CHESTERTOWN, MD., - SEPT. 12, 1896.

REGISTER NEXT TUESDAY. Everybody must register anew or *not vote*.

THE ELKTON FAIR this week has been very largely attended and was one of the best yet held.

TUESDAY, OCT. 27, is the day fixed for a grand Bryan mass meeting for Kent county in Chestertown. It ought to be one of the greatest meetings ever held here!

WILLIAM E. MILES, brother of Congressman Miles died in Somerset last Tuesday. He was 42 years old and leaves a widow and six children.

EVEN the Baltimore *Sun* has discovered a few Republicans in Southern Maryland who will *not* vote for McKinley.

SENATOR THURSTON, of Nebraska, was the leading speaker at a big Republican meeting in Baltimore last Monday night. Governor Lowndes presided and Wellington prophesied!

ENOCH PRATT, the Baltimore philanthropist, celebrated his 88th birthday last Thursday. Mr. Pratt is a prominent Republican, of large wealth, of unsullied name and unbounded charity. May he live many years more!

IT is said that Mr. Cochran has been "engaged" to make a series of speeches by the gold interests at a stipulated sum, $20,000 for the campaign. If he lets slip a few more sentences like "farmers who labor with their jaws," he will prove a good investment for the silver cause.

HON. WM. B. BAKER has been nominated by the Republicans for re-election to Congress. He is a man of high character and ability, but will find a lively competitor for Congressional honors in Mr. Jewett, the Harford silver advocate.

MR. J. B. NEWLIN, of Baltimore, is spending a little of his time in Chestertown, his headquarters being at the Watts House. He was here last year for some weeks and was then an ardent Lowndes Republican. Now he is a red-hot Bryan silver man. He says he has traveled considerably of late and finds the Bryan sentiment perfectly amazing among the masses of the people. Mr. Bryan's election he thinks a foregone conclusion.

THE Indianapolis gold-bug ticket ought to have a mole and an owl for a ticket emblem. They work underground and try to look wise!

THERE is no room for "Hannacrats" in New Jersey. The Democratic State convention, held last Wednesday, was the largest in the history of the party, and the Chicago platform and nominees were unanimously endorsed.

GEN. JOHN C. BLACK declines the gold money Democratic nomination for Governor of Illinois. He thinks he has some political future, and therefore is unwilling to play second-fiddle to the Cleveland goldbug combine.

THE Republican vice-presidential candidate, Hon. Garrett R. Hobart, has issued his letter of acceptance. It is not so long as McKinley's but is a creditable document. He stands squarely on the gold platform.

NOT PLEASED YET!

Senator W. Cabel Bruce was chairman of the Maryland delegation to the Indiannapolis convention. He professes to be a Democrat, and his delegation was said to represent Democrats in Maryland who were displeased with the results of the Democratic National convention at Chicago. That Indiannapolis convention is now a thing of the past. The candidates nominated have been *back numbers* for years. No man with any political future would consent to be used for the purposes of that convention. Indeed—if we may judge the other State delegations by Maryland's—that whole Indiannapolis convention was *a body of back numbers*. That they should do the ridiculous is not surprising. To declare their little handful of goldbug soreheads the "National Democratic party" was not more satirical than the getting themselves together in the several States and appointing themselves delegates to *represent Democrats!*

A fair specimen of that Indiannapolis convention is found in the head of the Maryland delegation. Who is he? Most of our readers know of him as the presiding officer of the last Maryland Senate, more conspicuously for the means of his elevation to that honorable position than for any illustrious service. He is the man that did the most brilliant *dickering* of recent years! He was willing to be Democrat or Republican to be a presiding officer! And the Democratic Senators will probably never get done censuring themselves for being led into the blunder which will go down in history as one of the most villainous acts of political perfidy on the part of Bruce on record!

But to later events. Mr. Bruce professed to be a straight Democrat when the regular party movement came on to select delegates to Chicago. He was conspicuous in the "lobbies" of the Carrollton on the night before the State convention met and he was seeking as usual the favor of Democrats for political honors. He would readily have gone himself as a delegate to Chicago, but couldn't work the Annapolis racket a second time. He was left. And so were certain other gentlemen, and they at once became *dissatisfied*. They saw their opportunity in the call of the Wall street goldbugs for another Democratic convention. They made sure of the *honor*, and selected themselves as delegates. For what? They said it was to nominate candidates more congenial to their taste. And they did so. With all the solemnity of owls they named two good old souls, and wrote a platform in which they said that the present gold standard is the one thing desired.

