MOODY & LUSBY.

Now Come

And come with a rush if you want to get some of the good things we are offering in

Suits and Overcoats Men, Boys and Children

of all description.

Our line of Men's Suits and Overcoats are quite varied and complete. But don't wait, as they will soon go at the reduced prices we are offering them.

The assortment of Boys' and Children's not quite so large as our sales have far exceeded any previous season on children's wear, yet there is plenty to find a good selection if you come early.

Underwear, Gloves Separate Trousers

and all heavy stuffs must get out of the way and in order to hurry it out we have marked it accordingly.

All our goods are marked in plain figures and marked at prices they honestly should be sold for. You know what to infer from this. In other words — the discounts we give you from these marked prices — ARE DISCOUNTS. Draw your own conclusions.

AGREEMENT REACHED.

The Citizens Committee and Chestertown Water Company Come to Terms— Full Text of Bill.

The Committee consisting of Messrs. Thomas D. France, Thomas D. Bowers, Lewin W. Wickes, Wm. B. Usilton, Jr., James D. Lucas and Harry R. Graham, appointed at an early meeting of citizens of Chestertown to consider better fire protection after exhaustive investigation recommended the purchase of the plant of the Chestertown Water Company by the Town. At this same meeting the special committee on Volunteer Fire Company consisting of Messrs. L. B. Russell, C. S. Smith, G. H. Cannon, W. L. Fowler and Frank E. Dwyer recommended ownership by the Town of the present plant.

A Citizens' Committee was finally named comprising Messrs. Lewin W. Wickes, Hope H. Barroll, Sidney E. Townshend, Harry R. Graham and the three commissioners whose duty it was to negotiate for the purchase of the plant or instal a new one. Investigations and tests were made and frequent consultations held, the final outcome being this resolution which was unanimously passed on Saturday by a full committee: That the Town of Chestertown purchase the plant of the Chestertown Water Works at said price and the transfer of same to take place July 1st, 1908, if approved by the people.

The full text of the bill will be found on another page of the News. The requirements therein mentioned should not increase the tax rate but little, if any.

The Enterprise on Wednesday says: "Town ownership of the Chestertown water works is practically assured. The citizens committee, recently appointed at a public meeting of tax payers, acting in consultation with the town board, concluded preliminary negotiations with the water company last Saturday afternoon, and an agreement was executed whereby the town the option of purchase of the entire plant and accessories for the sum of \$24,000 is generally conceded to be a reasonable valuation, and as the sentiment is apparently strongly in favor of municipal ownership, there is no doubt that the agreement will be ratified by the tax payers and the purchase finally consummated."

BOTH WANT RECEIVERS.

A new turn was taken Monday in the fight for control in the settlement of the estate of the late Richard D. Hynson. Both sides seem to have decided upon the same procedure and without knowledge of either, and a race to file petitions was the result.

Messrs. W. W. Beck and Lewin W. Wickes, attorneys for the widow of the deceased, filed a petition with the Clerk of the Circuit Court asking that the case be settled in Court of Equity, and if necessary appoint receivers. About an hour later Messrs. Hope H. Barroll and John P. Fox, attorneys for Mr. Charles Hynson, filed a similar bill. Messrs. Beck and Wickes drove to Centerville Monday afternoon and their papers were taken up by Judge Hopper while the papers of the other side were sent by express. It is thought the solution of the affair is about to be satisfactorily solved.

Accidents—The teams driven by Mr. John Vansant living on the Jarrell-Jump farm, near Fairlee, and Mr. Wilbur Eliason, Jr., collided near the old depot at Chestertown Wednesday evening. Mrs. Eliason, who accompanied her son, was thrown out but was unharmed. The shaft penetrated Mr. Vansant's horse causing his death during the night. Mr. V. was racing with another team when the accident occurred.

Mr. W. M. King's horse ran away while in town Monday evening, collided with a telephone pole, upsetting the vehicle and leaving occupants and carriage in the street. No one was hurt.

As Robert Ferguson, of near Cecilton, was out driving one day last week, his horse became frightened and ran away, throwing him out and dragging him through the mud. Finally breaking from his hold he dashed on until they ran into a team driven by two young men, which they almost completely demolished. Mr. Ferguson was fortunate to escape serious injury.

CHURCH ITEMS.

A unique service was held at Christ Church Sunday evening led by Miss Addie S. Hurlock. At least fifty persons took part in the program by giving quotations from the Bible of favorite passages.

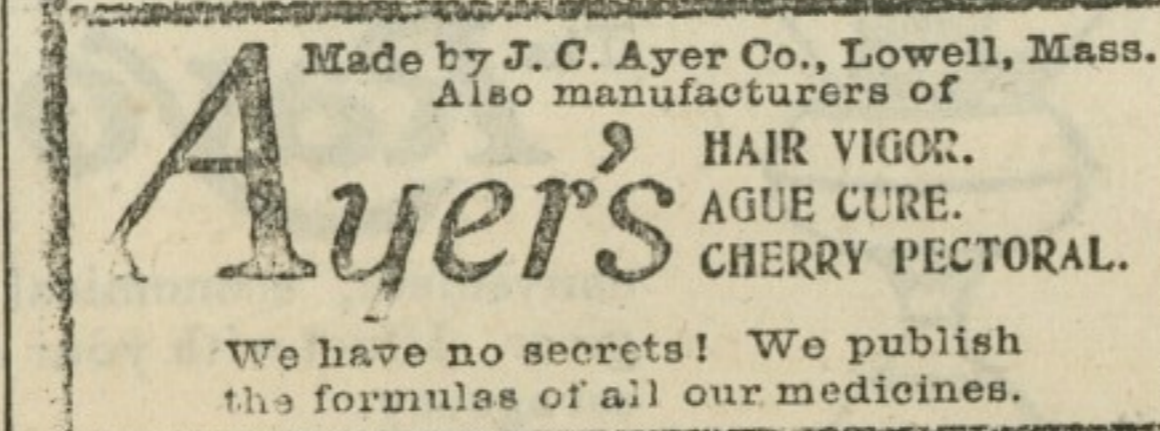

The Holiness people have rented the room over the Enterprise office and will begin services there next month.

The Missionary Anniversary of Christ Church will be held Sunday night week, March 29th.

Marshal Pitman, delegate from the colored M. E. church, Chestertown, returned this week with his pastor Rev. J. R. Holland, making the fifth year and breaking all records. This church for all purposes raised last year \$2214. It made the conference open their eyes when the report was read.
