SATURDAY, MAY 21, 1904.

FOR PRESIDENT:
HON. ARTHUR P. GORMAN,
OF MARYLAND.

Democratic PRIMARY MEETINGS

The Democratic voters of Kent county, are hereby notified to assemble in primary meeting in the several districts, at the usual places of holding primary elections, on

SATURDAY, 21st day of May, 1904

FROM 2 TO 6 O'CLOCK P. M.,

for the purpose of choosing 6 delegates from each district to assemble in County Convention, on

TUESDAY, the 24th Day of May, 1904,

and elect six delegates with a half vote each, to the State Convention to be held in Baltimore on May 26th, 1904, the duty of which convention is to elect four delegates from the State at Large and two delegates from each Congressional District to the National Democratic Convention to be held at St Louis on July 6th, 1904, to nominate a candidate for President and a candidate for Vice-President of the United States, and also to choose two electors from the State at Large and one elector from each Congressional District, favorable to the election of the candidates for President and Vice-President nominated by the said convention at St. Louis.

The County Convention, hereby called, is also required to choose delegates from Kent county to the Congressional Convention to be held at Ocean City on August 25th, 1904, for the purpose of nominating a candidate to represent the First Congressional District of Maryland in the 59th Congress of the United States.

By order of the State Central Committee for Kent county.

ADAM F. HUEY,
SAMUEL J. WICKES,
JOHN M. COMEGYS.

SEVERAL OF THE COUNTIES in the State are making efforts to induce settlers to come to Maryland. Why cannot Kent county join the ranks and induce good industious settlers to locate here. Kent county affords excellent inducements to those desiring good water locations, or fine farming lands.

THE ELECTION of a Democrat to Congress this year from the First Congressional District to succeed Congressman Wm. H. Jackson, who will likely be renominated by the Republicans, will not be a difficult task if the proper man is nominated. The "signs of the times" are favorable to Democratic success.

ONE OF THE "ward healers" of the Chestertown district met a gentleman on the street one day this week and said: "Be sure to come out to the polls on Saturday, and be there by two o'clock. We are going to have a fight." The gentleman replied, "It is all news to me. The *people* of Kent County don't want any fight. They want harmony. I shall not be in your fight."

PRIMARIES WILL BE HELD in the several districts of the county today for the purpose of selecting delegates to meet in Chestertown on Tuesday for the purpose of electing delegates to the State Convention which meets in Baltimore on Thursday next may 26th, and also to elect delegates to the Congressional Convention which meets in Ocean City, Md., August 10th, for the purpose of nominating a condidate for congress. So far as we have been able to learn there will be no contests in any of the districts.

GOVERNOR WARFIELD on Saturday announced the names of 12 members of his military staff. The list embraces five "generals" and seven "colonels." Three other aides or "colones" will be appointed later. The personnel of the staff announced includes the following names: Generals—Dr. John M. T. Finney, surgeon general; Mr. N. Winslow Williams, judge advocate general; Mr. Allan McLane, inspector general; Mr. Francis S. Hambleton, chief of ordnance, Mr. Van Lear Black, quartermaster general. Colonels—Mr. Edward L. Woodside; Mr. H. Carroll Brown; Dr. J. Charles MacGill; Mr. Jseph L. Wicks; Dr. Richard S. Hill, of Prince George's county; Mr. Austin L. Baughman of Frederick county; Mr. Henry Holliday, Jr., of Talbot county.

Sick headache results from a disordered stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale by M. A. Toulson, druggist.

SCHOOL TRUSTEES.

We think the school board did a very wise thing on Tuesday when they appointed members of the Republican party to the boards of trustees throughout the county. It is an evidence that the present board will endeavor to keep the schools out of politics, and it is commendable that not only the minority member of the board voted for the change, but that both the Democratic members did likewise. The voting of the board for the Republican trusteewas unanimous. The change of the various boards of trustees was in accordance with the usual custom when new school commissioners are appointed.

THE SAME OLD TRICK.

"There is every indication that there will be a lively fight at the democratic primaries to be held in this county next Saturday, between the friends and opponents of H. H. Barroll.

"The contest will be for control of the delegation to Baltimore. Richard D. Hynson has been put forth by the antiBarroll wing as a delegate to the St. Louis convention, and his friends are making a lively contest for delegates favorable to him."