Then what? How about this second ticket which Mr. Bruce helped to nominate? The statement does seem almost incredible—would be incredible regarding most people—that *Mr. Bruce will not support this second ticket!*

This is actual fact. Bruce said publicly last Wednesday, that he didn't feel it to be his duty to support this second-Democratic ticket! And he will not do it! He brazenly admits that his Indiannapolis ticket is a fraud—was concocted for purposes of deception—was not intended to be voted! It was only a trap, Bruce says, to catch *Bryan Democrats*. Bruce says he is not a Bryan Democrat. He is a Bruce Democrat. He has gotten all the honors of being a delegate to something, and that ends that little play. What he wants now is to see the further profit. How will Bruce vote? No man knows. He does not know himself. It all depends upon circumstances!

THE Democratic State Central Committee had a full meeting in Baltimore last Thursday. Senator Gorman was present and spoke encouragingly of the outlook.

THE Pennsylvania Democratic State convention last Thursday unfurled the silver flag and in the strongest terms endosred Bryan and Sewall.

HON. WM. J. BRYAN'S letter of acceptance is published in Thursday's papers. All concede it to be a document of great ability.

HON. THOS. C. WEEKS is a prominent candidate for the Democratic nomination to succeed Mr. Rusk in Congress. Weeks is the very man for the place. He has ability, eloquence on the stump, and great popularity with the people, and better still, he is solid for silver. He will be elected by a tremendous majority.

THE silver rallies in Baltimore are alarming the goldites. Even the *Sun* admits the attendance at one meeting to be over 5,000. The great cause is just in its beginning. What will it be later?

THERE are three gold tickets in the field—McKinley, Levering, Palmer—the Republican ticket, the Prohibition ticket and the Fraud ticket. One silver ticket—Wm. J. Bryan—Democratic.

MR. MAXWELL, the Fourth Assistant Postmaster General, has announced that he will support the Indianapolis Fraud Ticket. It was not at all necessary for him to state the fact. As the Fraud Ticket was *gotten up by President Cleveland* it could not be supposed that his cabinet mouth pieces would fail to drop into that boat with him.

IN Colorado the Democratic Bryan electorial ticket has been endorsed by the Republican State Convention, by the Populists and the silver conventions. The Baltimore *Sun* calls this "wholesale fusion!"

WELLINGTON says McKinley will carry Maryland by 25,000 majority. Rowlenson says Bryan is sure of the State by 25,000. One knows about as much as the other on that line.

THE greatest labor demonstration known in this country was witnessed in Chicago last Monday. It was a grand ovation in honor of William Jennings Bryan, the great champion of Democracy. Mr. Bryan's address at the Park was heard by a multitude of people and was received with great enthusiasm.

HERE is Bourke Cochran's definition of the silver movement:

"Men of New York! Will you submit to this conspiracy between the professional farmers, the farmers who cultivate the quarrels of their neighbors, farmers who labor with their jaws, populist agitators of the West and the un-reconciled slaveholders of the South?"

Thus we have the big New York lawyer's opinion. It no doubt fairly indicates his feeling toward all *ordinary* mortals. Our intelligent agriculturists, who dare to think for themselves and express their opinions, are "*farmers* who labor with their jaws!"

NEXT TUESDAY is the first sitting of the registers of voters in Kent. Some persons are under the impression that this does not concern them because they have heretofore been registered. This is a mistake. *There is not a registered voter in Kent county today.* Every man who votes in November must be registered anew. Next Tuesday will give an opportunity. Don't put it off.

THE dread typhoid fever seems to be in almost epidemic form in many sections. Mr. Henry Lewis died in Elkton last Sunday night after a short illness. Mr. Otho Bryan, of Centreville, died Monday morning.

THE goldites are hard pressed for campaign encouragement in claiming the result of the election in Vermont as a defeat for silver. We were rather gratified than otherwise at Vermont's voice. It was a just rebuke to the Democracy of that State. They played with the golden serpent and were stung. Both the Republican and Democratic platforms and candidates were for gold, and the former won by a larger majority than usual. How is it possible to claim this a defeat for silver? The Democracy deserved to lose by even a larger majority than they did because of their failure to rally to the standard of the people raised at Chicago. How different was it last Tuesday in Arkansas! *There the issue was direct between silver and gold, and silver won by a majority of seventy thousand!*

Bryan in Baltimore!

It is now announced that Bryan will be in Baltimore and speak on the 19th September, next Saturday, instead of the 21st. The Chester River Steamboat Company will no doubt make arrangements to accommodate the crowds of people who will want to make round trips on that day, provided other arrangements are not made to that end. The meeting, as heretofore stated, will probably be held on the large open space in front of the Music Hall, on Mt. Royal avenue, and immediately opposite the new station of the Baltimore and Ohio Railroad. After Mr. Bryan's address he will hold a public reception in the hall.
