KENT BOYS AGAIN TO FRONT

Kent Club Boys Win Honors At State Fair

Of the many Boys' Club opportunities and contests during the year, there is no greater achievement than winning the Boys' Club Dairy Cattle Judging Contest. This contest is between Boys' Club teams representing each of the twenty-three counties in Maryland.

Under supervision of County Agent H. B. Derrick, seven Kent County Club members reported to try out for the Kent County Judging Team. After several periods of instruction, in which all contestants fo rthe Kent County team did fairly well, the three to represent Kent at the State Fair in the State Contest were chosn as follows: Stanley Sutton, Martin Sutton and William Urie.

The teams from each county in the state assembled at Timonium on Monday Sept. 4, the first day of the fair, for the contest. The teams judged 4 cows and 4 bulls of the Holstein, Guernsey, Jersey and Ayrshire Breeds, making 8 rings or a total of 32 animals.

After several days the judges had graded the placings and reasons submitted by each team and announced the following winners: First, Harford county; second, Kent county; third, Baltimore county; fourth, Cecil county; fifth, Montgomery county. To win second place in this contest is a great honor.

Last year the Cecil county team won first place in the state, first at the big Atlantic contest, winning a free trip to Europe, and on that trip won from the best English team and brought home a gold cup.

Kent county's team won a handsome silver shield, on which is engraved the names of the members of the team. It is now hanging in County Agent Derrick's office in the Court House. Everybody is cordially invited to drop in and see it.

In addition to the above, Stanley Sutton won a registered bull calf for standing fourth high man in the state in the judging contest. Stanley also won $15 cash. Martin Sutton won $15 in cash and William Urie $5.

Kent county club members had five calves and three pigs at the State fair. Norman Pennington again won first place in the state with his yearling heifer, prize $25, and second place in the open class. William Urie's yearling Guernsey calf won third place, prize $15, and his junior calf fourth place, prize $12. Vernon Hill's calf did not come within the money, although he has a very fine one. Wilbur Morris' Duroc pig and Franklin Moffett's Duroc pig and Berkshire also had a trip to the fair and although they did credit to Kent County and were considered very fine animals, yet they did not come within the money.

The seven Kent County Boys' Club members who attended the State Fair this year saw some of the finest cattle and livestock in the East. The educational value of the trip to the boys will undoubtedly be very profitable to htem.
