—GRAND—

Democratic Mass Meeting

Stam's Hall, Chestertown,

Tuesday, October 20, 1908

Democrats and all others interested in the people's rule are earnestly invited to attend.

Speaking in the afternoon at 2 o'clock and at night at 7.30 o'clock. The following distinguished speakers will address the meeting:

HON. AUSTIN L. CROTHERS, Governor of Maryland;

HON. JOHN WALTER SMITH, United States Senator;

HON. ISADOR RAYNER, United States Senator;

HON. J. HARRY COVINGTON, Democratic Candidate for Congress;

will surely be present.

TWO BANDS OF MUSIC.

Clubs are earnestly requested to attend in a body and seats will be reserved for different districts.

LEWIN W. WICKES,
JAMES W. IVENS,
JOHN C. REDMILE,
State Central Committee for Kent Co.

GOV. CROTHERS had an ovation at Westminster last Tuesday. Even the Sun notes his grand reception there.

WM. J. OGDEN, Esq., of Baltimore, will address the Bryan Club at Galena TONIGHT at 7.30. All welcome.

THE Baltimore American is now crying out against proposed Democratic "trick" ballots on the Eastern Shore. This is only the cry of the whipped enemy.

H. W. VICKERS, JR., ESQ., and S. SCOTT BECK, ESQ., will address the Bryan Club of the 2nd District at Kennedyville TONIGHT at 7.30.

THE WHITE VOTERS of Kent county, without regard to politics, are cordially invited to attend the mass meeting next Tuesday in Chestertown. The speakers advertised will surely be present, and there are none more eloquent in Maryland.

EVERY vote for Bryan is a vote to pare the claws of the Steel Trust, the Sugar Trust, the Lumber Trust and the rest of the tariff-engendered monopolies as well as to reduce the brutal duties that make scarce and dear the woolen clothing of the American people.

THE colored voters of Chestertown have had several "rallies" for Taft and Jackson this week. A band of music parades the streets and enthuse the gathered hosts in their halls while Col. W. J. Vannort, Major D. B. McMenamin and others orate of the merits of Republicanism. The negro vote is expected to go solidly as usual.

THE Republicans are loud in opposing guaranteed bank deposits, yet one of the planks in their platform favors *Postal Savings Banks!* What is the difference? One favors securing deposits in the banks we have, and the other creates innumerable additional banks. Which is best? What could be better for the people, and what would relieve a financial stress more quickly than guaranteed bank deposits?

NO SOPHISTRY can convince us that our tariff is less than robbery. A parent cannot teach one of his children to steal without demoralizing his family. A government cannot throw its protecting arms around a band of robbers without breeding a nation of thieves. So there is a moral as economic issue. Mr. Bryan's election means war against tariff, against high costs of living and Government extravagance. Mr. Taft's election means that the plundering has just begun, for every faint promise of tariff reform has been wrung from him by the exigencies of the campaign.

MISSOURI FOR BRYAN.

Mr. John B. Richardson, the reliable and well-known stock dealer, whose home is in Missouri, writes the NEWS as follows:—"Missouri is safe for Bryan this time, Watch Us!"

WHY BRYAN WILL WIN.

1. Because in knocking out business wrongs Roosevelt has knocked out business.

2. Because millions lost their savings in the financial panic.

3. Because millions of workingmen are out of work, and millions more will be, and millions have had their wages cut down and millions more will have.

4. All under a Republican Administration.

MR. HEARST failed to appear at his meeting in Baltimore last Thursday night, so that the crowd did not get any more of his stolen "letters."

ATTACKS THE LABOR LEADERS.

The Baltimore Sun is following the lead of the Republican organs in denouncing labor leaders. It is clear that the labor vote is going for Bryan and the Taft followers are desperate. The Sun has levelled its batteries on Gompers, the President of the Federation. He is known by the laboring people everywhere as the "grand old man" of the working people. He is earnestly for Bryan and therefore he is all that is bad to the trust newspapers. The Sun had a big head in one issue this week on "Gompers Attacks the Bench," and lamely attempted to deceive its readers on this point. In Thursday's issue its leading editorial was filled with epithets that ill becomes a paper of the Sun's former high character. It speaks of the "wild statements of Gompers," his "hair-raising language," his "recklessness" and "harangue" and in general abuse of the great labor champion. The Sun is certainly not doing the Taft cause any good by its attempt to traduce and belittle the great advocates of honest labor.
