NOTICE TO HOLDERS OF BURIAL LOTS IN CHESTER CEMETERY.

The Chester Cemetery Company by recent action of its Board is now prepared to enter into a contract with its lot owners to keep their lots in first-class order perpetually. This guarantees the owner that his lot will be taken care of, not only after his death but even after the death of all the family.

There is no sadder sight in a cemetery than to see the lot of a one time prosperous owner in weeds, briars, overgrown bushes, &c., and for reason that the family have either all died, removed or else forgotten their duty to the remains of their ancestor.

Those who secure a contract as above will have no apprehensions of this fate to their lots. For terms apply to,

Imposing Mausoleums.

Some handsome tombstones have been erected recently in Chester Cemetery to the memory of the dead. Mr. John N. Dodd received the order for the erection of a handsome rough granite tablet with highly polished face to the memory of

SAMUEL WRIGHT SPENCER,
Died Jan. 7th, 1869,
His Wife
HARRIET MALVINA CHAPMAN,
Died Nov., 1844.
Their Son
JOHN CHAPMAN SPENCER,
Trooper of Cavalry C. S. Army,
Born Nov., 1844.
Killed in first charge in first engagement—a skirmish in Virginia, in May, 1863.

The name of Mr. Spencer is closely identified with the history of the community. During his life-time he was cashier of the Chestertown National Bank, and he was a valuable member of the then large canning firm of Ruth, Hines & Spencer. The tablet, which is very handsome and of fine workmanship, was erected by Mrs. Frank C. Crosley, of Washington, D. C., to the memory of her family.

There has been placed in the Hayes lot by Mr. Harry R. Ruse, Baltimore, a very handsome mausoleum to the memory of the late lamented Theodore E. Hayes, by his widow, Mrs. Annie E. Hayes. The mausoleum is of pearl gray stone with raised lettering—broad base and tapering at the top. The name—Hayes—is carved in beautiful raised letters on the front and back. It is a beautiful tribute to a noble man.

The beautiful mausoleum erected to the memory of the late lamented Mrs. Thomas R. Hubbard, has been described in our columns before. It is one of the handsomest tombs in the county.

Mr. Wm. H. Krusen, of Still Pond, has received an order from Mr. F. H. Harper for the erection of two hand some tombs in Still Pond Cemetery to the memory of his wife and son, Mrs. Franklin H. Harper and Mr. Joseph W. Harper, also one to the memory of the late Wm. Lusby, in the burying ground near Middletown, Del. Order placed by Senator Garrett Foxwell.

Mr. A. L. Davidson, proprietor of the Chestertown Marble Works, will erect a handsome monument to the memory of the late lamented Mrs. Walter T. Morris. It will be of granite with highly polished face and handsome lettering, and will be a beautiful tribute to the memory of the dead by her husband, Mr. Walter T. Morris.

THE KEIFFER PEAR CROP.

Farmers Fear That it Has Been Seriously Injured if Not Practically Destroyed.

Quite a number of farmers report that the keiffer pear crop is seriously injured, if not practically destroyed. If this be true, it means thousands of dollars loss to the county this season. No one seems able to give a reason for the almost wholesale destruction of the fruit, as the bloom was the most profuse and beautiful seen in the county in years, and every one was in high hopes of an immense crop.

Mr. Walter T. Morris, one of our most prominent farmers, and whose pear trees were perfect snow balls of blossoms, stated on Wednesday evening that he believes his crop will be almost a total failure. Others are of the same opinion. Mr. Robert H. Wilson, a well known fruit grower near Smyrna, states that he believes the cause of the destruction is the warm weather of last week which caused the bloom to fall off before the young germ was properly fertilized. He says, "It was only a three or four days bloom against the ordinary blossom period of 10 days." This gentleman has a fine eight-year-old orchard which would have given as a full crop 12,000 or 15,000 baskets. There is scarcely a pear in the orchard at present. It is to be hoped that these reports are not so gloomy as stated. So far as reports concerning the peach crop are concerned indications point to a large crop, but the keiffer pear has long since taken the place of the peach in many parts of Kent county.

BUOY OUT OF PLACE;

Can That Marked Pooles Island Flats is Adrift in the Bay.

Incoming captains from the head of Chesapeake bay this week reported the northeast can buoy at Pooles Island, about one-eighth of a mile north east, out of position. Three large vessels have been grounded as a result of the wrong position of the buoy. An 800 ton barge was fast aground on Tuesday with two tugs at work trying to get her into deep water, but up to a late hour one was held fast on the flat, which forms a dangerous obstruction to up the bay navigation when not properly buoyed. The Hartman, one of the largest barges trading out of this port, is one of the three vessels which have grounded as a result of the error in position of the Pooles Island buoy. Wether the buoy was dragged from its place by the ice during the winter or by some other cause is not known.

LOOK FOR AUTOMOBILE.

Will Make the Run From Tolchester Today

Capt. Wm. C. Eliason, Manager of the Tolchester Company has notified several prominent gentleman of Chestertown that he will make the trip from Tolchester to Chestertown this morning in an automobile designed for carrying passengers and light freight. The machine is a "flyer" and will carry 10 passengars. Capt. Eliason will discuss the merits of the proposed route with the gentlemen, and take steps looking to the organization of a Company to operate the proposed route. Look for the machine this morning and don't let it interfere with the hot political fight that is predicted for today.

OBITUARY.

REV. E. R. SIDELL.

