LOCAL MATTERS.

Damaged by Ice.—The big Ericsson pier at Betterton has been damaged by the heavy ice in the bay and a tug is now at work removing the broken piling.

Trustees for Worton School.—Mr. J. W. Ivens has resigned as a member of the board of trustees of Worton School, Mr. Sutton principal. Mr. Ivens had been the only member of the Board for sometime owing to the removal of Mr. Harry Nichols from the district, and the death of Mr. Lecompte, both of whom were former trustees. The School Board it its meeting on Tuesday accepted the resignation of Mr. Ivens, and appointed Messrs. Henry Anderson, Harry Taylor and Robert Kennedy trustees of the school.

Mrs. Botkin to Stand Trial.—Delaware witnesses in the celebrated Botkin poisoning case have been advised that the State of California is willing to pay $4,000 towards defraying the expenses of their transportation to San Francisco, for the second trial of Mrs. Botkin, charged with sending poisoned candy through the mails to Mrs. Dunning of Dover, and causing the death of both Mrs. Dunning and Mrs. Deane. The second trial of the noted convict is set for March 16, and the whole country will be interested in its outcome.

A Hard Winter.—As an evidence of the severity and continued cold of the winter now closing it may be a matter of interest for us to state that since Thanksgiving there have been only seven days when the mercury failed to get below the freezing point. On December 20, 21 and 24 the mercury managed to stay above 32°. On January 22, 23 and 24 and February 7, it managed to repeat the performance. On more than one occasion during the winter the mercury has fallen several degrees below zero, and altogether we may say that this has been the longest and coldest winter in years. But after all we may be sighing for cool breezes in the good old summer time.

Dr. Stephen's Report.—The report of Dr. M. Bates Stephens, State Supt. of Education, is on our desk. The report covers the past two scholastic years—1901–1902 and 1902–1903. It is a very comprehensive and valuable document, dealing in a scholarly manner with such important subjects as consolidation of schools, compulsory education, manual training and high schools, together with a course of instruction for the schools of the State, and a report of Frostburg Normal School. A handsome cut of the Chestertown Public School is given. The Doctor will please accept our thanks for the very valuable document.

LITTLE LOCALS.

† "Flinch" and "Pit" parties are the order of the day in Chestertown nowadays.

† Mr. Walter T. Pippin has received the contract for improving the property of Rev. Samuel Thomas, adjoining the shoe store of Mr. Ambrose Carroll. The two store rooms will be thrown into one, with a handsome glass front and steel ceiling. The floors will be lowered and the interior and exterior of the building will be handsomely painted. When completed it will be one of the most desirable locations in town. It will be occupied by one of our hustling business men.

† The present warm spell has had the effect of thawing the roads somewhat, and they are just a little sloppy.

† Local news dealers have raised the price of the Baltimore daily papers to two cents each to transient purchasers, owing to the action of the papers in withdrawing the privilege of retaining unsold copies.

† Mr. Jacob F. Thompson has purchased of Chapman & Lambert the lot in the rear of his store running through to Cannon street.

† Messrs. L. S. Blackiston, Charles Thomas, Noble Moffett and J. Stein, all of Rock Hall, shipped a consignment of 1650 lbs. af fine fish to Chestertown Wednesday for express to Philadelphia commission merchants. This is one of the largest consignments of fish ever shipped from Chestertown station. Express Agent John Matthews carried 3200 lbs. of express matter on the afternoon trip on Wednesday.

† The steamers Gratitude and Corsica made the trip to Chestertown on Wednesdap evening last loaded with freight, the Gratitude with fertilizers for Wilbur W. Hubbard and the Corsica with merchandise for our merchants. The Emma A. Ford is expected to-day, and weather permitting, will resume her scheduled trips on Monday, leaving Chestertown at 8 A. M.

