LOCAL MATTERS.

New School Commissoner.—Mr. Wm. Bradford Copper, Cashier of the Second National Bank, qualified as a member of the Kent connty School Board on Tuesday and sat with that body for the first time on that day. We are quite sure that Mr. Copper will make a very efficient officer of the Board.

Rural Carriers Examinations.—Postmaster M. Wilbur Thomas has received notice from the P. O. department that an examination of the rural mail carriers of Kent county will be held next Wednesday, March 23rd, and Mr. Thomas is directed to provide a suitable room for holding the examinations.

Maryland Day.—Friday, March 25th, will be appropriately celebrated by the public schools of the county, as Maryland Day. The date marks the first landing in 1634, at St. Clement's Island, now Blackstone's Island, St. Mary's county, of the Maryland colonists who founded the State. The State Board of Education set apart March 25 in each year to be devoted in all the public schools of Maryland to some particular event in the history of the State for the instructions of the pupils, and request the General Assembly to appoint the date as "Maryland Day" and provide for its appropriate celebration every year. Examiner Peterson has prepared and mailed to each teacher in the county a circular letter, calling attention to the above celebration.

LITTLE LOCALS.

*†*April 25th has been designated by the State Board of Education as Arbor Day. Governor Warfield will issue a proclamation to that effect in a few days.

*†*Thursday was St. Patricks Day. Its effects preceeded the occasion on Monday and Tuesday.

*†*It would not be a bad idea if our Town Commissioners would shell our thoroughfares, or cover them with crushed granite. Either process would make splendid driveways.

*†*Farmers are now turning their attention to their farm work. Most of them report little trouble in securing labor.

*†*Miss Fannie Decelman, the fashionable milliner of Armstrong, Cator & Co,, will assist Mrs. A. Blum in her hat trimming department during the spring season.

*†*The election for one member of the Board of Town Commissioners to succeed Mr. Wm. B. Coleman, whose term expires this year, will take place the third Monday in April. Mr. Coleman is a candidate for re-election and has a card to that effect in this issue. Several applicants have been mentioned, among them Mr. Jefferson D. Bacchus. Mr. Bacchus informs us, however, that he will not permit the use of his name in this connection.

*†*The United States Fish Commission steamer Fish Hawk, Capt. James A. Smith, anchored in Chestertown harbor this week, as reported in our last issue, for the purpose of propogating and distributing yellow perch. We shall have more to say about this later. Capt. William Vandyke, of the Chester River Company, piloted the steamer to Chestertown. Capt Smith and Capt. Vandyke paid the TRANSCRIPT a pleasant call on Wednesday.

*†*The Misses Reed announce that after Tuesday they will have a full line of trimmed and untrimmed hats for display.

*†*We offer an apology to our many readers for the omission of much reading matter of an interesting character. We endeavor to look after the interest of both advertiser and reader, and we have endeavored to distribute our favors to both this week.

Westcott & Dodd.

It is with much regret that we announce the bankrupt sale of the well-known firm of Westcott & Dodd today. This firm has always enjoyed the confidence and respect of the town and county and their embarrassment is due in a large measure to their large heartedness and leniency. They show a commendable disposition to relieve their creditors of the burden that rests upon them and for this reason they are adjusting their affairs to that end. They hope to be able to protect their creditors in full. Up until the time of their embarrassment this firm enjoyed a large trade, and the closing of their store deprives our town of a valuable place of merchandise.

WEDDING BELLS.

HERSCH—SUTTON.

Rock Hall M. E. Church was the scene on Tuesday, March 8th, of the prettiest wedding of the season. The contracting parties were Miss Jeannette M. Hersch, accomplished daughter of Mr. and Mrs. John M. Hersch, and one of our popular teachers of Rock Hall public school, and Mr. Lynwood A. Sutton, son of Mr. and Mrs. Jos. Sutton, and a prosperous young farmer residing near Fairlee. The bride was attired in a beautiful gown of light tan with silk and champagne trimmings and carried shower bouquet of carnations, and was attended by her sister, Miss Mary M. Hersch as maid honor, and by Miss Elma Sutton, sister of the groom, and Miss Mamie Miller as the bridesmaids, dressed in Persian lawn. The ushers were Mr. Earnest Hersch, brother of the bride, and Mr. Baynard Sutton, the brother of the groom. The church was tastefully decorated with evergreen and potted plants. The bridal party entered the church to the strains of Mendelssohn's wedding march rendered by Miss Nannie Taylor. During the ceremony "The Sweetest Story Ever Told" was played softly. Rev. Warren Burr performed the ceremony. The bridal couple left on the 3 P. M. boat for Baltimore, Philadelphia and other points. The bride's going away dress was blue broadcloth with hat to match. The presents were numerous and handsome. The couple will reside on Mrs. Legg's farm near Fairlee.

The little fellows are very proud of themselves and their wood mother, and Mrs. Nicholson may be proud of the fact that she is the only lady in Kent county so far as we know who can boast of such a large brood at this season of the year.

LEGISLATIVE DOINGS.

NEW ELECTION BILL INTRODUCED.

In the Senate on Thursday Senator Wilson, of Prince George's county, introduced the Election bill.

The bill, while it does not change the bi-partisan judge feature, revolutoinizes the present method of voting, inasmuch as it provides for the removal of all party emblems or designations and changes the method now in use for the arrangement of the names of candidates to be voted for on the ticket. The new law does away with the compulsory feature of arranging the names of the candidates in alphabetical order and permits the mixing of the names. The bill also provides for placing the ballot to be voted for in each election booth.

Annapolis, Md., Mar. 17, 1904.