Stricken in the first few days of his residence in the city of Philadelphia with small pox, Rev. Elmer Randolph Sidell, a member of the Wilmington Conference, M. E. Church, died at the Municipal Hospital on Friday morning. He had been removed to that institution from the home he had established in that city at 1620, Parrish street, eight days before. Until the close of the conference year this spring, Mr. Sidell had been actively engaged in the ministry, having been the faithful pastor of Asbury M. E. Church, Millington, where he had not only done a valuable work, but had endeared himself to his people and the community by his noble christian character and godly works. In March last, at his own request, he was given a supernumerary relation on account of failing health. He had made arrangements to go into the insurance business in Philadelphia and rented the Parrish street house as a home for his family, consisting of his wife and a son 17 years old. His heart was still in his religious work and he planned to do as much in that direction as the state of his health permitted. The deceased was 43 years old. He was born in New Brunswick, N. J., and educated at Drew Theological Seminary. He went West while a young man and became general secretary of the Young Men's Christian Association at Baraboo, Wisconsin. He was ordained to the ministry and received as a member of the West Wisconsin Conference. He served some important charges in this Conference and then came East. He removed West again but finally returned East and joined the Wilmington M. E. Conference. He had served Wilmington, Federalsburg, Marydel, Centreville and Millington charges, at each place doing a most excellent work. He was at one time engaged in general evangelistic work. The deceased had many warm friends in Millington and vicinity whose deepest sympathy, no doubt, is extended to the bereaved family in their great affliction.

MR. CHRISTOPHER CONNER.

Mr. Christopher Conner, one of the oldest and best known citizens of near Chesterville, died at his home Monday morning, aged 76. Mr. Conner had been in poor health for some time, but recently was thought to be much improved. He leaves four sons, Messrs, John, James, Thomas and Christopher Conner, Jr. Mr. Conner was one of the most successful agriculturists of the First district, and will be missed by a large circle of friends. Funeral services were held on Wednesday morning at 10 o'clock in St. Denis' Church, near Lambson's Station, Rev. Mr. Daly officiating. Interment was made in St. Denis' cemetery.

DEATH OF JOHN S. WIRT.

He Expires Suddenly of Kidney Trouble at Elkton.

Hon. John S. Wirt died suddenly at 4.30 o'clock on Tuesday afternoon at his home in Elkton, of kidney trouble, after an illness of less than 24 hours, aged 52 years. Mr. Wirt was taken ill late Monday night and continued to grow worse until the end came. The deceased was a member of one of the oldest and most prominent families in the State. He was a man of broad views and fine intelligence, and for years was the leader of the Democratic party in Cecil county. He had served his State in numerous political capacities, but it was while a member of the State Senate in 1889, that he attracted the attention of the people of the entire State by his efforts in behalf of the enactment of many valuable laws, chief among them being the Australian ballot law. In 1892 Mr. Wirt was a candidate for the United States Senate but withdrew in favor of the late Senator Chas. H. Gibson. He was the recognized leader of the House of Delegates during the session of 1896. Mr. Wirt was recognized as one of the leading lawyers in the State, being well learned in law and well equipped for the profession. For many years he was connected with the Civil Service Reform Association of Maryland, serving as vice-president. He was a trustee of St. John's College, of which he was a graduate, and up until the time of his death was council for the Baltimore and Ohio Railroad Company. He was a member of the vestry of Trinity Protestant Episcopal Church, Elkton, for years. He enjoyed the respect and confidence of not only the people of his town and county, but of the entire State. Funeral services were held yesterday afternoon at three o'clock in Trinity Protestant Episcopal Church.

BASE HITS.

Chestertown Teams Defeated by Visiting Teams with One Exception.

Saturday last was not a good day for base ball so far as the college and town teams were concerned, with the exception of the Continentals, who covered themselves all over with glory by defeating the Church Hill team.

Wayhington College suffered defeat on the college diamond at the hands of the John's Hopkins team in a very interesting game. Score 10 to 6. White, the crack pitcher of the college team, was not in his usual good form in the box and allowed 15 men to pass to first on gifts. The catching and throwing of Shutz, Washington College's fine little catcher, were the features of the game. His throwing was the most accurate seen on the college diamond in years. The excellent support which White received is responsible for the lack of more runs by the visitors.

The Kennedyville team defeated the Chestertown Public School team on the college diamond on Saturday in an interesting five inning game. Score, 4 to 1.

The Continentals, of Chestertown, defeated the Church Hill team on Saturday on the uptown diamond. Score, 19 to 6.

The P. A. C. will play the Kennedyville team on the latter's grounds this afternoon.

PUBLIC SCHOOL TRUSTEES

The School Board met at their office in the Chestertown Public School building on Tuesday and named the school trustees of the county to serve for one year. Contrary to what has been the custom for the past several years, nearly every board of trustees is given *minority representation*—an indication that the present board of commissioners will endeavor to keep the schools out of politics. Mr. Purnell Jump, the minority member of the board, was given that recognition which was due him in every district and his selections are from among the very best men in the Republican party. The following is the list:

DISTRICT No 1, SCHOOL No 1.—Gove Everett, John Mayberry, C. L. Turner, No 2—J. E. Hurlock, Dr. E. G. Clark, Henry Tonkin. No. 3—A. F. Huey, T. C. Roe, S. J. Johnson. No. 4.—L. H. The School Commissioners at their meeting on Tuesday decided to add a tenth grade to the course of study for the public schools of this county. The course heretofore has included only two grades of the High School course, it now includes three of the four High School grades. This addition to the course is made for the purpose of meeting the needs of those pupils who are industrious and deserving but whose means do not enable them to attend a higher school than the public schools of the county.

The Public School Teachers Association will meet on June 10th instead of June 3rd as heretofore announced.