† Wm. Louis, wanted on a serious charge by the authorities in Centreville came to Chestertown on the noon train on Wednesday in order to escape arrest. Sheriff Keyser was notified of the Sheriff of Queen Anne's and Deputy Sheriff Startt was sent to arrest the man. Louis at first got off the train at the depot but finally returned to the old depot on the engine and was leisurely walking down Main street when the deputy sheriff arrested him and took him to jail. The deputy remanded the prisoner to the Centreville authorities on Thursdry.

More Kent County Appointments.

Mr. Jesse E. Ireland has been appointed Notary Public for the town of Galena. Mr. Ireland is a young man of much prominence in that section of the county and had the endorsement of Mr. Adam F. Huey, chairman of the State Central Committee, as well af of other promineut citizens, for the place. His appointment has been confirmed by the Senate.

Governor Warfield has appointed Mr. William B. Copper, cashier of the Second National Eank, of Chestertown, School Commissioner, vice Mr. J. P. Ahern, whose recent appointment by former Governor Smith was rejected by the Senate on Tuesday. The appointment of Mr. Copper was promptly confirmed by the Senate, and he will enter upon his duties as soon as his commission arrives.

Oysters Scarce.—Since the lifting of the ice embargo the oystermen have had an opportunity to sail out to the bars and work. Reports from the bars state that there have been four days of uninterrupted work, and that while oysters are very scarce the prices are high, ranging from $1.50 to $2 per bushel. It is to be hoped that the remainder of the season may be such that the oystermen can work every day.

OBITUARY.

MRS. EMMA VICKERS.

Mrs. Emma Vickers, widow of the late William A. Vickers, and daughter-in-law of the eminent Maryland statesman, the late United States Senator, George Vickers, died suddenly at her late home in Baltimore, on Thursday morning, aged about 64 years. Mrs. Vickers was born in Georgetown, Kent county, and was the daughter of Col. James Boone, of Georgetown, and Charlotte Smith, of Pennsylvania. Hon. George Vickers, the father-in-law of the deceased, was born Nov. 19, 1801, and was the son of Capt. James Vickers and Lydia Tower, of Norfolk county, England, who settled in Kent county. From an early age he took great interest in politics, voting for Henry Clay and Daniel Webster, and was an elector for William Henry Harrison. He was several times judge of the Circuit Court for Kent county, and in 1861 major general of the Maryland militia. In 1868 he was made United States Senator, and has also filled an unexpired term as State senator from Kent county. He belonged to the Constitutional Union party, and had one son (Benjamin) killed in the Battle of Shiloh. He died October 11, 1879.

The sudden death of Mrs. Vickers has cast a gloom over the entire community, for there are few women whose lovable disposition and sweet Christian character had won so many friends as did the deceased. For many years during the lifetime of her husband and thereafter she made her home in Chestertown, and wherever she went and in whatsoever circumstance she was placed her presence was like the warm and charming sunbeam. She always had a pleasant smile and kind word for every one. The deceased was an active member of the Methodist Protestant Church, and her influence as a church woman was always for good. Mrs. Vickers was apparently in the best of health the day before her death, as she took lunch at the home of her neice, Mrs. Thomas Ireland Elliott, and was bright and pleasant as usual. She leaves three sons—Messrs. George S. and Percy B., of Chicago, and J. Boone, of Baltimore, with the latter of whom the deceased made her home. Funeral services were conducted at the residence in Baltimore, on Thursday afternoon at three o'clock, Rev. John S. Bowers, officiating. The remains will be brought to Chestertown today and taken to the residence of her brother-in-law, Harrison W. Vickers, Esq., where services will be held tomorrow (Sunday) afternoon at 3 o'clock; interment in Chester cemetery.

MRS. DOROTHEA GRUBER.

