SATURDAY, NOVEMBER 7, 1908.

THE doubtful voter on Tuesday voted his real sentiments.

IT was a quiet election. How could it have been otherwise. Without liquor or money!

NOW, UNCLE BILL, the hymn is given out. Strike up the tune: "Go-way-back-and-sit-down."

HOW the mighty have fallen? The Sun is under a shadow. Will she ever emerge therefrom?

THE county weekly played an important part in this campaign as shown by the vote of Tuesday.

EVERY DISTRICT in Kent did nobly and the Democrats deserve commendation for the excellent work done.

THE Sun bargained to betray the Democratic party but the counties refused to be sold! And many voters in the city, too.

JOHN C. DAVIS will be the next postmaster of Chestertown, says Harry. But Harry also predicted that Jackson would win by 2,000.

OUR HOME COUNTY—OUR HOME SHORE—OUR HOME STATE—all in the Democratic column is a glorious result of the battle of the ballots last Tuesday.

OUR Bryan roosters have the croup from eating too much taffy and therefore are not crowing today, but the Covington fowls are in fine condition.

Our endorsement of Mr. Taft did not include the endorsement of all Republican principles and practices, and we take it that neither is the country's endorsement of him to be construed. —[Baltimore Sun day after the election.]

Now, *do* tell!

KENT Republicans felt sure that they would win the county by 200 if no money was used. They have changed their opinion and don't know what struck them.

HON. JAS. E. ELLEGOOD, of Wicomico, is entitled to much of the credit due for the abolition of bribery in Maryland. It is certainly a brilliant star in his political crown

THE Sun of yesterday says: "Taft carries the State but Bryan gets *seven* electors!"

My, how hard it is to give up. The Sun dies hard.

THE paper mill mules were brought into town this week after being on pasture all summer, and right away some Republicans said the mill was to start. The mules had to be brought in town in order to get something to eat.

INDIANA LEGISLATURE is Democratic and it is suggested that Hon. John W. Kern be elected to the U. S. Senate to succeed a Republican. Bryan may be elected to the Senate from Nebraska next time. Wouldn't that be fine?

THERE are 1500 colored voters registered in Kent and they went *solid* for Taft. As a sample of how close that vote was polled we have only to give Chestertown precinct No. 1, *twelve* colored men failed to vote and seven of these were in jail!

HURRAH for the Eastern Shore! Every Democrat in Maryland should be proud of her. Just think of it, a majority of **2900** in the fairest election ever held here! What must be thought of Mr. Jackson who has been *buying* the honors thus belonging to another?

LEWIN W. WICKES, ESQ., chairman of the Democratic State Central Committee for Kent county, did most excellent work for his party Tuesday. He has not a superior in Maryland as an organizer and indefatigable worker. The NEWS joins in congratulating him on the victory.

FOUR daily Republican papers in our great monumental city did their best to turn Maryland over to the Republicans, while the city had not one Democratic daily to combat their fallacies, and yet the State stands nobly by the old flag! Four years ago with the valuable aid of the Sun the State went Republican for one elector.

THE election in Kent was the best ever witnessed and the real will of the people uninfluenced by money was recorded. Outside of Maryland Taft won by means of a large corrupt fund, vast army of Federal officeholders, all the monopolistic wealth and the banking interests of the country. Bryan made a wonderful campaign and is today the greatest living American.

AGNES is the favorite name of Governor Crothers, at least that is the name given a doll at Cecilton Fair by our noble executive.

There are many things which the Republican party will have to do, many practices which it will have to repudiate and many reforms which it will have to institute if it hopes to retain the support and confidence of the country.—[Balto Sun Taft organ]

Now the Sun enters upon the task of its life—*to reform the Republican party!* A fine job it has before it sure. But the Sun cannot get away from the fact that it gave all its influence to fasten upon the people the robber tariff which has so long cursed the land.

EVERY good citizen of Kent county has reason to be proud of last Tuesday's election in reference to the abolition of political bribery. It was the *cleanest* election we ever knew in the county. There was no effort to violate the law anywhere in the county that we have heard of except in Millington where the Republicans have a charge to disprove. The best people of both parties united to stamp out forever the miserable curse that has so long polluted the body politic, and they will see that the law will be strictly enforced hereafter

THESE DESERVE SPECIAL MENTION.

The Democratic leaders throughout the State are entitled to high honor for their noble and effective campaign efforts, but to the county newspapers—Hon. Murray Vandiver, chairman of the State Central Committee—Senators John Walter Smith and Isador Rayner—Governor Crothers—deserve special credit. The results are magnificent!

STRANGE INDIFFERENCE.

It is said that over *one hundred* oystermen in the Fifth district failed to vote last Tuesday, nearly all white and most of them Democrats. How can such indifference be accounted for? It is true it was a beautiful day, rendering the temptation strong to "make hay while the sun shines" but when great principles are at stake and a great man's fate involved as in this instance, we all might sacrifice a little for the general good. DEMOCRACY will live forever and WM. JENNINGS BRYAN is yet enshrined in the hearts of his countrymen.

HE'S WRONG THERE.

Congressman Jackson attributes his overwhelming defeat to a "complicated ballot." He is wrong certainly. It was no such thing, but rather the determination of the voters to have a MAN instead of a money-purse to represent them.

It is the universal opinion of both parties here that the ballot this year was remarkably simple. With only three days to learn, the colored voters lost scarcely any—the white people lost equally as much.