Mr. Gibbs on Wednesday introduced a bill to change the Charter of the Chestertown National Bank. According to Mr. Gibbs' understanding of the measure, this changes the institution from a National to a State bank. Mr. Atkinson introduced a similiar measure to this effect for the Second National Bank of Chestertown.

Mr. Foxwell is in receipt of a petition signed by 100 names of Kent county people protesting against purse net fishing above Poole's Island.

Mr. Foxwell is also in receipt of a petition signed by 54 names from the First Election District, of Kent county, asking that a bill be passed appointing Henry Parr, at present a justice of the peace, as police justice for the first district. The petition asks that the salary be $250, and requiring that the justice live in Galena. All criminal cases are to be brought before him for trial and final disposition.

The bill which had already passed the Senate to amend the charter of the Kent and Cecil Light Power and Railway Company on Friday passed the House.

COLLEGE NOTES.

An athletic tournament was held in the gymnasium last Friday evening a week ago, to which the Board of Governors and Visitors, faculty and students were invited. Owing to the bad weather many were unable to attend, but still there was a good sized crowd and those present gave their approval to the various performances by their continued outbursts of enthusiasm. The marching, which opened the programme, was no other than perfect. The line moved as one man and the fancy walking was done to perfection. Then followed the Indian club drill, English extension drill, German dumb bell drill and the basket ball. The basket ball game afforded a good deal of amusement, not only for the reason that it was an exceptionally well played game in itself, but because both sides attempted to outdo the other in the manner of dress. The Whites had large white bows attached to their slippers and also yellow ribbons tied around the left arm. The Blacks, in an effort to stick to their color, absolutely painted themselves black. The game started off with a rush, and Captain Rasin put the ball in the basket in just about a minute's play. But a foul was charged consequently no score. Again did the Blacks put the ball in, but as the ball had touched the railing the score was not allowed to stand on account of a previous agreement between the two teams. The Whites several times missed by a narrow margin a score, and after ten minutes of hard playing the first half ended with score: Blacks 0, Whites 0. The second half opened as the first, but better team work was shown, and the enthusiasm by this time was great. Each team had its rooters. It looked as if the score would not be changed. But Brittingham, of the Whites, soon showed his real mettle, for, by a difficult throw the ball went into the basket. Score 1 to 0. He also pitched his goal, making 2 to 0. This brought down the house, and Brittingham was cheered for quite a length of time, both sides cheering lustily. The rooters of the Blacks had not lost heart for they urged their players on heartily and they did not concede that the game was lost until the timekeeper announced the time. Following is the line-up:

Whites.	*Blacks.*
MacMaster,	Rasin, (Capt.)
Usilton,	Finley,
King,	Hughes,
Brittingham,	Hopkins,
Howard, (Capt.)	Bryan.

Timekeeper and Referee—Mr. Moore. Time of halves, 10 minutes; Score, Whites 3, Blacks 0.

Tricks on the horizontal bars, rings, parallel bars, long and cross horse and mats were the main events of the evening. Space forbids to give the various acrobatical performances. The turning in the air of Newton is worthy of particular note. The tournament ended with some fast running and salute by the class.

If troubled with weak digestion, belching or sour stomach, use Chamberlain's Stomach and Liver Tablets and you will get quick relief. For sale by M. A. Toulson, Druggist.

A GEORGIA JUDGE

WAS ALARMINGLY AFFLICTED WITH CATARRH OF THE LUNGS,

CURED BY PE-RU-NA.

JUDGE DURHAM, OF GREENSBORO, GEORGIA.

Catarrh of the Lungs the First Stage of Consumption.

So All Medical Authorities Agree.

Judge Durham, a well-known local Judge of Greensboro, Ga., had an experience with Peruna well worth reciting. A report had become current among the judge's friends that he was threatened with consumption. It was feared for a time that Georgia was to lose one of its most prominent and influential citizens.

It was also reported that the judge had failed to get any relief from any of the medical aid at his command, that he had made use of the now world famous remedy, Peruna, and made a prompt recovery. The affair created quite a sensation in medical circles especially, and the many friends of Judge Durham were not only exceedingly gratified at his recovery, but were enthusiastic in their praises of the remedy that had brought him relief.

The following written statement from the judge himself set forth the facts:

Greensboro, Ga., March 3, 1900.

"Some time ago I contracted a severe cold which settled on my lungs and in my head. I tried many remedies, all of which gave me no relief. I concluded that my case was catarrh of the head and lungs, and seeing Peruna so highly recommended I began using it, experiencing the very best results from the first bottle.

"I continued using Peruna for a short while, and have never felt the least symptoms of catarrh since. Peruna is certainly a good medicine, and deserves the highest praise which is given it by the general public."

Judge Durham has been Secretary and Treasurer of the city of Greensboro, Ga., for the past three years, and has been a local judge for ten years.

Dread Consumption.

There are three roads which lead from health to consumption. Over one of these roads pass all of that great multitude of people who die every year of consumption. Each route begins with health and happiness and ends with disease and death.

First road: a slight cold—neglected—settles in the head or throat—chronic catarrh—extends to the lungs—consumption—death.

Second road: a slight cold—neglected cough—settles in the lungs—cough gradually growing worse—consumption—death.

Third road: a cold—neglected—settles in the throat—hoarseness—short breath—consumption—death.

Thousands have just started on one of these roads, all of whom could be easily cured by Peruna. Thousands more are half way to the fatal end of one of these roads who are still curable by a course of treatment by Peruna. Yet other thousands are near the end whose last days could be made bearable and hope of recovery more probable by commencing Peruna without delay.

A reward of $10,000 has been deposited in the Market Exchange Bank, Columbus, Ohio, as a guarantee that the above testimonial is genuine; that we hold in our possession authentic letters certifying to the same. Every one of our testimonials are genuine and in the words of the one whose name is appended.