Mrs. Dorothea Gruber died at the home of her daughter, Mrs. John T. Sweeney, in Wilmington, Del., on Tuesday, aged 71 years. Mrs. Gruber was for many years one of the most respected and highly esteemed residents of Chestertown, where, for so many years she conducted a successful bakery and confectionery store, with the valuable assistance of her two sons, Herman and John. Mrs. Gruber was a woman of splendid business tact, was generous in her relations with her fellows, and always took a deep interest in the welfare of her home town. Several years ago, on account of failing health, the deceased disposed of her bakery and moved to Wilmington, where, until her death, she was lovingly and tenderly cared for by a faithful and indulgent daughter. The deceased is survived by three children, two sons, Messrs. Herman and John, of Philadelphia, and one daughter, Mrs. John T. Sweeney, of Wilmington. Funeral services were held at the residence of her daughter in Wilmington on Thursday morning at 9 o'clock. The remains were brought to Chestertown via train on Friday noon and interment was made in Chester cemetery. Rev. E. P. Roberts conducted the services at the grave. The pallbearers were: Messrs. James W. Chapman, James Brice, M. A. Toulson and Chas. S. Smith. Undertaker John N. Dodd had charge of funeral arrangements.

Hatcherson, near Fairlee, last Sunday about midnight, of consumption, aged 60 years. The deceased had been in declining health for several years. He leaves a widow, a daughter of the late Pere Gears, and four children. Funeral services were held on Wednesday, conducted by Rev. C. T. Denroche; interment in Chester cemetery. CHURCH NOTES.

CHRIST METH. PROT. CHURCH.

Public Worship at 10.30 A. M. and 7.30 P. M.

Sunday School at 2.30 P. M.

Christain Workers Song Hour 6.45 P. M.

Evening Theme, "Rend your Hearts, and not your Garments."

The anniversary exercises of the Chestertown M. E. Sunday School will be held in the audience room of the M. E. Church tomorrow (Sunday) evening. A fine musical and symbolic program me has been prepared for the occasion.

A very interesting and instructive meeting for young men was held in Christ Church on Sunday evening. The theme of the evening was "Youth; Its Ideals and Work." Three young men of the town delivered appropriate addresses on the various phases of the subject. Excellent music was rendered by the choir and a male quartette, under the direction of Mr. A. M. Culp.

It is thought probable that a large majority will vote against the proposed changes in the Methodist doctrines regarding the amusement question at the annual session of the Wilmington Conference which meets in Dover one week from next Tuesday.

Rev. H. A. G. Westerfield, who for the last six years has been pastor of the Rising Sun M. E. Church, has accepted a call to become pastor of North East M. E. Church during the coming conference year.

The Patriotic Sons of America lodge of Millington will attend the Asbury M. E. Church on Sunday evening, March 6. The pastor will preach a patriotic sermon. All are most cordially invited.

At a meeting of the official boards of Bond and Mowbray Chapels held Wednesday afternoon, Feb. 2, the Rev. Milton McCann was invited to return to Pomona charge next year, and it was ordered that a copy of the minutes be sent to Presiding Elder Koons.

The Asbury M. E. Sunday school, Millington, had their Missionary Anniversary on last Sunday evening. The audience was large and appreciative. The program excellent. The collections fully up to last year. Mrs. E. R. Sidell's class was the banner class. The cornet solos by Mr. Willis were very fine, surpassing anything of the kind ever before played in Millington. All pronounced the anniversary a success. Mr. Willis has kindly consented to be with us next Sunday and favor us with a cornet solo at the Sunday morning preaching service and another one at the Sunday evening preaching service Asbury M. E. Church, Millington.

According to plans, Staff Captain Kemp and his Brigade of Salvation Army workers will be at the Asbury M. E. Church all day Sunday, March 13. They will also repeat their stereoptican entertainment in the church on Saturday evening, March 12 and their musical on Monday, March 14.

Because the last Sunday of the conference year will be given to Staff Captain Kemp and his Brigade, next Sunday, March 6th, will be the pastor's last Sunday before Conference. He will preach at 10.30 A. M. and at 7.30 P. M. All are invited, Asbury M. E. Church, Millington. According to present plans, there will be a change of pastors at this conference on account of the school.

The Woman's Home Missionary Society of the Chestertown M. E. Church met at the home of Mrs. Joel R. Clements on Tuesday evening last.

