Important News for Anyone

The time has come that every person should know how to take care of their eyes and not to buy glasses from peddlers or so-called traveling Opticians who have no right to ruin people's eyes.

To prevent this I will advise you not to wait until some peddler will come around to sell you a pair of glasses. You will do justice to your eyes by coming to Chestertown to have your EYES TESTED and GLASSES fitted to the eyes and not the eyes to the glasses.

Respectfully,
A. LEVINE.

NOTICE TO HOLDERS OF BURIAL LOTS IN CHESTER CEMETERY.

The Chester Cemetery Company by recent action of its Board is now prepared to enter into a contract with its lot owners to keep their lots in first-class order perpetually. This guarantees the owner that his lot will be taken care of, not only after his death but even after the death of all the family.

There is no sadder sight in a cemetery than to see the lot of a one time prosperous owner in weeds, briars, overgrowth, bushes, &c., and for reason that the family have either all died, removed or else forgotten their duty to the remains of their ancestor.

Those who secure a contract as above will have no apprehensions of this fate to their lots. For terms apply to
