CHAPTER 7.

AN ACT to propose an amendment to Section 2 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," increasing the number of legislative districts of Baltimore City, and providing for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection:

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two House concurring, that the following Section be and the same is hereby proposed as an amendment to Section 2 of Article III of the Constitution of the State of Maryland, title "Legislative Department," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 2 of Article III of the Constitution of the State of Maryland.

2. The City of Baltimore shall be divided into six legislative districts as near as may be of equal population and of contiguous territory, and each of said legislative districts of Baltimore City, as they may from time to time be laid out, in accordance with the provisions hereof, and each county in the State, shall be entitled to one Senator, who shall be elected by the qualified voters of the said legislative districts of Baltimore City and of the counties of the State, respectively, and shall serve for four years from the date of his election, subject to the classification of Senators hereafter provided for.

Sec. 2. And be it further enacted by the authority aforesaid, That said aforegoing section, hereby proposed as an amendment to the Constitution, shall be at the next general election for Members of the House of Representatives of Congress held in this State submitted to the legal and qualified voters of the State for adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteenth Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved March 1, 1922.

ARTICLE 20.

AN ACT to propose an amendment to Section 4 of Article III of the Constitution of the State of Maryland, title "Legislative Department," regulating the representation of the City of Baltimore in the House of Delegates; and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following Section be and the same is hereby proposed as an amendment to Section 4 of Article III of the Constitution of the State of Maryland, title "Legislative Department," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 4 of Article III of the Constitution of the State of Maryland.

4. As soon as may be, after the taking and publishing of the National Census of 1900, or after the enumeration of the population of this State, under the authority thereof, there shall be an apportionment of representation in the House of Delegates, to be made on the following basis, to wit: Each of the several counties of the State, having a population of eighteen thousand souls or less, shall be entitled to two delegates; and every county having a population of over eighteen thousand and less than twenty-eight thousand souls, shall be entitled to three delegates; and every county having a population of twenty-eight thousand and less than forty thousand souls, shall be entitled to four delegates; and every county having a population of forty thousand and less than fifty-five thousand souls, shall be entitled to five delegates; and every county having a population of fifty-five thousand souls and upwards shall be entitled to six delegates and no more; and each of the six legislative districts of the City of Baltimore shall be entitled to the number of delegates to which the largest county shall or may be entitled under the aforegoing apportionment, and the General Assembly shall have the power to provide by law, from time to time, for altering and changing the boundaries of the existing legislative districts of the City of Baltimore, so as to make them as near as may be of equal population; but said district shall always consist of contiguous territory. In case the General Assembly, at the regular session of nineteen hundred and twenty-two, fails to fix the boundaries of the six legislative districts of the City of Baltimore, the Board of Supervisors of Elections of said city shall fix the boundaries of the six legislative districts, subject to the limitations contained herein, and shall give adequate notice of the same; and the boundaries so fixed shall remain until altered or changed by the General Assembly.

Sec. 2. And be it further enacted by the authority aforesaid, That said aforegoing section, hereby proposed as an amendment to the Constitution, shall be at the next general election for Members of the House of Representatives of Congress held in this State submitted to the legal and qualified voters of the State for adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteenth Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved March 1, 1922.

CHAPTER 141.

AN ACT to propose an amendment to Section 1 of Article 6, title "Treasury Department," of the Constitution of Maryland, prescribing the salary of the Comptroller and the terms of office of the Comptroller and the Treasurer; and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of each of the two Houses concurring, that the following be and the same hereby is proposed as an amendment to Section 1 of Article 6, title "Treasury Department," of the Constitution of Maryland, the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 1 of Article 6 of the Constitution.

Section 1. There shall be a Treasury Department, consisting of a Comptroller chosen by the qualified electors of the State, at each general election at which the Governor is chosen, who shall receive such salary as may be fixed by law; and a Treasurer, to be appointed by the two Houses of the Legislature, at each regular session thereof, in which begins the term of the Governor, on joint ballot, who shall receive an annual salary of two thousand five hundred dollars; and the terms of office of the said Comptroller and Treasurer shall be for four years, and until their successors shall qualify; and neither of the said officers shall be allowed, or receive any fees, commissions or perquisites of any kind in addition to his salary for the performance of any duty or services whatsoever. In case of a vacancy in either of the offices by death or otherwise, the Governor, by and with the advice and consent of the Senate, shall fill such vacancy by appointment, to continue until another election or a choice by the Legislature, as the case may be, and until the qualification of the successor. The Comptroller and the Treasurer shall keep their offices at the seat of government, and shall take such oath, and enter into such bonds for the faithful discharge of their duties as are now, or may hereafter be prescribed by law.

