall is having a very neat building erected on her corner property in the village.

Mr. Morris Bramble is contemplating the erection of a building on his property, recently purchased of Mr. George E. Noland, and tenanted by Mr. Staats, 20x50 feet, for a stable and machinery.

Mr. Purnell Jump will begin improvements on the dwelling on the Archibald farm recently purchased by him and tenanted by Mr. Richard Rasin. Mr. Jump will remove to his farm at the first of the year and Mr. Rasin will remove to the farm recently purchased by his father in law, Capt. Dan'l Hill.

Mr. Walter Hudson will remove from the farm he now rents, opposite Capt. A. L. Corey's at the end of the year to the Worton Manor farm.

Mr. J. Thomas Blackiston had his foot mashed a few days ago by a horse falling. He has suffered very much and has to hobble around on crutches.

For 31 consecutive years Mr. John F. Copper has been teaching the Fancy School. He is one of the veterans in the field of education.

Along the drive through Mr. Wm. T. Nicholson's lawn, viewing from his front piazza, may be seen two locust standing just far enough out of line with their varied bends to form a perfect image of the bust of a man with a tall silk hat on his head. A carver spending quite a while could scarcely execute a better figure viewing it from the point named above.

Mrs. Zenker is visiting friends in the "City of Brotherly love."

Mrs. Rash, near Melitota, has been quite ill, but is improving now we are glad to state.

Mr. Samuel Lecompt was overcome by the heat a few days ago but is able to be around now superintending the shipment of his fruit crop.

Great many peaches are being shipped from Buck Neck, but the accommodating Sassafras River company have given the farmers ample steamers for transporting the fruit.

The heat this week and last has been just almost more than builders could endure, especially on roof work.

Salem Sunday School held its annual picnic at Tolchester on last Thursday and a pleasant day was spent.

Miss Joe Jones has been the guest of her sister, Mrs. Johnson, of Dover, Del., for several months.

The Lawn Fete next Wednesday evening will be a pleasant affair. Krusen's spacious grounds will be illuminated and various refreshments will be served there. The Epworth League and Mite Society are both worthy of the best patronage of the community, as they are laboring for the improvement of the church.

Miss Amy Baynard is enjoying the Brandywine camp meeting, the guest of friends.

The butcher shop is being greatly improved by a coat of yellow paint.

Mr. Wm. Medders has been enjoying the breezes at Ocean Grove. He will attend the convention at Ocean City next week.

Mrs. Melvin and grandchild, of Balto., have been the guests of Mrs. Kate Crewe.

Miss Ida Crowding has been the guest of friends near town.

Miss Madge Stavely spent several days at home this week. Miss Stavely is now residing in Baltimore.

Mr. L. Harris Crewe has returned home after a trip of five weeks North.

We are informed that Mr. C. H. Price and family expect to leave soon for the mountains.

The Murder of Mrs. Richards —People of Hopewell Borough, Pa., not far from Westchester, think that they have solved the mystery of the murder of Mrs. Granville Richards, of Rising Sun, Md., not far from the Pennsylvania line, which occurred five years ago. John G. Graver, a notorious character of that place, is under arrest and John Adams, a burglar, who is now in jail at Lancaster, will be charged with complicity in the crime. The arrests were made on information furnished by D. F. Jordan, who is a friend of the two men. He claims that he met the men near the house of Mr. Richards on the night of the murder, and they told him that they had killed the woman. He kept the secret for five years because the men pleaded with him to do so, but says that it troubled him so that he could keep quiet no longer. He therefore went to Magistrate Hudson and confessed. Mrs. Richards was killed in 1891. Her husband was employed in a public office in Baltimore and was supposed to have charge of large sums of money which he took home with him. According to Jordan, he met the men coming from the house. They said that they went there to commit robbery, but the wife of Mr. Richards heard them, and when she attempted to interfere they shot her.

KENNEDYVILLE BRIEFS.

