ESTABLISHED 1841. SUBSCRIPTION \$1.00 PER YEAR. PUBLISHERS AND EDITORS. W. M. USLITON & SONS.

FRIDAY, SEPTEMBER 5, 1908. BRYAN will speak in Baltimore Monday, Sept. 14th.

The News would suggest that officers attend all picnics and search attendants as it seems that many colored men carry concealed weapons.

The meeting of the State Democratic Central Committee in Baltimore Wednesday was largely attended and the most enthusiastic held for many years.

Mrs. Kern, wife of the Democratic vice-presidential nominee, says plainly that she is against the Sunday saloon and the army beer canteen.

The sale of liquor in Kent is almost exclusively confined to "walking bars."

The above heading attracted our eye in that bitter Republican publication, the Baltimore News, last Saturday.

"Why William H. Jackson Should Be Defeated."

The above heading attracted our eye in that bitter Republican publication, the Baltimore News, last Saturday.

The News earnestly desires the election of Mr. Taft to the Presidency this fall.

On the other hand, the candidate on the Democratic ticket is a young man who has unequivocally announced his intention to buy no votes and to permit no buying of votes in his behalf.

The heat also caused a parrot in the home of Miss Mary Brown, of Fort Deposit, to lay its first egg in the 24 years it has been in the family.

BRYAN CAN CARRY MARYLAND.

When it is said that Bryan is not strong in Maryland it is an assertion made in direct opposition to facts and figures.

Bryan was a far stronger man than Parker among the true, loyal Democrats of the rank and file.

It was not due to the greater popularity of Parker that he got of the 8 electors in 1904 and Bryan lost the State in 1900, but as previously stated Bryan's vote was greater by 12,772 than Parker's.

Another fact, McKinley never offended Southern sentiment by dining with a negro as Roosevelt did and as Taft tried to do on a Southern railroad dining car.
