NOTICE TO HOLDERS OF BURIAL LOTS IN CHESTER CEMETERY.

The Chester Cemetery Company by recent action of its Board is now prepared to enter into a contract with its lot owners to keep their lots in first-class order perpetually. This guarantees the owner that his lot will be taken care of, not only after his death but even after the death of all the family.

There is no sadder sight in a cemetery than to see the lot of a one time prosperous owner in weeds, briars, overgrown bushes, &c., and for reason that the family have either all died, removed or else forgotten their duty to the remains of their ancestor.

Those who secure a contract as above will have no apprehensions of this fate to their lots. For terms apply to.

IMPROVEMENTS AT THE COLLEGE.

Overcrowded Condition to be Relieved by the Erection of a Handsome Building, and Improvements to the Present Buildings.

INPROVEMENTS TO BE MADE IN SCHOOL COURSE.

Commencement Week.

The opening of the next scholastic year at Washington College will witness many improvements to the historic institution. During the year now closing the dormitories have been so crowded, class-room accommodations have been so insufficient, and the work of the professors has been so crowded as to demand a change. President James W. Cain, with the co-operation of the Board of Visitors and Governors, has devised plans whereby the conditions which now exist will be relieved, and the college will go forth under a new order of things and with much better facilities for work than in the past. At the last session of the State Legislature the college was granted an appropriation of $7,500 for two years. This will be used in the erection of a handsome brick building on a site to be selected by the building committee. The building will be of brick, very handsome in appearance, and will contain a chapel and lecture room with seating capacity of 350, laboratory and library. There may also be several class-rooms. The new building will cost $20,000.

The dining-room and kitchen of Normal Hall will be altered so as to make each more convenient and commodious, and the west building will be improved so as to furnish better dormitory accommodation. The college buildings will be heated throughout by steam. This will no doubt be welcome news to the boys who have had to carry the coal scuttles up several flights of steps.

The faculty will be enlarged by the addition of a professor in English. An instructor in Pedagogy will also be employed, and the normal department of the college will be placed under the State Board of Education and the course made similar to the Normal Schools of the State. The improvements will cost the college about $30,000—$24,500 of which has been provided for. Dr. James W. Cain, the president of the college, has made a splendid impression not only upon the student body, but upon the Board of Visitors and Governors and upon the community at large in his first year as the head of the institution. He has succeeded in creating a condition of things that argues well for the future of the college, and we are confident that when the next school year begins, conditions at the college will be such as to attract a large and representative body of students.

Messrs. Garey and Hitch, two of this year's class, will probably return to the college next year for a post graduate course. Mr. Garey will be given charge of several classes, but his principal work will be in preparation for examination for one of the Cecil Rhodes scholarships, which will entitle him to entrance and tuition in Oxford University, England. Mr. Hitch will also have charge of several classes and will take a portion of the normal courses together with other post graduate work.

The commencement exercises of the college begin to-morrow morning with the Baccalaureate sermon to the graduates in Christ M. P. Church, by Rev. S. J. Smith, D. D., of Salisbury, Md. The faculty and graduates, the collegiate and normal, will enter the church, wearing the academic costume in accordance with their rank, while the choir and congregation unite in singing Martin Luther's great hymn, "A Mighty Fortress is Our God."

At night the sermon to the Christian Association will be preached in the M. E. Church by Rev. A. W. Lightburn, Ph.D. D., of Wilmington, Del.

All the Alumni of Washington College and of the Normal school are invited to meet on the college campus at 10.15, Wednesday morning, June 15th, commencement day, and join in the academic procession to Stam's Hall. By the regulations of the Visitors and Governors of the college the alumni are entitled to wear the academic costume of gown, cap and hood befitting academic rank.

The remainder of the programme may be found on the first page of this issue.

WEDDING BELLS.

CONRADI—HURTT.

A marriage of much interest in Chestertown and in Baltimore occurred on Monday evening at 6 o'clock, when Miss Mary Merritt Hurtt, of Chestertown, became the wife of the well-known pianist, Mr. Luter Theodore Conradi, of Baltimore. The wedding took place in St. Phillip's Protestant Episcopal Church, Philadelphia, Rev. Clarence Wyatt Bispham officiating, in the presence of the immediate families.

Miss Hurtt is the accomplished daughter of Mr. James Henry Hurtt, and Mr. Conradi a son of Dr. and Mrs. F. A. Conradi, of Baltimore, and grandson of the late Bishop Conradi, and has made an enviable name for himself in musical circles both in this country and abroad.

Mr. and Mrs. Conradi sailed by the North German Lloyd June 8 for Germany, and will spend the summer with Mr. and Mrs. Richard Burmeister. During the summer Mr. Conradi will give several recitals abroad, the first of which will take place in Dresden, June 26.

Mr. and Mrs. Conradi will reside in Baltimore, returning there about the middle of September.

HEPBURN—HOUGHTON.

An interesting marriage of Monday was that of Miss Katherine M. Houghton, daughter of the late Mr. and Mrs. A. A. Houghton, of Buffalo, N. Y., to Mr. Thomas Norval Hepburn, son of Rev. and Mrs. S. S. Hepburn, of Accomac, county, Va., and formerly of Still Pond, this county. The bride is an M. A. and a B. A. of Bryn Mawr College, Pennsylvania. During the past year she has been an instructress at the Calvert School for Girls, Baltimore. The groom is a graduate of Randolph-Macon College, in Virginia, and is now a student in the Medical School of the Johns Hopkins University. The ceremony was performed at 4.30 o'clock at Christ Protestant Episcopal Church, by Rev. S. S. Hepburn, father of the groom, assisted by Rev. Percy Wroth. The bride was given away by her guardian, Mr. Amaroy Houghton, Jr., of Corning, N. Y. Her gown was of white mull and lace, with a tulle veil and bouquet of June roses. The maid of honor was Miss Edith Houghton, of Buffalo, a sister of the bride, and the bridesmaids were Miss Marian Houghton, another sister, and Miss Mary Towle, of Boston. They wore gowns of white chiffon cloth and lace, white picture hats and carried bouquets of white roses. Mr. Lloyd Hepburn, of Virginia, brother of the groom, was best man. The ushers were Mr. Arthur W. Davis and Mr. Donald B. Hooker, both of Harford, Ct. A small reception followed at the apartments of the bride at the St. Paul. Mr. and Mrs. Hepburn will go abroad for their wedding trip, spending the summer in Switzerland, Germany and Italy. On their return in the fall Mr. Hepburn will resume his studies at the John Hopkins where he expects to graduate next June.

Mr. Hepburn is well-known in Kent county, being a nephew of Mr. Edward W. Hepburn, of near Still Pond. His father, Rev. Mr. Hepburn, owns a fine farm near Still Pond, where he usually spends the summer.

BASE HITS.

The Washington College team defeated a team composed of the Alumni of the college in a practice game last Saturday afternoon. Score 15 to 10. It was not the Alumni team that will meet the college team on Wednesday afternoon for the annual commencement game. That team will make the college boys hustle for their laurels.

The Printers Atheletic Club were scheduled to cross bats with the Kennedyville team on the college diamond last Saturday, but the Kennedyville boys failed to show up. As a substitute, the Basket Factory team game the Printers a pretty good practice game.

The strong team of Havre de Grace defeated the Betterton team last Saturday at Havre de Grace. Score 8 to 4. This is the first game Betterton has played this season and while they did well they expect to do better when the team has a little more practice. They are a hard team to beat.

The Washihgton College team will play the strong Ridgley team on College campus on Tuesday afternoon next, June 14th, at 3.30.
