HOPEFUL FOR CHURCH UNION.

Rev. Dr. John F. Goucher, president of the Woman's College and a member of the Baltimore Conference delegation read the report to the General Conference of the special committee of Federation, which takes a hopeful view of the possibility of uniting the Methodist Episcopal and the Methodist Protestant Churches. The report follows:

"Such has been the growth of the Methodist Episcopal Church and of the Methodist Protestant Church along the lines of their individual development, each gradually modifying its polity and practice to meet the enlarging demands confronting it, that Providentially the radical differences of polity which occasioned their separation has been so nearly eliminated that many among the most godly in both churches are convinced there is no longer sufficient cause for the maintenance of two distinctive ecclesiastical organizations.

"*Resolved*, That the Methodist Episcopal Church, in General Conference assembled, hereby most cordially invite the Methodist Protestant Church to unite with the Methodist Episcopal Church in order that as one great Methodist body they and we may fulfill the better our individual commissions by preventing the waste of rivalry and exalting the God of Peace.

"That inasmuch as the General Conference of the Methodist Protestant Church is about to convene in Pittsburg, Pa., we hereby request our Board of Bishops to appoint a fraternal deputation, to consist of one bishop, one minister and one layman, to convey to the Methodist Protestant Church, through its General Conference, this invitation, together with the most cordial greetings of the Methodist Episcopal Church."

PICKNELL

RACE RECORD, 2:15¼.

AUTHENTIC TRIAL, 2.09.

FOALED 1901.

REGISTERED No. 35,381; RULE No. 1, TROTTING STANDARD.

The attention of prospective breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15:2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING; and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2:10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:08¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2.09¼, is sire of 178 in the list, of which 136 are TROTTERS WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:31, sire of 106 TROTTERS from 2.06½ to 2.30, and 12 PACERS from 2:09¼ to 2:25; and Jay Bird was by GEORGE WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell, 2:1 5¼; Bon Jay, 2:19¼; Miss Minnie, 2.23; Gay Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:09¼; Baron Stamboul, mat., 2:16, and Laurine, dam of four in the list, including THE KENTUCKY FUTURITY WINNER, OXFORD BOY, 2:20 at two years old. BON BON'S FULL SISTERS, Brava, 2:14¼, and Bon Mot, 2.25¼, each have THREE TROTTERS in THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:18, TROTTING, sire of 107 trotters from 2:08¾ to 2:30, and 30 pacers from 2:03¾ to 2:25; and is the world-famed "FUTURITY SIRE."

BON BON'S dam was MARY A. WHITNEY, 2:28, trotting, and dam of FIVE TROTTERS, from 2:14¾ to 2.30. She was by Volunteer, full brother to Dexter, 2:17½, and the sire of 33 trotters and 1 pacer in the list, including the one-time WORLD'S CHAMPION TROTTER, Sr. JULIEN, 2:11¾.

MARY A. WHITNEY'S DAM was PEGGY SLENDER, dam of the TROTTERS, Mary A. Whitney, 2.28, and Wm. H. Allen, 2.23¾.