Sec. 2. And be it further enacted by the authority aforesaid, That the said aforegoing section hereby proposed as an amendment to the Constitution, shall at the next ensuing general election for members of Congress, to be held in this State on the Tuesday next after the first Monday of November, one thousand nine hundred and twenty-two, be submitted to the legal and qualified voters of the State for their adoption or rejection in conformity with the directions contained in Article XIV of the Constitution of this State, and at the said election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, and further proceedings had in accordance with Article 14 of the Constitution.

Approved April 13, 1922.

CHAPTER 227.

AN ACT to propose an amendment to the Constitution of the State of Maryland by adding thereto a new Article to be numbered "Article XVII," entitled "Quadrennial Elections," the same providing that all State officers, except judges and all county officers elected by qualified voters shall be elected in every fourth year for terms of four years; and adjusting terms of State and county appointive officers; and providing that all provisions of the Constitution inconsistent with the provisions of this Article be repealed to the extent of such inconsistency; and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, three-fifths of all the members of the two Houses concurring, That the following new Article to be numbered "Article XVII," title "Quadrennial Elections," be and the same is hereby proposed as an amendment to the Constitution of the State of Maryland. The same if adopted by the legally qualified voters of the State, as herein provided, to become a part of said Constitution, and to be numbered and titled as aforesaid.

ARTICLE XVII.

Quadrennial Elections.

Section 1. All State officers elected by qualified voters (except judges of the Circuit Court of the several circuits, the member of the Court of Appeals from Baltimore City, and members of the Supreme Bench of Baltimore City), and all county officers elected by qualified voters, shall hold office for terms of four years, and until their successors shall qualify.

Section 2. Elections by qualified voters for State and county officers shall be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-six, and on the same day in every fourth year thereafter.

Section 3. Members of the House of Delegates and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-two, for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; the Governor, Attorney General, members of the State Senate and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday in November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; Registers of Wills, Clerks of Court and all other State and county officers elected by qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at six years, shall hold office for terms of three years; and all such State and county officers elected by qualified voters thereafter shall hold office for terms of four years.

Section 4. All officers to be appointed by the Governor under existing provisions of law in the year nineteen hundred and twenty-four for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at six years, shall hold office for terms of five years, and thereafter appointments by the Governor shall be for the terms heretofore fixed by law, unless otherwise duly changed by law. All officers appointed by County Commissioners after the election to be held on the Tuesday next after the first Monday in November, nineteen hundred and twenty-three, for terms of office of two, four or six years, shall hold office for terms of three years, and thereafter appointment by the County Commissioners shall be for terms of four years, unless otherwise duly changed by law.

Section 5. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-five, shall be increased by one year, and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six. The terms of all State and county officers, heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-seven, shall remain unchanged; their successors shall be elected for a term of three years at the elections to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six, but shall not take office until the expiration of the full term for which their predecessors have been elected; and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and thirty. Nothing herein shall affect the terms of any judge of the Circuit Court of the several circuits, the member of the Court of Appeals from Baltimore City or any member of the Supreme Bench of Baltimore City; if the term of any such judge shall expire in a year in which no election for members of the General Assembly is held, the Governor shall appoint a person duly qualified to fill said office, who shall hold the same until the next general election for members of the General Assembly, when a successor shall be elected for the term elsewhere provided. The terms of all State and county officers heretofore appointed for terms which will not expire until during the year nineteen hundred and twenty-five, nineteen hundred and twenty-six, nineteen hundred and twenty-seven or nineteen hundred and twenty-eight shall be reduced by one year, and their successors shall be appointed for the terms now provided by law in the years nineteen hundred and twenty-four, nineteen hundred and twenty-five, nineteen hundred and twenty-six or nineteen hundred and twenty-seven, respectively. In the event that the term of any officer appointed by the Governor with the advice and consent of the Senate shall expire in the year nineteen hundred and twenty-five or twenty-six, the Governor shall have power to appoint a successor, who shall serve for the full term subject to confirmation by the Senate at the regular session to be held under this Article in the year nineteen hundred and twenty-seven.

Section 6. The General Assembly shall meet on the first Wednesday of January, nineteen hundred and twenty-four, for a regular session, and shall not meet again for a regular session until the first Wednesday of January, nineteen hundred and twenty-seven, and the General Assembly shall meet on the same day in every second year thereafter and at no other time, unless convened by proclamation of the Governor.

Section 7. The term of the Treasurer elected by the General Assembly at the regular session of nineteen hundred and twenty-four shall be three years. Thereafter the term shall be the same as elsewhere provided.

Section 8. The terms of the Members of the Board of Supervisors of Elections of Baltimore City and of the several counties shall commence on the first Monday of June next ensuing their appointment.

Section 9. The vote to be held under the provisions of Section 2 of Article XIV of the Constitution for the purpose of taking the sense of the people in regard to calling a Constitutional Convention shall be held at the general election in the year nineteen hundred and thirty, and every twenty years thereafter.

