LOCAL MATTERS.

Almshouse Officials.—At a meeting of the board of almshouse trustees held on Wednesday the present efficient Superintendent, Mr. Wm. Ford, was reappointed for another year. Dr. Charles W. Whaland was appointed physician to the institution.

To Repair the Cable.—Capt. E. Ney Dodson, with a force of hands and machinery, left St. Michaels Thursday morning for Kent Island to overhaul the submarine cable of the Diamond State Telephone company's line which connects the Eastern and Western shores. It is said that the cable which contains 10 wires has been in use two years without repairs and that but two of the wires have been working satisfactorily. A steam tug and lighter is being used for the work. The length of the cable is over 10 miles, and the company proposes to put it in first class shape.

Constable Gill Makes an Arrest.—The firing of a pistol on the public streets of Chestertown created some excitement on Sunday evening about 7.30 o'clock. Upon investigation it was found to be constable Charles Gill arresting William Johnson on the charge of assaulting Mary Neal. The constable found Johnson at the entrance to the alley way between the Canning & Mercantile Co.'s store and Mrs. S. F. Smith's residence. He attempted to read the writ to him whereupon Johnson began to run. The constable fired a shot into the air to stop him. He was caught by a colored man, and the constable lodged him in jail. He was given a hearing before Police Justice Hicks, but was released for want of evidence.

Stable and Contents Burned.—Fire destroyed the large stable on the farm of Mr. George W. Hatcherson, near Hynson's Chapel, about midnight Friday night. The origin of the fire is unknown. All the occupants of the house had retired and no one had been near the stable since eight o'clock in the evening. It was first discovered by the colored cook who awoke Mr. Parsons, the tenant, and sounded the alarm by ringing the farm bell. Before anyone reached the scene the building was doomed. The stable, together with 30 tons of valuable hay, one horse, a reaper, one farm wagon and several sets of plow harness, was destroyed, entailing a loss of about $1300. There is an insurance of about $800 on the stable and contents. Mr. Hatcherson will not rebuild before the spring.

Bedworth, Jr., Wins Again.—Bedworth, Jr., the great Maryland pacer, is doing most excellent work this season. He is being driven in a masterly manner by his owner, Mr. Wm. A. Bell, and is showing even greater speed this season than last. His race at the Gentlemen's Driving Park last week was the greatest horse race seen in Maryland in years. If ever the friends of the horse doubted the ability of Mr. Bell to drive him, those doubts were dispelled Thursday of last week when the great son of Bedworth took the free for all race in straight heats in 2.08¾, 2.09½ and 2.11. This week at Wheeling, W. Va., Bedworth again demonstrated his ability to win by taking the free for all in that city. The fastest time was 2.10¼. It is likely that Bedworth will be sent to break his record of 2.06½ over a mile track before the season is over.

Valuable Horse Dead.—The valuable heavy draft horse belonging to Mr. Robert G. Nicholson, and which had been used to draw the Nicholson Ice plant wagon in delevery, was killed on Tuesday in rather a singular manner. The horse had been stabled for the noon feed, and his driver had left for his dinner. When he returned to the stable about two o'clock he found the horse suffering from a deep gash in the abdomen and its intestines protruding. The proprietor, Mr. Nicholson, was immediately telephoned for, and hurried to the scene. Dr. H. B. Simmons was called but he found that the animal was beyond recovery. Mr. Lusby Nicholson found that shortly after being placed in the stable, the horse rolled on a broken yeast powder bottle, the point of which penetrated the inner lining of the horse's stomach, and that death was the result of internal hemorrhage. Mr. Nicholson valued the animal at $150, and at that price he will be hard to replace as he had been trained for the work of delivering ice. The carcass was skinned and the hide was sold by Sir Walter Rawleigh.

*†*Postal clerk F. P. Hummer has rented Miss Maude Kemp's pretty little cottage on Washington avenue for next year. Miss Kemp and her mother will occupy the residence where the Misses Reed now reside.

