Bad Symptoms.

The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weaknesses and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

No medicine extant has such a long and numerous record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional indorsement of each of its several ingredients—worth more than any number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It *will* often *prevent* them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, *free*. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent *free* on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address as above.

PROGRESSIVE ROCK HALL.

The Past, Present and Bright Future.

Never in its history have the conditions of Rock Hall financially, socially and healthfulness, been more favorable at the beginning of a new year than they are today and never were a people more proud of their town than our residents are of this town under its new epoch. Even the most strenuous opponents of the Incorporation Act, would not willingly go back to the old regime.

The following business houses have a full stock and are receiving a fair share of the patronage of the town and vicinity: R. S. Crew, general merchandise; M. C. Ashley, notions and ladies furnishings; Reybold Wilson, general merchandise; W. Clayton, fresh meats and provisions; C. F. Wheatley, fresh meats, &c.; A. M. Reynolds, millinery and notions; Alexander & Son, general department store with millinery attachment; J. A. Casey, confectionery, bread and groceries; M. F. Downey, general merchandise and lumber; M. Kramer, dry goods and gents furnishings; J. F. Leary, groceries and drugs; H. R. Joiner, ladies furnishings, &c.; T. B. Durding, drugs, notions, stationery and paints; M. T. Miller, general merchandise; F. M. Satterfield, general merchandise; A. Casey, fresh meats and provisions; J. B. Downey, general merchandise; M. Downey, lunch and supply room; G. Urie, ice cream, sodas, confectionary, &c.; J. W. Downey, drugs, stationery and tobacco; Lewis & Son, fresh meats and provisions; J. Hardesty, feeds, wood, &c.; B. Ashley, general merchandise.

There is also a canning industry that is in each season a big lever in furnishing a livlihood for many of our people as well as a dispenser of hard cash to the farmers.

A wrapper factory is also a prominent institution which furnishes employment to many young ladies.

A well equipped coal, lime and cement department is a fixed feature of the town.

There are four well established hack lines, whose equipage guarantees conveyances to all parts of the county with promptness and dispatch.

We have three tonsorial parlors where large patronages are nightly served with up-to-date hair cuts or shaves, &c.

Then, too, we have two boot and shoe repair shops where H. C. Lake and C. Thompson are found pegging and stitching with close attention to soles of men.

We have an express office efficiently conducted by F. M. Satterfield.

We have a well-equipped postoffice, conducted by one of the most efficient postmaster in the county, J. W. Downey; with two rural routes under the supervision of G. R. S. Downey and Wm. Clayton, who are the right men in the right places.

The town is well supplied with medical directors. Dr. W. O. Selby has a splendidly furnished office over Durding's drug store. Dr. W. Beale has an office at his dwelling up town, while Dr. Schwatka's office adjoining the postoffice. This is about the only trade or calling minus a prosperity rush at this time.

There are two pool-rooms and bowling alleys, and a moving picture Hall, whose attractions are a drawing card to many each evening.

P. G. Ashley & Son conduct a first class blacksmith shop down town, while Harry Wagner, conducts an equally up-to-date blacksmith shop up town, each have all the work they can attend to.

There are six secret benevolent organizations, each vieing with the other as to which can best diffuse the principals of friendship, charity and benevolences. The Jr. Order United American Mechanics meet in Durding's Hall each Monday evening; Improved Order Odd Fellows meets in K. of P. Hall each Tuesday evening; Daughters of America meet in Ashley's Hall each Tuesday evening; Improved Order Red Men meet on Thursday evening, and Patriotic Order Sons of America meet on Friday evening each in K. P. hall. Knights of Pythias meet on Saturday evening of each week. There is a total membership of about 600, and there is in prospect the organization of a Camp of the Modern Woodmen in the near future.

There are three churches each of which are adding very materially to the building up of faith and love among men. The Roman Catholic Church conducts services semi-monthly. The Methodist Epicopal conducts six services weekly and the Seven Day Adventists hold meetings twice a week. The combined membership of these churches being about 500.

