THE TRANSCRIPT

MR. BRUCE AND MR. GOLDSBOROUGH

Now that the primary election is over it is the duty of every Democrat to support Mr. Bruce and Mr. Goldsborough in the general election. The voters of this county and state had the choice of three men to represent the state in the Senate and in the House of Representatives. A plurailty of the Democrats of both this county and state have selected Mr. Bruce and M.r Goldsborough as their standard bearers in the general election. There is no reason why every Democrat,regardless of his choice in the primary election, should not get behind the successful nominee.

To date Mr. Goldsborough has no opposition. Whether the Republicans will place a candidate in the field is not known at this time.

In the Senatorial fight Mr. Bruce will be opposed by Senator France. We do not believe that the record of Senator France in the Senate will add greatly to his strength in the coming election We know of nothing in his record which commends him for re-election. He has been severely criticized not only by the public in general, but by members of his own party.

In Mr. Bruce we believe that the Democratic party has an unusual chance of victory in the Senatorial fight. All signs point to a Democratic victory this fall and if every Democrat will do his duty there will be no question as to the result in the general election.

W. C. WILL OPEN SEPT. 20

Enrollment Largest In Recent History Of Institution, With About 175 To Enter

Washington College will open on Wednesday next, Sept. 20, for its fall term. The outlook is the best in the history of the institution, with a total enrollment of 175.

The dining hall has been moved from West Hall to Reid Hall. The old dining room is being converted into rooms for boys.

Many new students will probably make the Freshman Class the largest in the history of the school.

The Faculty will be the same as last year with the exception of the heads of the English and Domestic Science Departments, whose names have not been made public.

Through very hard efforts on the part of the Alumni, the W. C. football team is having preliminary training for the first time in its history. About 20 ment are on hand and Coach Kibler is putting them through rigid training and the prospects are better than for many years.

At the opening practice on Tuesday the following were present from last year's team: Capt. Stenger, Crowe, Carroll, H. Russell, Bankard, Dumschott and E. Russell. Waterbury has again sent a contingent of its star athletes, greatly through the efforts of Prof. Louis J. Thibodeau, a former W. C. graduate, at present principal of Crosby High Scohol, Waterbury. The following have been added to the football line-up: Cavanaugh, last year's captain of the crack Crosby High School team, who is considered one of the best drop-kickers in the state of Connecticut; Fiore, star of the champion Crosby Basketball team; Monaghan and Willis, who are out for the tackle position; Kelly is at present the only center in the squad, who is a fine prospect; Reiger, Galvin and Ray are working for ends; Tyson is also a candidate for the backfield; Scarborough, Adkins, Conant and Stewart are recruits, but are good prospects. The elusive and powerful Crowe, with a heavy line in front him, should show up in fine form this year and display the real ability which he is capable of showing with proper assistance; Eddie Keenan is expected at any time.

While many of the above are somewhat inexperienced men, we have no doubt that Coach Kibler will be able to whip into shape a team that will give a good account of itself on the green sward.

RESULTS OF THE PRIMARIES

WILLIAM CABELL BRUCE NOMINATED BY DEMOCRATIC PARTY FOR U. S. SENATE—T. ALAN GOLDSBOROUGH NOMINEE FOR CONGRESS JOS. I. FRANCE WINS FOR REPUBLICANS

A most interesting Democratic primary fight for the Senatorial and Congressional nominations culminated in Kent County Monday when William Cabell Bruce, of Baltimore, won the former over William I. Norris and David J. Lewis. T. Allan Goldsborough, who has represented this District so well in Congress during the past two years, proved an easy winner over Messrs. Sisk and Jackson for the nomination for Congress on the same ticket.

Senator Joseph Irwin France lost Kent to Mr. Garrett for the Republican nomination to the Senate, but won the nomination because of his large majority in Baltimore City, where he polled nearly two to one over his opponent.

At the present time Mr. Goldsborough has no opposition for Congress from the Republicans and there is some doubt as to whether a second man will be put into the field.

The three-cornered fight in Kent county between the Bruce-Norris-Lewis forces showed that both the latter two as well as the former had their friends, and Mr. Bruce's lead in the county over Mr. Norris, who ran second, was only 91 votes. Millington's large majority helping materially in the Bruce victory. All elements of the party, however, appear satisfied with the result.

The friends of David J. Lewis in the counties had much cause to be pleased with the result. Mr. Lewis made a far better run against Mr. Bruce than a superficial glance at the returns will indicate. He polled in the counties, where his fight was concentrated, 15,291 votes, against 21,504 for Mr. Bruce and 8,871 for Mr. Norris.

The result of the Goldsborough-Sisk-Jackson fight for the Congressional nomination was as follows:

Senator Lodge, Republican, of Massachusetts, defeated his opponent, Jos. Walker, for the nomination for the Senate in that state Monday.
