Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GIRLS' THIRD ANNUAL CAMP

Kent County Girls' Clubs Meet At Washington College And Have A Big Time

The Girls' Clubs of Kent County held the Third Annual Camp at Washington College from July 11 to 14, inclusive. There were 56 girls in attendance which is an increase of 12 girls over last year.

Probably the newest feature of the camp was the training given the girls in leadership by organizing the camp into groups. Leaders in charge of these groups were responsible for the conduct of the groups, while at camp. The group leaders were Anna Matthews, Louise Shehan and Hannah Peacock. Vesper services, which were held each day, were in charge of these leaders, as were also hikes and other features requiring decipline.

Instruction was given each morning in the following subjects: Breadmaking, Poultry, Sewing, Personal Hygiene, Organization, Sanitation, Parliamentary Law, Table Setting, Courtesy and games. Instructions were as follows: Mrs. Marion C. Bell and Miss Adice S. Jones, of the Maryland University Extension Service, Miss Francis Morris, of Fairlee, and Mrs. Thomas Massey, County Health Nurse. Mr. O. E. Jones spoke on "The Ideal Woman."

While in town the girls visited the Telephone Exchange, Gill Bros. ice cream plant and the Bramble Poultry Farm. The girls will never forget the peaches and ice cream to which they were treated on this trip.

Friday was Boys' and Girls' Club Day. The greater part of the day was given to indoor games. In the afternoon the Kent County Association of Boys' and Girls Clubs held the Second Annual Meeting. Kathryn Smith, vice-president, presided at the meeting. After the reading of the minutes by the secretary, Elizabeth Sutton, the election of officers was taken up. The following elections were made: Ana Matthews, president; Sara Glass, vice-president; Hannah Peacock, secretary; Stanley Sutton, treasurer. Talks were given by Mr. Peter W. Chichester, Assistant State Boys' Club Agent, Mr. Derrick and Miss Hill. The program ended with a pantomine, which represented the camp activities for the four days and was splendidly carried out by Anna Rasin and Anna Keyser as the leading characters. Twenty-five girls took part in staging the pantomine. After singing of club songs the meeting adjourned.

Only girls who have done creditable work were allowed to attend camp. Eighty-five girls were granted the privilege of attending. The following girls attended:

Worton Girls' Club—Ann Matthews, Bernice Carter, Clara Matthews, Elizabeth Moffett, Julia Williams, Henrietta Karnan, Margaret Cooper.

Betterton Girls' Club—Elizabeth Crew, Sara Harris, Florence Owens, Katherine Wheeler.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

SOUR STOMACH INDIGESTION

Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.— The efficiency of Thedford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver.

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Thedford's Black-Draught liver medi is the original and only genuine. or substitutes.