The town enjoys daily mail and steam boat facilities. Good telephone facilities are also a feature of the town's progress, and all that is now lacking to make complete the happiness of our residents is the establishment of railway facilities, so that we may be in closer touch with Philadelphia and New York markets.

The town is well-lighted and Officer Charles Webb is giving thorough protection.

The residents are imbued with a true spirit of hospitality, not only among themselves, but the stranger that may be within their gate is also cordially greeted and made to feel at home in their midst.

The town Council is composed of thorough going business men and their adminstration is entirely satisfactory. The mayor frequently takes long strolls within the town limits, for the purpose of taking observations of the municipal affairs.

Well stocked oyster bars, and fishing grounds, from which comes the wherewithall, to build and maintain the progress of the town, both within easy reach of our hardy and industrious watermen. Haven, Gratitude Denby and Grey's Inn, are thriving suburbs in close proximity to the town, between whose people and the townspeople there is always a cordial, and reciprocal disposition.

There is a strong anticipation, that greater achievements still will result in 1909 shall close, one of which is an energetic Fire Company, with an up-to-date apparatus.

Our people are intelligent, law abiding, industrious, and enterprising.

[We will venture to assert that these Rock Hall people are the most *orderly* folks on the Peninsula and in more ways than one, too.—EDS.]

IS THAT MY ORDER?

The Endeavor Society of Christ M. P Church Hold a Curious Entertainment Friday Evening — The Bill of Fare an Enigma.

Quite a unique program was presented at the home of Miss Clara Usilton in Chestertown Friday evening when the Christian Endeavor Society held an evening of social intercourse. As each guest entered the parlors he was presented the fo lowlng menu, prepared by the Curious Catering Co.:

Cereal Pounded	2 Cents
Picnic's Delight	5 Cents
Hot Berry Drink or Seedy Stimulant	2 Cents
Best Fruit	2 Cents
Lacteal Fluid	1 Cent
Aqua	1 Cent
Solidified Syrup	1 Cent
Duchman's Delight	2 Cents
Cain's Offering	2 Cents
Predicaments	2 Cents
Aqua Calientes	5 Cents
A Cure for Freshness	1 Cent
Token of Peace	2 Cents
Made by It's Mother	1 Cent
Goat	3 Cents
A Forest Dainty	1 Cent
Sugar Crystals	4 Cents
Cook's Curious Composition	5 Cents

After each one had indicated their desires the name was attached and the orders carried to the kitchen where the lady chefs prepared same and served it when the party entered the dining room. It was certainly amusing to hear the remarks and see the expressions of amazement as their orders were placed before them. For instance one young lady had a little piece of cheese, a little salt, some vinegar, a tooth-pick and a cup of hot water! "Well," said she, "is that what I ordered?" The "key" to the menu is as follows: cereal pounded, Md. biscuit; picnics delight, ham; hot berry drink, coffee; beet fruit, sugar; lacteal fluid, milk; aqua, water; solidified syrup, jelly; Dutchmans delight, cheese; Cain's offering, apple; predicaments, pickles; aqua calientes, hot water; a cure for freshness, salt; token of peace, olives; made by its mother, vinegar; goat, butter; a forest dainty, tooth-pick; sugar crystals, candy; cook's curious composition, cake.

About $9 was realized from this pleasant feature. There were other features during the evening and the seventy or more young people seemed to enjoy every minute.

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Red Banks, Miss.—"Words are inadequate to express what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from a female disease and weakness which the doctors said was caused by a fibroid tumor, and I commenced to think there was no help for me. Lydia E. Pinkham's Vegetable Compound made me a well woman after all other means had failed. My friends are all asking what has helped me so much, and I gladly recommend Lydia E. Pinkham's Vegetable Compound."—Mrs. Willie Edwards.

Hampstead, Maryland.—"Before taking Lydia E. Pinkham's Vegetable Compound I was weak and nervous, and could not be on my feet half a day without suffering. The doctors told me I never would be well without an operation, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors, and I hope this valuable medicine may come into the hands of many more suffering women."—Mrs. Joseph H. Dandy.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.
