ESTABLISHED 1841. SUBSCRIPTION \$1.00 PER YEAR. PUBLISHERS AND EDITORS: WM. B. USULTON'S SONS.

It will be Bryan in July and Bryan in November of the gold and silver men vote together. Why not?

"Be content with what you have," advises John D. Rockefeller. Perhaps John D. fears you may get some of his.

As it worries the German Emperor to live on \$3,830,000 a year, it is evident that the discussion about getting married on \$3 a week would not interest him.

MAYOR MAHOOL, of Baltimore, has rounded out a year of his administration in a way that pleases his friends, his party and all good citizens. In short, he has "made good."

A NEW YORKER happened to see a bet of pretty girls on the street and kissed a dozen of them! My, what a busy time he'd have in Chestertown or in fact in any of Kent's towns?

SENATOR RAYNER made a noble defense of Col. Stewart but the "powers that be" were too much against him and might was greater than right in this case. Maryland's senior Senator bowed gracefully to the inevitable.

The Taft managers are said to have made a deal with the corporation interests that is expected to insure his nomination. Bryan deals with the people so that it will be a fight between the people and the corporations as usual.

A TIDAL WAVE swept through the valley of the Yangtze River and killed 10,000 inhabitants! The scenes for many days after the disaster were horrible, the river being strewn with dead and debris of wrecked craft for many miles.

The School Commissioners next Tuesday will review the list of teachers eligible to the increase in salary as noted heretofore in the News. The question of adding a commercial course to the High School will also be decided. This will mean an additional teacher at a fair salary in the school designated.

The local option election in Prince George's county was carried by the "whets" by 265 votes. The colored votes were deceived and driven into voting for liquor, one of the arguments being that they would have their right of franchise taken away and that they would return to slavery.

AFTER sleeping for eighty-five days a California woman woke up and asked for a glass of milk. She lives in Los Angeles, and no food should be so greatly disappointed when she learns that the men from the Evans fleet have been to her city and left. She will have much to learn when she is strong enough to read the story of the great visit.

The contest for the Democratic Congressional nomination in Talbot county. Gen. S. J. Frank Turner and J. Harry Covington, Esq., have announced their candidacy and all are from Talbot county. The other counties are hands off as it is likely the winner will be the nominee. May the best man win.

THE NEWS would suggest that the Ladies Improvement Society turn their attention for the present to improving the square at the foot of High Street and also request the Penna. R. R., to improve their property at the foot of Cross street. It would also be well for the Chestertown Fire Co., to form an athletic association among their number so that they can be of service in aiding the boys in securing an athletic ground.

By invitation of the President the Governors of nearly every State and Territory of the Union, four of the country's "five most distinguished citizens," jurists, legislators, civic and industrial leaders and many other noted men Wednesday met Mr. Roosevelt in the East Room of the White House for the first American conference in regard to the conservation of the natural resources of the country. Messrs. Bryan, Johnson, Carnegie, Hill, Mitchell, and others were in this conference.

It has been announced that the Washington College Chorus Society will hold a concert in William Smith Hall June 5 for the benefit of the Athletic Association. The society will be strengthened on this occasion by soloists well known in the musical world. The concert given last year by this organization was a grand success, and it is the desire to keep up this high standard and give the townspeople interested in music a program that they will appreciate. Rehearsals have been going on for some time under the direction of Mrs. James W. Cain and it can be safely stated that a good evening's entertainment will be made public next week.

THE Rich Neck Farmers' Club held an interesting meeting Thursday at the home of the efficient president, Mr. W. Irving Walker. A splendid supper was enjoyed. Mr. H. P. Skipper will entertain the club next month.

A CARD OF APPRECIATION.

In retiring from business, which my falling sight compels, I wish to return my grateful thanks to the many friends and patrons who have stood by me faithfully and some of them by my father before me. It is with much feeling and great regret that I have faced the inevitable and given up the business I have been engaged in so long, and in which I have achieved a reputation that any one may well envy. Again thanking all my friends, I desire to recommend my business to Mr. CHARLES L. DODD, to their liberal patronage, feeling sure of his ability to conduct the business in the most acceptable manner. Respectfully, JOHN N. DODD.
