A Most Successful Mission.

The past week has witnessed a most successful series of religious exercises held in the Church of the Sacred Heart. The daily services both morning and evening were conducted by Reverend Joseph M. Snyder, a Redemptorist missionary from Saratoga, N. Y. These exercises were faithfully attended in great numbers by Catholics as well as non-Catholics. The persevering attendance and the intelligent attention displayed by the parishioners as well as their relatives and friends, during the entire course of the mission, has been a source of pride and gratification to the missionaries. The services were held in the church at 7:30. On this occasion the church will be adorned with a beautiful shrine, erected and tastefully decorated with potted plants, cut flowers and burning candles in honor of the Blessed Virgin Mary. A feature of this solemn service will be the presence of the children, boys and girls, elegantly clad, sweetly singing and devoutly marching in procession. A discourse will be delivered in honor of the Blessed Virgin, followed by a consecration of the children and adults to the love and service of the great Mother of God. The final exercise of the mission will take place Sunday morning at 10:30. There will be high-mass, followed by a very important sermon, closing with benediction of the Blessed Sacrament. Father Snyder will open a week's mission at St. John's Church, Rock Hall, Sunday evening at 7:30. The mission services will be held every morning at 8 o'clock and every evening at 7:30. Both Catholics as well as non-Catholics are cordially invited to attend the services. This is a rare opportunity to listen to a clear, forcible and eloquent speaker, and therefore should be accepted by all.

Trunks never have been so scarce as they are this year, the heavy rains having killed many flocks of young birds, and as a result, few farmers have many of them. Already they are being offered at 25 cents a pound, with but few of these offers being accepted.