The Sabbath School class taught by Miss Fannie Stuart held a social at her home on Queen street yesterday evening. Quite a number enjoyed the occasion, and a substantial sum was realized for the cause of missions.

Senator Louis E. McComas has presented in the National Senate a petition signed by 4,000 church members in the State of Maryland protesting against the seating of United States Senator Reed Smoot, of Utah.

Rev. F. H. Mullineaux, pastor of the Kent Island Methodist Protestant church, who has been elected a delegate to the World's Sunday School Union Convention which meets in Jerusalem, will sail from New York on Tuesday next. The North German Lloyd steamer, Grosser Kurfurst, has been chartered to take the American delegates. About 850 ministers, Bible students, Sunday School workers and others, both ladies and gentlemen, will make the trip. Madeira, Gibralter, Northern Africa, Malta, Greece, Turkey, Asia Minor, Syria, Egypt, Italy and the Riviera will be visited by the party bound for the Holy Land. The trip will last for seventy-one days, and a distance of 14,000 miles will be covered.

It has been rumored that nearly every Methodist Protestant minister in Baltimore will be transferred to a new field of labor at the approaching session of conference.

Rev. Dr. William George McCready, of Maysville, Kentucky, has recieved a call to the rectorship of Christ Protestant Episcopal Church, Easton, to succeed Rev. Dr. Leonidas Baldwin, who resigned on account of ill health.

HEALTHY WOMEN

Praise Pe-ru-na as a Cure for Colds and a Preventive of Catarrh.

MRS. M. J. BRINK

FIRST STAGE OF CATARRH.

A Serious Mistake Which Thousands Are Making.

The first stage of catarrh is what is commonly known as "catching cold." It may be in the head, nose, throat or lungs. Its beginning is sometimes so severe as to cause a chill and considerable fever, or it may be so slight as to not hinder a person from his usual business. In perhaps a majority of cases little or no attention is paid to the first stage of catarrh, and hence it is that nearly one-half of the people have chronic catarrh in some form.

To neglect a cold is to invite chronic catarrh. As soon as any one discovers the first symptoms of catching cold he should at once begin the use of Peruna according to directions on the bottle, and the cold is sure to pass away without leaving any bad effects.

Unless this is done the cold is almost sure to end in the second stage of catarrh, which is making so many lives miserable. If Peruna was taken every time one has a cold or cough, chronic catarrh would be practically an unknown disease.

Miss Elizabeth Uber, No. 57 Bassett street, Albany, N. Y., writes:

"I have always dreaded unsettled weather because of my extreme liability to catch cold, when a catarrhal trouble would quickly develop through my entire system, which it would take weeks to drive away. I am thankful to say that since I have taken PERUNA I do not have any reason to dread this anymore. If I have been at all exposed to the damp, wet or cold weather, I take a dose or two of PERUNA, and it throws out any hint of sickness from my system."—Miss Elizabeth Uber.

Mrs. M. J. Brink, No. 820 Michigan avenue, St. Joseph, Mich., writes:

"This past winter during the wet and cold weather I caught a sudden and severe cold, which developed a catarrhal condition through my entire system, and so affected my general health that I was completely broken down, and became nervous and hysterical and unfit to supervise my home. My physician prescribed for me, but somehow his medicine did me no good. Reading of PERUNA I decided to try it. After I had taken but three bottles I found myself in fine health."—Mrs. M. J. Brink.

Sibyl A. Hadley, 26 Main street, Huntington, Ind., writes: "Last winter after getting my feet wet I began to cough, which gradually grew worse until my throat was sore and raw. Ordinary remedies did not help me and cough remedies nauseated me. Reading an advertisement of what PERUNA could do, I decided to try a bottle, and you can imagine how glad I felt when it began to relieve me in a very short time. In less than two weeks I was completely cured."—Sibyl A. Hadley.

MISS SARA McGAHAN.

