Go To Church Month. Kent County leads the state in the

average for church attendance during the month of January, 1936! Let us make that statement true. What blessings would come to Kent, if all the people would become Church-minded. A community where men have abandoned or ignored religion is on the down grade.

Let us try a little harder to pay the obligation that rests upon us. A good beginning can be made in January. Sponsored by the Ministers and congregations of the various denominations in the county, January will be known as "Go-To-Church" month.

Let us go into the house of the Lord.

KIBLER'S KORNER December 24, 1935 Vol. 8.

st when we are ting used to writ it "1935" anothe year comes sail. 25 26 27 2

We find ourselves in a very thankful mood at this time for the friendships we have enjoyed during the past year.

And this is our rather awkward way of saying, "Thank you" for the part you have played in that connection.

We hope it brings you prosperity in great abundance, and that it eliminates from your 1936 program all worry and disappointment.

C. W. Kibler & Sons Phone 149

And if the Kibler's Korner or any member thereof, can be of service to you in the months to come, please remember that we are here for that purpose.

Again, may we say it—"A Merry Xmas and a Happy New Year!"

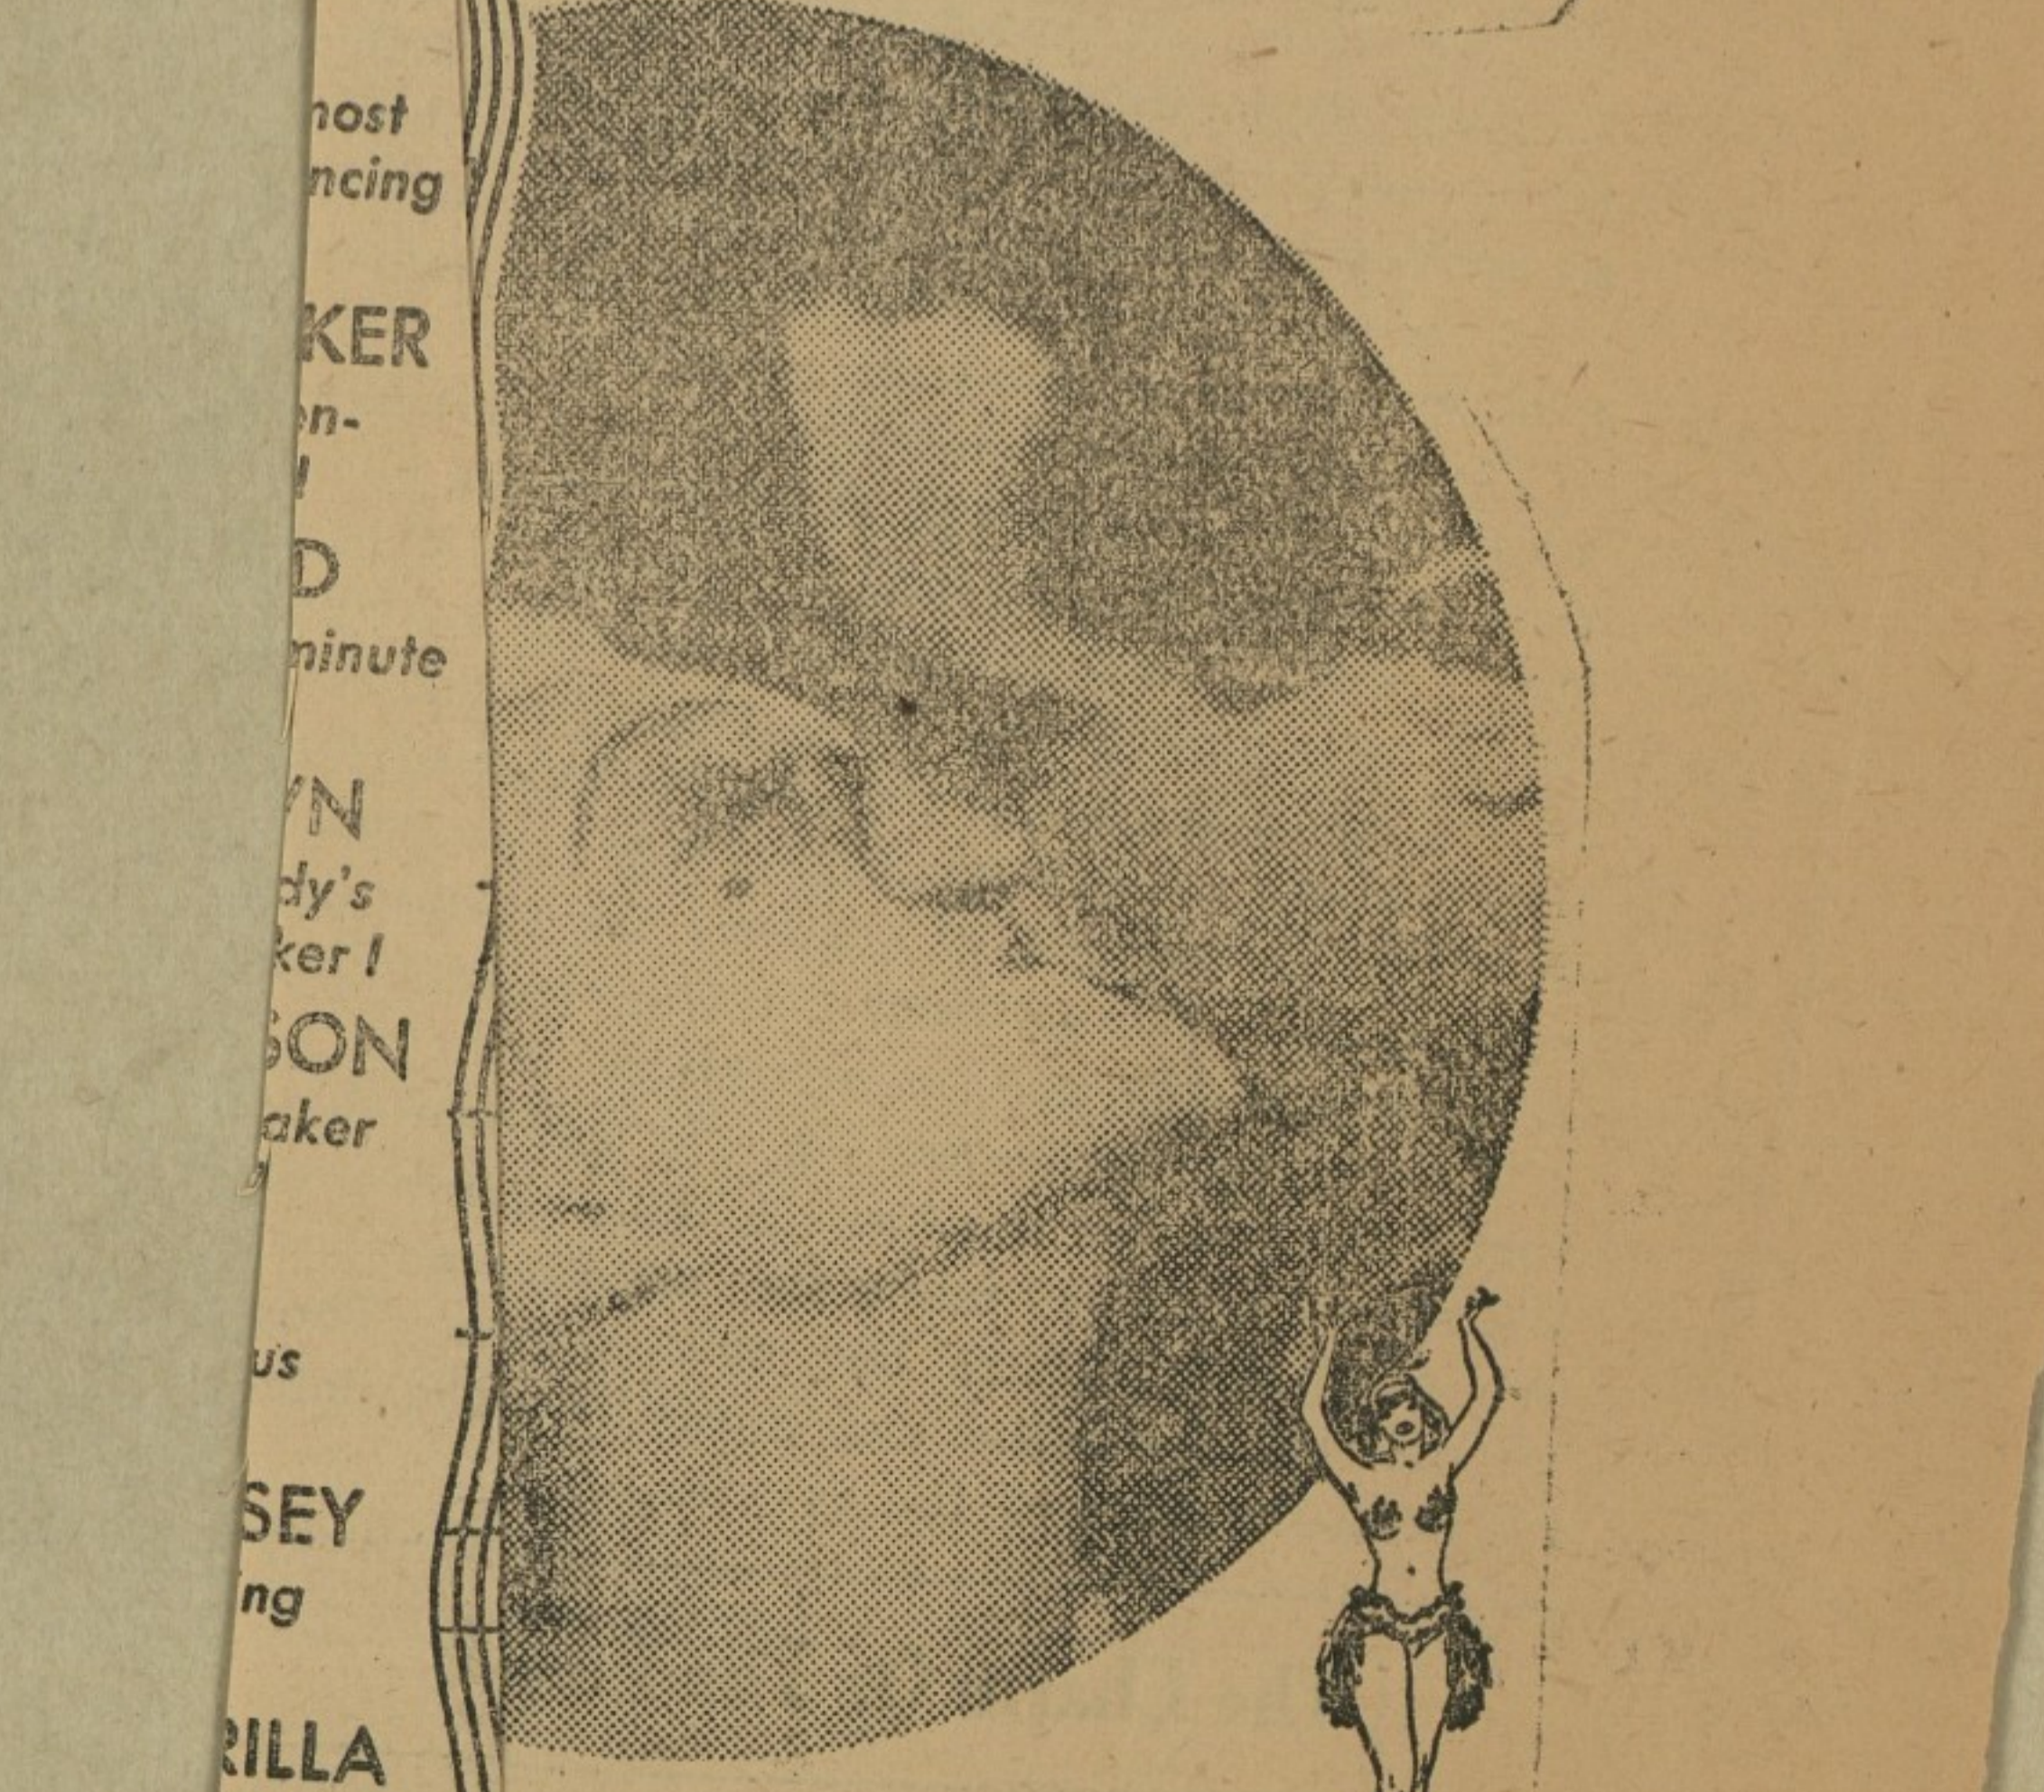

And we are wishing for you and yours every happiness in 1936.

We appreciate these kindnesses and courtesies more than we can tell you.

We hope it may be a great year for you. Christmas time again. Think of it.
