ROCK HALL ITEMS.

From the text "What is Man?" Rev. J. T. Richardson preached a splendid sermon to the graduating class of our High School on Sunday morning. The choir was considerably enlarged and rendered special songs for the occasion. The space within the chancel rail was banked, most profusely, with potted and cut flowers which greatly enhanced the charming scene presented by the class. Notwithstanding the terrible dust quite a large congregation witnessed the scene and enjoyed the sermon. Prof. J. A. Greenwood had his class under complete control in their maneuver from the school building to church and back.

With the day still conspicuous and the decorations of the church more profuse Children's Day exercises were held in the evening before a packed house and quite a number left because the seating capacity was inadequate to accomodate them. The following program was sweetly and joyously rendered: Organ voluntary; singing; responsive reading, prayer, by pastor; welcome, by Howard Jones; Daises, six girls; recitation, Caroline Richardson; recitation, Bennie Colburn; recitation, Kathleen Hubbard; singing, "God of the Flowers and the Rocks"; recitation, Medford Taylor; recitation, Thelma Ashley; recitation, Zella Andrews; singing, "Jesus King of Glory"; recitation, Marvel Ashley; recitation, Hilda Saunders; recitation, Bertie Culley; recitation, Frances Davis; solo and duet, Lullaby; recitation, Iona Apsley; recitation, Lelia Elburn; singing; "Rock of Ages," class of girls; recitation, Ella Moffett; singing, "Summertime is here"; "Strewing the Blossoms", 4 girls; recitation, Catherleen Urie; singing; recitation, Catherine Davis; singing, class of girls; Children's Day, Elizabeth Davis.

Children's Day service was also held at Wesleyan M. P. Church on Sunday morning, it too, was a decidedly happy affair and was witnessed by a large audience. The decoration committee exhibited fine taste in the display of flowers and plants, etc. The same musical talent performed at both churches and it was sublime.

One of the most happy events in a long time occurred on Sunday at "Welcome Rest", the beautiful home of Mr. O. P. Leary. It was a union picnic under the auspices of Ford's Store School, taught by Mrs. Lulu Tarbell Leary and Rock Hall school, taught by Miss Anna Worrall. Two gasoline launches under the command of Commodore Rhodes brought the pupils and patrons, 70 persons, of Ford's Store School to Hunting Field Creek where they were met and cordially welcomed by the Rock Hall school and its patrons, 90 persons. At noon a bountious dinner consisting of fish, meats, chicken, vegetables, salads, fruits, fruits, pastry, etc., was served. After which the throng gathered on the spacious front lawn where a joyous program consisting of song, music and recitations was rendered by the pupils of the two schools, followed by a splendid address by Mrs. Ida Fisher Carnehagn, a returned missionary who is now with her husband on the way to Cuba. Refreshments consisting of ice cream and cake were then served after which Rev. John F. Jones, of Ford's Store, preached an excellent sermon. Then, just as the rays of the setting sun was leaving a mellow halo, the launches with the happy visitors on board cast off the mooring lines and proceeded on the return trip to Queen Anne's and the welkin was made to ring loud and long with cheers for O. P. Leary for his energetic hustling to do all in his power to make the stay of the picnicers as joyous as possible. Such affairs are worthy of emulation. There are numerous schools, churches and secret benevolent organizations in this section that would be happier if union gatherings and co-operation were a feature with them.

Mr. U. W. Kendall and family were visitors at the home of Mr. K's. parents Mr. and Mrs. J. C. Kendall on Sunday.

Our farmers are now in the midst of wheat harvest and they have nothing to complain of regarding their crops except the way down price of wheat.

Our harbor is again the scene of mud slinging operation. The dredging company's apparatus arrived here on Monday.

Our village blacksmith, Mr. Ashley, is applying a new coat of paint to his dwelling.

IMPROVEMENTS AT OLD FIELD POINT.

A Fine Estate on Sassafras River, Near Galena, Undergoing Changes by Rich Owner.

The Old Field Point wharf was built by I. L. Dempsey, of Galena, instead of by A. Miller, of Baltimore, as was stated in the News two weeks ago.

Mr. C. O. Burns is making extensive improvements in the Old Field Point farm and expects to make an ideal fruit and truck farm out of it. At present overseer, Mr. Wolf, is working a force of about 20 men setting out fruit trees and plants, cultivating and beautifying the place. All of the thorn hedges and worn out fruit trees have been pulled up and destroyed.

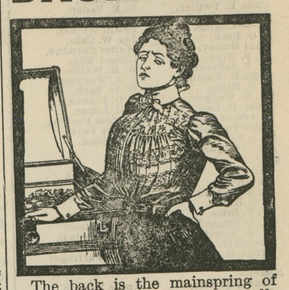
The large white house has been remodeled, new buildings built, old buildings torn down and moved and everything painted white. The entire river front has been cleaned up and beautified so that the place presents a beautiful landscape when viewed from passing boats.

Mr. Burns takes great pleasure in such sports as fishing, hunting and boat-riding. He already has a fine pleasure launch and it is reported on good authority that he is going to bring a faster one down from New York this week.

When not in use his launch is kept in a boathouse which was designed and built by I. L. Dempsey, of Galena. The house is built on original plans and is probably the finest building for that purpose on the Eastern Shore. It is a two-story building 20x50 feet, the base of which is solid concrete covered with double beaded wainscoating and fitted up with lockers, etc. The upper story has four dressing rooms for bathers and one parlor and the whole interior of the house is natural grain oak finished. This boat house is built up on shore and has a track over 100 ft. long running out into deep water. The boat is run in and out on a car especially designed for that purpose. Passengers can step aboard the board in the boat house and shoot out to deep water where the boat leaves the cradle on the car and is ready to go. When returning the boat is drawn out by use of a special windlass and one man can easily haul her out loaded with passengers.

This farm is rapidly becoming a vertable garden and the surroundings greatly changed. The owner has the means and is making things hum.

WOMAN'S BACKACHE



The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It tells, with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention.

In such cases the one sure remedy which speedily removes the cause, and restores the feminine organism to a healthy, normal condition is

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. Will Young, of 6 Columbia Ave., Rockland, Me., says:

"I was troubled for a long time with dreadful backaches and a pain in my side, and was miserable in every way. I doctored until I was discouraged and thought I would never get well. I read what Lydia E. Pinkham's Vegetable Compound had done for others and decided to try it; after taking three bottles I can truly say that I never felt so well in my life."

Mrs. Augustus Lyon, of East Earl, Pa., writes to Mrs. Pinkham:

"I had very severe backaches, and pressing-down pains. I could not sleep, and had no appetite. Lydia E. Pinkham's Vegetable Compound cured me and made me feel like a new woman."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.
