### ATHLETIC SPORTS.

Big Game Anticipated With St. John's Track Contests At College—Carle Bordley, High Jumper.

The new track at Washington College was inaugurated Saturday when the first interclass field and track games were held. As this was the initial bow for the Kent county college in track athletics a small crowd turned out.

The sophomore class won the meet, making a total of 43 points. The new track was in excellent condition, and the board of visitors and governors were very much elated over the first real experience with field and track work.

Warren Jump, 1910, of Talbot county, was given the prize for gaining the greatest number of points. Carle Bordley won the high jump. M. J. Thompson, who has referred several large meets this year, was in charge. A special effort will be made for a day's sports during commencement.

The only home game in the championship series of the Inter-Collegiate League will be played with St. John's, Washington's old rival, on Saturday, May 23.

In the last few years St. John's has usually excelled Washington, but this year the Eastern Shore College is stronger than it has been for many years and will put forth strenuous efforts to capture this game.

The coach is very much pleased with the work done on the Northern trip, and expects great things from the team. This Saturday the team will play the first league game with Western Maryland at Westminster and are expecting to bring home a victory.

Johns, the Queen Anne county man, will probably pitch both these games.

Never before has so great an interest been manifested in the team by the student body and they are practicing yells and songs every day. The new field is in fine condition, workmen being engaged on it daily.

The Chestertown High School defeated the Rock Hall High School in a finely played game by a score of 3 to 2, the winning run being made in the ninth inning. The town boys play Kennedyville here today.