Mr. D. B. McMenamin, one of the Republicans leaders here, was specially pleased with the ballot. He says his party had no trouble to teach their voters. He also agrees with the general sentiment that the stopping of bribery is a God-send to the community and that it must be maintained ever hereafter and at all hazards.

GALENA ITEMS.

Cashier W. F. Russell and Mr. James H. Shuster were guests of Mr. and Mrs. Robert C. Morgan Monday. They enjoyed a fine day gunning returning with three birds and seven rabbits.

Mr. William Steel the well-known windmill builder met with a narrow escape from death one day last week. Mr. Steele was at work on a windmill pump fifty-seven feet from the ground, on one of Mr. J. E. Woodall's farms, when a plank broke causing him to fall. In the fall he fortunately grabbed an iron pipe which saved him from a fall of the entire distance, which would probably have resulted fatally. Aside from a few slight bruises, Mr. Steel escaped without injury.

It is reported that one of our attractive young ladies is to be married this month.

Mrs. Lavina Ruth, mother of Mr. Frank H. Ruth, of our town quietly celebrated her 90th birthday last month. Mrs. Ruth received the congratulations of her many friends, and is enjoying excellent health.

Many of our citizens have been in attendance in Chestertown on the Woodall case. Testimony is being taken in an effort to upset the deed given by the late Andrew Woodall to Capt. James E. Woodall in which a certain farm near here was conveyed.

There were 40 white men who did not vote Tuesday.

Mr. Wm. A. Hyland, Jr., who represents the Iron Age Hardware and Implement Company, of Pennsylvania, is in the Maryland General Hospital, Baltimore, for special treatment. Mr. Hyland injured himself about three weeks ago, and has been under special treatment since. He is the son of Mr. W. A. Hyland, of this town.

William H. B. Merryman,
versus
William H. Brown, Imogen Brown, W. Murray Carr, Amanda K. Carr, T. B. Hynson Brown, Grace Merryman, Elizabeth Stockdale Merryman, Margaret Merryman, Theodore Virginis Hennesy, Lambert Hennesy, Lilly Merryman, Thomas R. Brown, Jean M. Brown, Mary E. Brown, Duncan K. Brent, Harriet C. Brent, Mary C. Brown, Hallie Carrington Brown,

In the Circuit Court for Kent County in Equity. No. 1688.

THE OBJECT of this suit is to procure a decree for the sale of certain property in Kent county, in the State of Maryland, which was devised by the last will and testament of Thomas R. Brown, late of the city of Baltimore, deceased, to his children as tenants in common.

The bill states that the said Thomas R. Brown departed this life in the year 1875, seized and possessed of certain real estate in Kent county, Maryland, and elsewhere, leaving his last Will and Testament, which was duly admitted to probate by the Orphans Court of Baltimore city, and duly recorded in the office of the Register of Wills of said city.

That by the provisions of said Will he devised said Real Estate to his four children in equal shares, as tenants in common, namely to Dr. Thomas R. Brown, Mary L. Merryman, William H. Brown and James Brown, to each a fourth part, and he bequeathed to his widow, Mary A. R. Brown, an annuity of twelve hundred dollars per annum during her natural life. That subsequently the said children, with the consent of the said widow, divided certain of said real estate among themselves, and executed deeds therefor, each to the other, in which the said widow united.

That a certain portion of said real estate, a tract of land in said Kent county called Gresham Hall was left undivided. That Dr. Thomas R. Brown married Hallie Carrington and departed this life in the year 1879, leaving Thomas R. Brown, James Brown, Harriett C. Brown and Mary C. Brown, his children and heirs at law, and that said Thomas R. Brown married Jean M. Albert and resides in the city of Baltimore, that James Brown married Mary A. Bowman and resides in said city of Baltimore, that Harriett C. Brown married Duncan K. Brent and resides in Baltimore as does the said Mary C. Brown and Hallie Carrington Brown.

That James Brown married Imogen Bechtel and departed this life intestate in the year 1895, leaving Amanda K. Brown who intermarried with W. Murray Carr, and T. B. Hynson Brown his children and heirs at law, that said W. M. and Amanda K. Carr reside in the city of Pittsburg in the State of Pennsylvania, and said T. B. Hynson Brown resides in the city of Baltimore.

That William H. Brown married the said Imogen Brown and that they both reside in Baltimore.

That said Mary L. Merryman married Richard S. Merryman and that both of them are dead, and left the following children and heirs at law surviving them: William H. B. Merryman, Richard S. Merryman, Theodore Virgina, and Lilly; that said W. H. B. Merryman married Alice, and resides with his wife in Brooklyn, New York; that Richard S. Merryman married Elizabeth Stockdale, and died leaving his widow and a daughter Margaret, who is an infant, surviving him who live in the State of Illinois; that Theodore Virginis married Lambert Henney, and live in Chicago, State of Illinois; that the condition and residence of Lilly is unknown.

That the said Mary A. B. Brown, widow of the testator, Thomas R. Brown departed this life in the city of Baltimore about the month of February of the present year.

That about the year 1898 the undivided one-fourth interest of James Brown in said Gresham Hall farm was sold and conveyed to the said William H. Brown.

That the said Real Estate is not susceptible of partition without material loss and injury to the parties entitled and in order to make division of said interests, it will be necessary that said real estate be sold.

It is thereupon this 5th day of November 1908 ordered, by the Circuit Court of Kent County in Equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 7th day of December, give notice to the said non-resident defendants of the object and substance of this Bill warning them to appear in this Court in person or by solicitor, on or before the 26th day of December next, to show cause, if any they have, why a decree ought not to be passed as prayed.