*†*During Thursday of the fair last week some one went to the Tolchester stables and called for team No. 66. This was the team belonging to Messrs. Foster Cannon and Wm. Malin, and was hired from Mr. Robert McWhorter. The team was found the next morning hitched to a fence in front of a colored man's house at Goose Hill in good condition. Messrs. Cannon and Malin were brought to Chestertown by friends.

Frank Hines dressed the wound.

*†*The Tolchester company closed a successful season on Wednesday. *†*Some little excitement was occasioned on the streets of Chestertown on Saturday afternoon about four o'clock by a fractious horse. The animal attempted to get away from its owner, Mrs. Benton, of Queen Anne's, but she displayed such rare horsewomanship and courage that the animal could do nothing but whirl the carriage around a circle. It was only due to Mrs. Benton's pluck and courage that a more serious accident than the breaking of a few spokes was averted. Mr. Charles Smith very gallantly stopped the horse just as it was about to run into a carriage hitched in front of his store. Miss Benton was not injured and very little frightened.

OBITUARY.

MRS. ESTER A. DIEHL.

Mrs. Ester A. Diehl, widow of the late Theodore Diehl, died at the residence of her sister, Mrs. Samuel Vannort, on Tuesday morning at three o'clock after a lingering illness of a complication of diseases, aged 67 years. The deceased was a member of one of the oldest and most prominent families in Kent county, having been the daughter of the late Joseph and Sarah Usilton, who during their life time, were among the most prominent families in Worton. She was the sister of the late Lewin Usilton, also a prominent resident of Worton during his life time, and those of her relatives who are living to-day are prominent in the social, religious and agricultural life of that section of the connty. The deceased up until a few years ago had resided on her farm, Rock Point, in Worton, but after the death of her husband, she had made her home with her daughter at Edesville and relatives in Chestertown. The deceased, though not a member of the church, had bourn the burdens and cares of life with the fortitude of a christian woman, and while the years came and went, bringing with them their cares, their troubles, and their sorrows, yet when she came to lay down life's cross, she passed away so peacefully as to make it manifest to all of her loved ones who had labored so faithfully to smoothe her pathway to the great unknown, that she had gone to take up Heaven's Crown. She is survived by one daughter—Mrs. Dora Fields, of Edesville. She leaves two sisters, Mrs. Samual Vannort and Mrs. Josiah Lusby, besides a number of nieces and nephews. Funeral services were held on Thursday afternoon at 2.30 o'clock from the residence of her sister, Mrs. Samuel Vannort, on High street, Rev. J. M. Sheridan, pastor of St. James M. P. Church, officiating. Interment was made in Chester cemetery. The pallbearers were: Messrs. Joseph, Jefferson and Jesse Usilton, Robert G. Nicholson. Walter U. Lusby and Harry C. Willis. Undertaker John N. Dodd had charge of the funeral arrangements. The floral tributes were profuse and beautiful.

MR. JAMES O. HARRISON.

Mr. J. O. Harrison, of Allen's Lane, Rock Hall, who has been a great sufferer for the past two months with an abcess on the brain, died on Friday morning. The funeral services were conducted at his late home on Sunday afternoon by Rev. Warren Burr, interment at Wesley Chapel cemetery. The deceased was a member of Maxwell Lodge No. 27, I. O. O. F., and a goodly number of the lodge attended the funeral. The deceased was nearing his 53rd birthday, and leaves five grown children, four boys and one girl.

MRS. MOLLIE BLACKISTON.

Mrs. Mollie Blackiston, widow of the late James E. Blackiston, of Rock Hall, died at her late residence in that town on Saturday morning last, of pulmonary trouble, aged 44 years. The deceased had been a patient sufferer for the past three years but the destruction of her home by fire six weeks ago, when she had to be removed from the home on a bed is supposed to have hastened her death. The deceased was the daughter of ex-Judge Thomas A. Hudson and sister of town officer Wm. J. Hudson. She leaves four children—two sons and two daughters. Funeral services were held in Wesley Chapel M. P. Church on Monday morning at eleven o'clock; interment in the cemetery adjoining, Rev. J. W. Parris, officiating.