The above startling announcement appeared in the Baltimore *Herald* on Thursday. It came from the Chestertown correspondent of that paper who pretends to be a Democrat, and is the first intimation we have had that there will be a *fight*, notwithstanding the fact that there is not the slightest opposition to Mr. Richard D. Hynson naming the delegation to the State Convention. There seem to be some Democrats in Kent county who are always looking for a *fight*. It is the same old game of rule or ruin, and if they can't rule they will do every thing they can to ruin. The people want harmony in the Democratic party and are not looking for excuses to create unnecessary contests.

RACE FOR THE PRESIDENCY.

How the Delegates Stand.

The status of the delegates, according to instructions, pledges and preferences, in States in which State or local conventions have been held is as follows:

	Parker.	Hearst.	Olney.	Gorman.	Uncommitted.
Rhode Island	..	6	..	..	2
Kansas	..	14	..	..	6
New Mexico	..	6	..	..	..
New Jersey	..	..	..	..	24
New York	78	..	..	..	..
Massachusetts	..	6	25	..	1
Pennsylvania	..	..	..	..	63
Nevada	..	6	..	..	..
South Dakota	..	8	..	..	..
West Virginia	..	7	..	7	..
Ohio	2	8	..	..	4
Oregon	..	6	..	..	2
New Hampshire	4	..	..	..	4
Iowa	..	26	..	..	..
Washington	..	7	..	..	3
Connecticut	14	..	..	..	..
Maine	..	..	..	..	..
Florida	..	..	..	..	5
Indiana	30	..	..	..	..
Dist. Columbia	..	..	..	6	..
Totals	128	105	25	13	121

A study of the above table will lead to the inference that the race is anybody's at present with the chances very largely in favor of Senator Arthur P. Gorman. A study of the States whose delegates are uninstructed or uncommitted will show that these States are favorable to the Maryland Senator because it is a known fact that the leading politicians of these States are favorably inclined to the candidacy of Senator Gorman and because these States have sent uninstructed delegates through the influence of the friends of the Maryland Senator.

Mr. Gorman has thirteen delegates pledged to him, and with the great majority of the uninstructed delegates ready to swing to the Maryland Senator at his bidding, he will develop such strength in the convention at St. Louis that will make him a most dangerous factor in the convention. The following States have yet to hold their conventions: Alabama, Tennessee, Georgia, Kentucky, Virginia, Arkansas, Mississippi, Texas, North Carolina, Missouri. As the majority of these States are in the South where the Gorman sentiment is very strong, it is expected that the Gorman strength will assume large proportions before the meeting of the National Convention.

COLLEGE NOTES.

A "Caramel Feast" was held last Friday evening at the residence of Miss Eloise Ringgold. All were delighted with the evening's gaiety. Among those present were: Misses Mary Hines, H. Connelly, A. Mr. John King paid a short visit to friends in Baltimore during the first of the week.

Dr. Jas. Cain returned last Saturday from Salisbury, where he went to deliver the address to the graduates of Salisbury High School. While there he met the relatives of a number of the graduates who are contemplating becoming students of Washington College next year. The Doctor enjoyed the trip and was very much pleased with the reception tendered him by the hospitable people of Salisbury.

Word came Tuesday that the game with Western Maryland College which was to have been played here Friday had to be cancelled by order of the faculty of said college. Manager Brittingham of the second team may send a challenge to the W. M. A.

Miss N. Kirby has returned to college after an absence of several weeks.

At a meeting of the Glee and Mandolin Clubs last Wednesday evening, a unanimous vote of thanks was tendered to Dr. Jas. W. Cain for his great help in forming the clubs and the earnest will which he has shown toward the betterment of the clubs.

Mr. L. B. Smith will occupy the pulpit of the M. P. Church at Marion Station, Somerset County, in the place of Rev. S. B. Tredway, who is now attending the General Conferance in Washington, D. C., on Sunday, May 22.

*†*The one remark heard on all sides by those who come and go is, "Isn't the country beautiful?" City folks will become so jealous that they will soon begin to flock to the country to sit under the treeses and catch the cool breezes.

*†*Jas. L. Beck has one of the finest fields of wheat in the county. It is the "Spade" variety.

Do not forget the Supper at Wesley Chapel M. P. Church on the 28th. The ladies of the Church know how to provide things good for the inner man.

Do not forget the Strawberry and ice cream festival to be held by the ladies of Christ M. P. Church next Wednesday and Thursday evenings, May 25th and 26th, in the vacant store room formerly occupied by Westcott & Dodd.