The W. C. T. U. met in the M. P. Church, Friday evening of last week. Owing to the intense heat the attendance was quite small; many that were expected to take part in the program being absent. The meeting was opened by singing, "Helping just a Little," followed by prayer by Mrs. Emma Jarrell. The minutes of last meeting was then read by the secretary, followed by the roll-call. A report of the proceeds of the lawn fete was given. The proceeds clear of all expenses was $21.39. A vote of thanks was tendered Mr. Whiteley for the use of his lawn; also to Kent Lodge, K. of P. for the use of saucers and spoons. Singing, Something Better; Reading, A Cowboy's Pledge, by Miss Katie Vandyke. After some announcements by the president, the choir sang, "Wont we be a happy people." The election of delegate to the State Convention was next in order. The result being Mrs. Emma Jarrell, delegate; Mrs. W. H. Kelley, alternate. Mrs. James E. Weer and Mrs. S. E. Sutton were elected delegates to the County Convention. The amount of $5 was voted to the Woman's Temple. The meeting closed by singing "Gather them in"; Miss Annie Shafer and Prof. Judefind presided at the organ.

The services at the M. P. Church was a decided success, notwithstanding the torrid heat. Neither of the three speakers mentioned last week were able to be present. Rev. A. D. Melvin, of Westminster, and Dr. Sullivan, of Crumpton, filled their places most acceptably. Dr. Sullivan preached two able sermons, while Bro. Melvin did the begging. The amount raised was beyond the expectations of every one; the amount in cash and subscriptions was $428.00 and we believe the work of improvement will begin in a very short time.

The "Children's Service" was not so largely attended. Revs. Jesse Shreeve and W. R. McKnett conducted the service. An immense crowd was in attendance at the evening service; all the benches of the church and chairs from the hall were filled and we believe there were at least one hundred persons sitting in carriages and on fences. Rev. W. R. McKnett preached Monday evening; Dr. Sullivan remained with us until Friday. He is very much liked here. If the interest is kept up the meeting will be held another week.

The Kennedyville second nine defeated the Morgnec nine, last Saturday by a score of 26 to 4 in seven innings. The visitors made all their runs on passed balls; at least came in on them.

Mrs. Harriet Bacon, daughter and son, and Mr. Benny Bacon, wife and two children, all of Wilmington, Del., are guests of Mr. and Mrs. Thomas Redmile.

Mr. James Roeder, wife and daughter, of Hollidaysburgh, Pa., are guests at Mr. T. Shafer's. Mr. R. and daughter have their wheels with them.

Miss Lane, of Wilmington, is visiting Mrs. M. E. Lane.

Mr. Tucker Pesend and friend, of Rawleigh, N. C., are guests at Mr. E. B. Pennington's.

Miss Violet Jenkins, of Philadelphia, is visiting friends near the village.

Mr. Sam Copper, of Savannah, spent the past week with his brother, Mr. J. R. Copper.

Prof Judefind spent part of last week with friends in and near the village.

Miss Kate Welch has been seriously ill since her return from Baltimore. She is somewhat improved at this writing.

"TRIO."

Found.—Thieves entered Dr. W. F. Hines' stable Tuesday night and took therefrom the fine little driving mare. She was found later in the day at Mr. Thomas Maslin's in Quaker Neck. She had evidentally been used and then turned loose.

Biddle were appointed to appraise said estate. The will of Ann W. Shallcross was admitted to probate. Letters testamentary on the estate of Ann W. Shallcross were granted to Robert A. Shallcross, Jas. W. Hurtt and Robert Comly were appointed to appraise said estate. Letters of administration on the estate of John Rodney, deceased, were granted to Edward W. Rodney, and John W. Joiner and John T. Beaver were appointed to appraise said estate.

In another column will be found Beck, Walker & Brown's fertilizer ad. Nearly one-fourth of the wheat grown in Kent has been grown with their popular brands, which fact is in itself a sufficient recommendation of their reliability. Call on them before buying.

The Md. Agricultural College offers inducements to the boys of this State unequaled by any other school. Read their ad. in another column.

Home Work. — Crane & Trenchard Bros., basket makers, of our town, by working night and day have filled all orders and can now supply peach growers with all the baskets they may want at reasonable prices. Give home industry a call.
