FOR PRESIDENT:

HON. ARTHUR P. GORMAN,

OF MARYLAND.

THE STATE PROHIBITION CONVENTION met in Salisbury on Tuesday and nominated delegates to the National Convention. The sentiment of the Convention was in favor of Gen. Miles for the Presidency. George W. Covington, Esq., of Kent was made a member of the State central committee.

THE DEATH of Wm. E. Keyser, Esq., removes from Baltimore city another of its most conspicuous figures. Philanthropist, political reformer and great financier, he succeeded in stamping his individuality upon the city in such a manner as to make his death a severe loss to Baltimore and to the State.

REPUBLICAN LEADERS practically concede the loss of New York State to Roosevelt in the fall election, due to the influences of Governor Odell and Odellism. To offset the loss, the President is making all sorts of deals with the Western States in order to capture their electoral votes. There are some *Folks* who won't tumble to the scheme, however.

A MEETING of the Maryland delegation to the Democratic National Convention was held at headquarters in the Eutaw House on Wednesday and all arrangements were perfected for the trip. The delegation will leave Baltimore on Sunday, July 3d. Senator Gorman and Chairman Murray Vandiver will go in advance of the delegation in order to prepare the headquarters of the reception of the delegation.

THE MARYLAND COMMISSIONERS to the Louisiana Purchase Exposition left Baltimore for St. Louis last Saturday afternoon on two special cars attached to the regular train leaving Camden station at three o'clock. The only official event of the trip was the dedication of the Maryland Building which took place on Wednesday. Gen. Victor Baughman delivered the principal address. Maryland Day will be observed in September.

THERE IS SOME newspaper discussion as to whether ex-Gov. E. E. Jackson, Democrat, and Dr. Isaac A. Barber, Republican, are eligible to serve as presidential electors from the First District of Maryland. Both are directors of national banks, and the law under which this contention is made says that no man holding a federal position can be a presidential elector, and a national bank director has been held to come within this prohibition.

CONGRESSMAN WM. H. JACKSON, who was elected one of the "big four" to represent the Maryland Republicans at the Chicago convention, has notified his alternate, ex-Senator James H. Baker, of Kent county, that he will not attend the convention and begs the ex-Senator to be present to represent him. We regret that Congressman Jackson will be unable to go, but we are glad that Kent Republicans may be honored by having one of their representatives in the National Convention in such a prominent position.

THE NATIONAL CONVENTION at St. Louis is a little over three weeks off. Much may happen in that time, and it is more than likely that much will happen. Judge Parker is far in the lead of all the other pronounced candidates, but he has not enough votes to insure his nomination by a considerable number. An important conference of leading Democrats, including Senator Gorman, was held in New York last week, and it is thought that Tammany's opposition to Judge Parker will prevent his nomination. It looks more like Gorman every day.

Sued by His Doctor.

"A doctor here has sued me for $12, 50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by M. A. Toulson, druggist, Chestertown, Md.

DECIDE AGAINST MR. WARFIELD.

Result in Chester River Steamboat Co. Suits.

In the case of William J. Hamilton and Joseph Blair, of Philadelphia, Pa., against George Warfield and the Chester River Steamboat Company, which was on trial in the United States Circuit Court for several days last week, the jury on Saturday returned a verdict in favor of the plaintiffs for $10,000, without interest. On May 31, 1902, Mr. Warfield, as president of the Chester River Steamboat Company, sold all the assests of the company to Charles H. Barritt, of Philadelphia, for $260,000, $10,000 to be paid upon the execution of the contract of sale, $40,000 within four months thereafter, and $150,000 within six months from the date of contract, and the remaining $60,000 in the bonds of a railroad to be constructed from Chestertown to Rock Hall.

The $10,000 was paid, it was alleged, upon an untrue statement made by Walter W. Hess of earnings and operating expenses of the Chester River Steamboat Company from 1897 to 1901, whereupon the deal fell through and the repayment of the $10,000 was demanded. Mr. Warfield declined to pay back the money, claiming that the plaintiffs had no right to rely upon Hess' statement.

In a second case—of H. N. Trimble against Mr. Warfield, personally, the two cases being tried together—the jury awarded the plaintiff a verdict for $3,800, without interest.

In this case, in consequence of the proposed sale of the Chester River Steamboat Company, Mr. Trimble alleged that he had spent over $5,000 in forming a corporation to be operated in connection with the steamboat company, and sued to recover the money so expended.

Attorneys John P. Poe & Sons represented the plaintiffs, and Attorneys William L. Marbury and Frank Gosnell appeared for the respondents.

Resolutions of Respect.

WHEREAS, On May 3d, 1904, at the age of 37 years, our Heavenly Father has seen fit to remove from our midst DENNIS J. McCAULEY, an honored, faithful citizen, kind and affectionate father and a worthy brother of our order,

Resolved, That while we bow in meek submission to Him who rules the universe and controls the destiny of man, we at the same time would express our deep sorrow for the absence in our midst of our departed brother and hope to meet him again at the roll call in those realms where there are no sad partings,

Resolved, That as a member and an officer of the Improved Order of Heptasophs Brother McCauley was faithful and true to the principles of our order, ever active to promote the welfare of our conclave, and his calm voice and cheerful counsel often given at our meetings proved that he fully represented in his qualities the motto of our order, Fraternity, Truth and Wisdom.

Resolved, That we extend to his bereaved wife and children, parents, sisters and brothers our sincere sympathy and regard for the grief and bereavement caused by the parting from him who is missed by all who knew him.

Resolved, That our charter be draped in mourning for some time and that these resolutions of respect and sympathy be made public through the county papers.