Section 10. The Governor shall submit three budgets to the General Assembly at the regular session of nineteen hundred and twenty-four, in accordance with the provisions of Section 52 of Artcile III of the Constitution, for the three fiscal years beginning October first, nineteen hundred and twenty-four, and ending September thirtieth, nineteen hundred and twenty-seven and two budgets to the General Assembly at the regular session of nineteen hundred and twenty-seven, and thereafter as now provided by said section.

Section 11. The purpose of this Article is to reduce the number of elections, by providing that all State and county elections shall be held only in every fourth year, and at the time now provided by law for holding congressional elections; and to bring the terms of appointive officers into harmony with the changes affected in the time of the beginning of the terms of elective officers; and the administrative and judicial officers of the State shall construe the provisions of this Article so as to effectuate that purpose. For the purpose of this Article only the word "officers" shall be construed to include those holding positions and other places of employment in the State and county governments whose terms are fixed by law, but it shall not include any appointments made by the Board of Public Works, nor appointments by the Governor for terms of three years.

Section 12. The General Assembly, at the regular session in the year nineteen hundred and twenty-four, shall make such changes in the primary and general election laws, and otherwise, as may be necessary to carry out the provisions of this Article. There shall be no election for State or county officers in the year nineteen hundred and twenty-five.

Section 13. In the event of any inconsistency between the provisions of this Article and any of the other provisions of the Constitution, the provisions of this Article shall prevail, and all other provisions shall be repealed or abrogated to the extent of such inconsistency.

Section 2. And be it further enacted by the authority aforesaid, That said aforegoing section, hereby proposed as an amendment to the Constitution shall be at the next general election for Members of the House of Representatives of Congress held in this State submitted to the legal and qualified voters of the State for adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the following synopsis of said amendment under the caption of

"CONSTITUTIONAL AMENDMENT PROVIDING FOR FEWER ELECTIONS."

"This amendment provides that all State officers, except judges, and all county officers elected by qualified voters shall be elected in every fourth year for terms of four years beginning with the election in November, nineteen hundred and twenty-six. The terms of State and county officers to be elected in nineteen hundred and twenty-three are reduced to three years, and the terms of other elective officers are increased or reduced, as necessary, so that their successors may be elected in nineteen hundred and twenty-six. Terms of officers appointed by the Governor and by County Commissioners are adjusted in harmony with the terms of the officials by whom they are appointed. The General Assembly shall meet in nineteen hundred and twenty-four for a regular session, and again in nineteen hundred and twenty-seven, and every two years thereafter. Other provisions of the Constitution and of the Laws are adjusted to harmonize with the above changes"; and the words "For Fewer Elections Amendment" and "Against Fewer Elections Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteenth Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved April 13, 1922.

CHAPTER 275.

AN ACT to propose an amendment to Section 10 of Article XV of the Constitution of the State of Maryland, title "Miscellaneous," providing that words or phrases used in creating public offices and positions shall be construed to include the feminine gender; and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland (three-fifths of all the members of each of the two Houses concurring), That the following section be and the same is hereby proposed as an amendment to Section 10 of Article XV of the Constitution of the State of Maryland, title "Miscellaneous," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 10 of Article XV of the Constitution of the State of Maryland:

Section 10. Any officer elected or appointed in pursuance of the provisions of this Constitution, may qualify either according to the existing provisions of law in relation to officers under the present Constitution, or before the Governor of the State, or before any Clerk of any Court of Record in any part of the State; but in case an officer shall qualify out of the County in which he resides, an official copy of his oath shall be filed and recorded in the Clerk's office of the Circuit Court of the County in which he may reside, or in the Clerk's office of the Superior Court of the City of Baltimore, if he shall reside therein. All words or phrases, used in creating public offices and positions under the Constitution and laws of this State, which denote the masculine gender shall be construed to include the feminine gender, unless the contrary intention is specifically expressed.

Sec. 2. And be it further enacted by the authority aforesaid, That said aforegoing section, hereby proposed as an amendment to the Constitution, shall be at the next general election for Members of the House of Representatives of Congress held in this State submitted to the legal and qualified voters of the State for adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of this State, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment" and "Against the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteenth Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved April 13, 1922.

GIVEN UNDER MY HAND AND THE GREAT SEAL OF MARYLAND. Done at the City of Annapolis, this 25th day of July, in the year of our Lord, One Thousand Nine Hundred and Twenty-two.