MRS. ANNE LOUISE GORDON STIMPSON.

Mrs. Anne Louise Gordon Stimpson, widow of the late William Stimpson, died on Tuesday in Baltimore, aged 69 years. She was the daughter of the late James Frisby Gordon and Sara Maria Tate Gorden, of the White House farm, near town, formerly the property of Mrs. Wm. S. Walker, now in the possession of the deceased's son, Hebert Biard Stimpson, Esq., of the Baltimore bar, and tenanted by Mr. Frank H. Greenwood. The deceased was of most distinguished ancestry and was related to some of the most prominent Colonial families of early Maryland. Her husband, the late William Stimpson, was a member of the National Academy of Sciences, and was one of the most distinguished naturalists of his time. He died in 1872. Two sons survive—Dr. Wm. Gordon Stimpson, U. S. Marine Hospital Service, and Herbert Baird Stimpson, Esq., of Baltimore, at present owner of the White House homestead and the author of the popular novel—"A Tory Maid."

The infant child of Mr. and Mrs. Thomas Harrison, of Allen's Lane, Rock Hall, died on Sunday morning and was buried in Wesley Chapel cemetery on Monday afternoon.

MR. LUTHER J. COX.

Mr. Luther J. Cox, one of the most prominent members of the Methodist Protestant Church in Maryland, died at his home in Baltimore this week. The deceased was well known in Kent county as well as throughout the Eastern Shore, and his death is a severe loss to the denomination.

MR. LUFF SPRY.

The funeral services over the remains of Mr. Luff Spry, whose sad death was reported last week, were held on Thursday of last week in Rehoboth M. E. church; interment in the cemetery at Odessa, Del. The deceased was a young man 35 years old, and his sad death is a great shock to the town of Sassafras, where he was very popular.

WILLIAM JARRELL.

The funeral services of William, the 9 months old son of Mr. and Mrs. Frank Jarrall, were held at the home of his parents on Saturday morning last. Interment was made in Chester cemetery.

MRS. HARRIET DAVIS.

Mrs Harriet Davis, widow of the late Washington Davis, died in Rock Hall on Wednesday, aged about 75 years. The deceased was a sister of Capt. Samuel Copper, watchman on the steamer Emma A. Ford and was related to ex-Sheriff John C. Davis, Mrs. C. J. Reiche and Mrs. Wm. J. Hudson, of Chestertown. There are also other relatives in Rock Hall. Funeral services were held yesterday afternoon, conducted by Rev. Warren Burr. Interment was made in Wesley Chapel cemetery.

PARKER AND DAVIS LEAGUE.

Ex-Governor Frank Brown, his son, Frank Brown, Jr., together with Mr. Bowerman, his secretary and ex-Senator Beaseman, of Carroll county, all visited Chestertown this week. State Senator Garrett Foxwell and a number of gentlemen of the town, Richard D. Hynson, Lewin W. Wickes, Hope H. Barroll, and Marion deK. Smith, Esqs., Dr. W. F. Hines and Messrs. Geo. D. Lofland, Fred G. Usilton, Edward Robinson, Chas L. Dodd, James T. Dixon and R. H. Collins met them and talked over the situation. The Governor expressed much pleasure that so many clubs had already been organized in the county and stated that they would do the exact sort of work contemplated by him.

He was told that the State Central Committee had been instructed by Mr. Murray Vandiver, Chairman of the Democratic State Central Committee, to form these clubs and they would work in entire harmony with his proposed State League, and our District League organization would not be disbanded but continued as heretofore. All good democrats are invited to join the clubs in the several districts.

Mr. Adam F. Huey, chairman of the Democratic State Central Committee, has now issued a call for the names of the officers of each District League and the enrolled members so that the complete organization throughout the county may work harmoniously as a whole. In the Chestertown district Mr. Wm. M. Culp is president, the other officers having been heretofore mentioned. In the Second district Wm. T. Hague is president with the officers announced in this paper heretofore.

