Sign many letters? If you do you'll appreciate a Waterman's No. 7 with its smooth-writing signature point.

There are 7 No. 7 pens, each with a different point, for a specific kind of writing, identified by a color symbol.

For signature work we suggest either Red (Standard point), Brown (Fine) or Yellow (Rounded).

Because of its "Tip-Fill" feed No. 7 is filled without holder touching ink. No ink on fingers—no cleaning.

YOUR point is here!