ALBERT C. RITCHIE,
By the Governor;

SPORTS

CURRENT EVENTS IN THE REALM OF SPORT VIEWED FROM MANY ANGLES

Washington College's football squad is fast rounding into form for the first game of the year—that with Charlotte Hall, on September 30. While the college has not yet opened for the fall term, thirty or more candidates appear on the gridiron every day for practice. Beginning with last Monday, real football weather has been in evidence, the result being that the squad has begun to round into real form for scrimmage, which has been unlike elevens of the past two years at the college who entered the field for the first day's game without having met an opposing team in battle. This will not be true this season, however, as Coach Kibler has the boys in scrimmage every day and some hard battles are witnessed on the field. With a fairly heavy line, with dashing backs and with an illimitable amount of enthusiasm, it looks to us like Washington means to put a team upon the field this year that will make other state elevens take notice.

The arrival of big, jovial Eddie Keenan, all-Maryland guard, of last year's eleven, the other night from Waterbury, Washington College's storehouse for athletes, was an event eagerly looked forward to by all local lovers of football. Keenan has been sick, although he does not look it, and some were afraid he might not be able to come. But Eddie is here, and this means that right guard at Washington College will be the strongest guard position in the state. Long live Eddie!

The University of Maryland gridmen entered into the more serious stage of their preparation for the stoutest schedule ever undertaken by a black and gold eleven, and, in fact, the most difficult ever attempted by any Southern eleven. Byrd has been hustling his men through some fast scrimmaging and expects to have them ready for the opening contest.

While the squirrel season is in its height, we have been unable to find a single hunter who has been able to find squirrel in any number this year. It will be a short month or so when quail and rabbits also will be quarry for the hunters, who hope that they will not be found equally scarce in the covers of Kent county.

The State Game Department has now compelled the hunters to have their license tag placed in the middle of the back of their gunning coat. We don't see any use whatever for this unless it is for the purpose of furnishing a target for some hunter in the rear. Foolish and ridiculous restrictions of the State Game Department will, we expect, drive many life-long hunters from the sport with their somewhat humorous restrictions.

William T. Tilden 2d, of Philadelphia, retained the crown and trophy won in 1920 and 1921 Saturday by defeating William M. Johnston, of San Francisco, in a terrific five-set struggle by the scores of 4-6, 3-6, 6-2, 6-3, 6-4. This great contest transcended any similar battle in the memory of the oldest follower of the game.

Many of the great defensive backs of football rarely get the plaudits of the crowd, but they earn the deepest respect of their mates and others who know the game. Their work rarely is spectacular. Only a small part of it is out in the open where admiring eyes can follow the play. It is, however, a vital part of any team's play.

The Chestertown checker champs have begun to warm up for the coming season, and while the breezy tonsorial parlor of Mr. Ralph Barnett has caused a shift in the scene from former quarters in Massey & Kilbourne's to that place, we expect the stove of the latter place will draw them again in large number before the frost falls white on the pumpkins or the fodder has been shocked. Mr. Joseph N. Wheatley, the Plumed Knight of the Board; Mr. Wm. G. Smyth, Grange Champion, who, unfortunately, went down beneath the handicap of inferior equipment at Barclay last year, but who, later, staged a remarkable comeback; Mr. Wm. Frazier Russell, Court-street Champion; Prof. Owen C. Blades, Book Champ, and champion of them all; Mr. Edward Wallace, Champion of Kennedyville; Mr. Edmund Hurtt, Champion of Locust Grove; Mr. Joseph Brice, Champion of Brice's Mills; Supt. Wheatley, Tolchester-Rock Hall Champion—are all, and many others—eagerly, although quietly, awaiting the time when winter's snows have forced the checker lovers to seek inside cloisters, where the game can be resumed in earnest.

Missouri this year puts forward Sisler, Hornsby and Williams as its quota in the realm of swat. Hornsby leads the National League; Sisler leads the American League; Williams appears upon the verge of supplanting Ruth as the home run king of the year. And all these records are held by players from one town—St. Louis.

The 1922 football season will open for Penn State today, Saturday, when they will tackle St. Bonaventure. Penn State's famous eleven of last year has been replaced by a new eleven of raw material.

Princeton is slated for a lower rung in the ladder of fame this year. Even their most optimistic admirers say this. But Princeton has a way of doing the unexpected and may put a team upon the field that will uphold the traditions of the Tigers—and then again they may not!

With the New York Giants having a safe lead over Pittsburg in the National League, and the New York Yankees maintaing its slight margin consistently, it looks as if the two New York clubs will again battle for the championship next month. For the Yanks, the pace is a killing one, with St. Louis holding on tenaciously.

It is reported that an excursion will be run to Annapolis two weeks from today, when the W. C.-St. John's football game will be played.

Flowers and Johnston collided recently in a baseball game at Elkton.

Flowers has had an offer from Jersey City in the International League; also one from Pittsburg—so the dope goes.

Thos. H. Healey, Esq., of Chestertown, has been preparing for the coming football season in Baltimore, where he will play with the Baltimore Professionals. Mr. Healey has played with some fast company in the past and will be in fast company with his team this year.

Rev. C. L. Atwater will again coach the Chestertown High School team this season and has issued a call for candidates.
