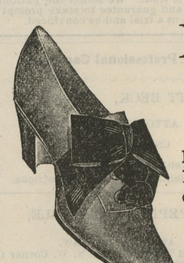
Dainty Oxfords



Brother George's Shoes are no longer correct. Women's tastes have swung back to a love of dainties.

One's foot is to be clothed as carefully as one's hand, and the high arched, full instep foot looks its prettiest in Oxfords or Colonials. They are the very correct—but keep on the side of daintiness in choosing the style. BUT OXFORDS MUST FIT—THAT'S THE CHARM. Yet two-thirds of the Oxfords do not fit. We pertect the fit of all and therein lies the success of this shoe store at oxford selling.

Ladies, who have looked about tell us that there isn't a stock of Oxfords in town to compare with ours. All widths and sizes—and the best selected leathers.