Miss Sara McGahan, No. 197 3d street, Albany, N. Y., writes:

"A few months ago I suffered with a severe attack of influenza, which nothing seemed to relieve. My hearing became bad, my eyes became irritated and feverish. Nothing seemed right and nothing I ate tasted good. I took PERUNA and within two weeks I was perfectly well."—Sara McGahan.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case, and he will be glad to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

In Memoriam.

CACY—In loving remembrance of our dear father, Francis H. Cacy, who departed this life Dec. 30th, 1903. Gone but not forgotten.

One more soul's gone home to Jesus,
By the fire's one vacant chair—
In the grave, he now is resting,
Resting from all worldly care.

O'er the river of Death he's traveled,
Won a crown from Him above,
Now he's living with his Saviour,
Folded in those arms of love.

We will meet him when our Saviour
Calls us, calls to you and me;
All around His throne we'll gather,
There to live eternally.

Day by day we saw him fade
And slowly sink away,
Yet in our hearts we prayed
That he might longer stay.

His spirit has flown to regions blest
Where suffering and trials are o'er,
So peacefully at rest on Jesus breast,
And happy forevermore.

By his loving daughter,
MAMIE TURNER.

FERTILIZERS FOR SPRING 1904.

TRADE MARK

WE OFFER OUR BRANDS.

For Hay:—

Top dress your grass this month. We have a goods that works wonders for this purpose. Try it and the cost per acre will be less than you imagine.

For Tomatoes.

Well, you have heard about our Peerless. Mr. Jacob Shriley says it is the best goods he ever saw for tomatoes. Mr. Stewart Graham writes where Peerless went alongside another goods, one looked like manured and one looked like tney were manured and the others not, and there was over one-third more where Peerless went. Mr. B. H. Moore writes, "I used Peerless on 2 acres, sold 27½ tons at 12 cents per basket which netted me $198.40." D. F. Loose says one ton netted him $96.00 more than another ton $18.00 goods alongside. C. R. Dashiel says he would have it if it cost $50.00 per ton. Smith, Rouse & Webster, the great canners, say they never heard of goods spoken of more highly. We can furnish hundreds of testimonials, many have told us their yield from it was four and five tons more per acre.

FOR CORN.

You fertilize your wheat, why not your corn? It will pay. We have many customers who use it year after year. Such gentlemen as I. R. Leaverton use it annually, and farmers like Ham L. Crew have used it for 10 or 12 years, and J. Alfred Bramble says it pays him handsomely. And where will you find better or more successful farmers than these gentlemen?

We have one man in Delaware already ordered 70 tons. We have two more in Md., who have their orders booked now for 20 tons each, and so on we could give them to you by the score.

Asparagus.—

Are you going to do anything to it this spring. If so we have the goods. It has Nitrate of Soda and fish as the source of ammonia and runs high in Potash and Phosphoric Acid. Some of the finest asparagus grown in the county is with this goods. Ask Mr. James Bell, Mr. Klinefelter and Mr. Crew what it did for them.

Potatoes.—

Mr. John C. Turner, of Millington, writes voluntarily under date of Dec. 1, 1903, "On July 16th I planted some late potatoes, using your potato manure, one bushel on a piece of ground 624 ft. long and 14 ft wide, about one-sixth of an acre. The vines grew vigorously, were dark green and at first thought they were going to vine but soon found the potatoes were making and I dug 60½ bushels off that patch of ground, or about 400 bus. per acre. I also used it on my early ones and they were the finest I ever raised. Brought 5 cents more per basket than any sold in our ket. I shall certainly want more this spring."

Peach Trees.—

It looks now as though we were going to have a crop of fruit and as many orchards have been dug up don't you think it would be a good idea to feed your trees with our Fruit Grower, as it has given such universal satisfaction. Then, too, it will only cost you about 2 cents per tree to dress them with this goods. We have scores of testimonials concerning it.

Now if you want to sow **Oats** or top dress your **Strawberries**, plant **Sweet Potatoes** or need a goods for **Truck**, or want anything in the **Fertilizer** line please call on or correspond with us before making your purchases.

Very truly yours,

Wilbur W. Hubbard,
