Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

THE WESTMINSTER CONFERENCE

Young People's Conference Of M. P. Church Meets At Western Maryland College Last Week

In the name of those who were privileged to attend the Young People's Conference at Western Maryland College last week, and for the sake of those who were not, we submit below a few of the outstanding features of that splendid "hill-top" experience.

From the time we met at Christ Church, Baltimore, and entered the busses direct for College Hill, until we reached home a week later, a spirit of fellowship, fun, helpfulness and heart-searching prevailed that was wonderful and splendid to feel.

The days were full. No one wished to miss the morning worship—there was nothing else just like it! The meal times, with first one table, then another, giving something to the general song and sociability; the morning classes, where teaching, study and thought were perfectly combined, and lessons applied to our own individual church needs; the class in Bible Study, where the whole Conference joined under Dr. Curry as the teacher, using as his topic, "In Step With the Master"; the afternoon sports, hikes, inspection of buildings; the twilight services on the hill top just as the sun was setting; then the lecture of real inspiration that came in the evening;—all these touched and helped some part of every individual life.

Aside from these things, which every day brought, there was Dr. Forline's hike to "Tramp Hollow," with "Uncle Remus" stories told as only he can tell them, so real that even "Br'er Tarrapin" joined us to hear about his race, a "Wienie roast," a "marshmallow roast," a study of the stars," a trip to Gettysburg and Saturday evening's "stunt night."

Eight groups,covering practically the entire Maryland Conference territory, put on a "stunt" for the fun and amusement of the others.

Each delegate and vistor took notes on the morning classes and will give interesting reports to the church or department represented, and we venture the hope that next year "Kent County's twenty-seven" may be doubled. We hope to see a number of boys and girls there from every church in the county. Older persons may bring back more to the churches, but it is a wonderful atmosphere and that cannot well be brought back to young people except by young people.

With possibly one exception St. James had the largest delegation in the conference.

The "Hill Top" service on Sunday afternoon, led by Mrs. Maier, whom everybody loves, showed us what to do with our boys and girls on Sunday afternoons. She made such a beautiful appeal for Life Service for Christ," and the response was so touching! The appeal for "Life Recruits" on Friday night and again at the "Twilight Hour" on Sunday night, and the way the very young people responded,—these were things we felt, but cannot well put into words. It did our hearts good to see so many of our Kent County group responding to these appeals.

Below are just a few thoughts gathered here and there that made a deep impression:

"Don't disappoint that (earthly) friend who stands next to you!"

"Crown the good, the brave, the true and the bad, the weak and the low will slink away"!

"Build an ell onto your life and move out, spiritually."

"It is beautiful to see such a spirit of co-operation, willingness and fellowship."

"It is fine for our young people to see that Christian living and real, true fun and pleasure can and do go hand in hand."

"Our lives will never be just the same again. We must give better service to others, for His sake."

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since . . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85
