### Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for any one to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Tanders, Ala., who is also a druggist, says of it: "I have been selling Chamberlian's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by M. A. Toulson.

We are demonstrating once more our undisputed leadership in the various departments of Women's and Girls' Ready-to-Wear Clothes—a distinction we have held for some years.

Our exhibit is superior. in character. It comprises the best that American and foreign brains and skill can produce. There are garments that will have no counterparts in this city—high-class makers, for their own protection, are careful where their new styles go.

We append a number of items—most of them at special prices. Opening Time—as we see it—is not a time for asking high prices, but rather for offering new things at less than they ordinarily bring.

### "THE DRESS GOODS ARE FASCINATING"

say the women who have been to the exhibition of beautiful stuffs in the Dress Goods Section, main floor.

Lovely colors will reign; light, graceful, floating stuffs will be used in everything—even for the street; lace will crown all the prettiest gowns: If women are not charmingly dressed, it will not be the fault of those who have planned and designed spring and summer stuffs.

But to get the best, the choicest, the most exclusive, it is absolutely necessary to buy now; and when the imported voiles and grenadines are gone, there are no duplicates nearer than Europe.

In trying to buy enough different things so that nobody will be apt to meet her gown face to face on another person, we run the risk of disappointing someone.

Just hints as to names and prices of some of the new fabrics—

44-inch Silk-and-Wool Eolienne, $1.25.
46-inch Silk-and-Wool Taffeta Francaise, $1.50.
