SATURDAY, AUGUST 8, 1908.

WHEAT reached a dollar in Baltimore this week, but the Kent farmers have very little to sell. Corn for December delivery was quoted at 66½ cents.

THE prices realized at the personalty sales advertised in the NEWS would indicate that Kent farmers are well-to-do. That they have good credit is certainly an indisputable fact.

WHY buy from strangers when you can get as good an article *at half the cost* from your home merchant. See your home dealer before buying a stove, washing machine or pan. There is every reason why you should do this. Stop and think a minute.

HON. W. H JACKSON was nominated Thursday as the candidate of the Republican party for Congress from this district. Mr. Jackson remarked, "I have been nominated, you know the rest." Yes, we do, and if he tries to buy his way this time he'll find himself in trouble!

G. E. HARRISON, a prominent citizen of Baltimore, writes as follows: "I am a Republican, but as a member of the Methodist Protestant Church I cannot conscientiously vote for a man for President who denies the Divinity of Christ. I am going to vote for William J. Bryan."

THE picture of that matchless leader, W. J. Bryan, sent out last week by the NEWS now adorns hundreds of homes and business places. It is the exception that makes the rule and there the Republican office-holder who lost his temper when he saw the face of this great man simply lowered himself without injury to Bryan. His cause is sweeping over the country like a tidal wave carrying conviction to thousands.

ENGINEER QUICK, of Baltimore, was in Chestertown Saturday in consultation with the Water Board as to improvements to be made to the plant here. He recommends the continuous use of the pump now in service, the installation of another boiler a duplicate of one now in use, the erection of a 75,000 gallon tank at an elevation of 75 to 100 feet to be located near the college, and the finding of another artesian well. Other important matters were discussed and the Board will try to follow out Mr. Quick's suggestions as far as possible.

ONE hundred thousand dollars of the first issue of the State bonds for road improvement was on Saturday purchased by the Safe Deposit and Trust Company of Baltimore. The offer of this Company was the only one received by the Board of Public Works when it met at Annapolis to open the bids, and was accepted after only a brief executive session. Through President Michael Jenkins, the Trust Company offered for the $100,000, determined as the amount of the first issue at a recent meeting of the Board, 100.5 per cent. This aggregates $100,050 for this part of "Series A" of the $5,000,000 issue. The bonds bear 3½ per cent. interest and mature in fifteen years.

When the dull times are taken into consideration, the sale was a very satisfactory one.