In the Fifth district the following officers compose the club: E. E. Leary, president, J. D. Ayres, secretary, Elwood Burgress, treasurer, and the following named gentlemen were selected as vice-presidents: C. H. Davis, Jos. Judefind, Chas. Smith, W. K. Ayres, R. B. Willson, Chas. Watkins, John C. Wood, Thos. J. Elborn, Jas. V. Dobbs, Neal B. Willison, T. R. Strong, Vachael Burgess, Frank Collison, John J. Crouch Geo. Walbert, Lawrence Stevens, Jas. D. Kelley, Frank V. Scott, Geo. Kendall, Thos. Conner. About 30 members were enrolled.

A league has also been formed in the First District with following officers: Henry Parr, President and Samuel G. Caldwell, Secty, vice-presidents: Dr. E. G. Clark, Messrs. S. J. Johnson, J. E. Hurlock, W. T. Loper, Wm. Comegys, John F. Connor, Wm. Jones, A. H. Malsburger, James Quinn, H. C. Powell, James Matthews, John M. Connor, Sam'l Todd, Wm. A. Hyland, Jas. W. Mulford, M. S. Ford, Benj. P. Waters, Edw. Waters, John N. Vansant, C. F. Lehman, Sr., Wm. Steel, L. C. Hayes, James Thompson, Chas. E. Lane, Richard Wallis, A. F. Huey, John A. Walls, Henry Rosin, John D. Brice, Victor Stradley, F. P. Cochran, Thos. C. Roe, Walter McIntyre, S. Harry Todd, J. F. M. Woodall, J. F. Wilson, Nat. Scotten, Harry Griffith, James Merritt, Frank Sylvester, John T. Quinn, Gove Everett, E. King, E. E. Woodall, James Donohoe, Thos. J. Dunn, E. Thos. Massey, Wm. Stradley, R. T. Cochran, Michael Burns, Dr. W. J. Latimer, Walter M. Spry.

Efforts have already been made to secure a grand Democatic Rally in Chestertwon Tuesday Oct. 18, when eminent speakers will be present, and it is hoped by that time we can demonstrate that the District Leagues are doing the best possible work for the success of the ticket. Meanwhile committees are convassing each district and the promises are that this fall the majority in Kent will be as large as it was for Governor Warfield. Those who have already been enrolled as members of the district clubs or leagues amount to over 600 people, and there is every indication that we will have a live and wide-awake election.

The whole affair, as in all State and Federal Elections, will be under the supervision of the Democatic State Central Committee, Messrs. Adam F. Huey, chairman, John M. Comegys and Samuel J. Wickes, who are now, and have for the past month been greatly interested in the formation and working of these various district organizations.

BEAUTIFUL WOMEN WHO USE PE-RU-NA.

HEALTHY WOMEN

Praise Pe-ru-na as a Cure and Preventative of Catarrhal Disorders.

Miss Elizabeth Uber, No. 67 Bassett street, Albany, N. Y., writes:

"I have always dreaded the fall and winter because of my extreme liability to catch cold, when catarrhal trouble would quickly develop through my entire system which it would take weeks to drive away. I am thankful to say that since I have taken Peruna, I do not have any reason to dread this any more. Last fall when I suffered with my old trouble I took Peruna and in nine days was completely cured and since that time, if I have been at all exposed to the damp, wet or cold weather, I take a dose or two of Peruna and it throws out any hint of sickness from my system. I gladly indorse it."—Miss Elizabeth Uber.

Mrs. Wm. Dewey, Saranac Lake, N. Y., is second cousin of Admiral Dewey. In a recent letter she says:

"Peruna is the most valuable of any remedy that I have ever used for coughs, colds, etc. I cheerfully recommend it as a certain cure if used according to directions."—Mrs. Wm. Dewey.

Miss Rosa Gerbing, a popular society woman of Crown Point, Ind., writes:

"Last winter I took a long drive in the country, and being too thingly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did for it brought speedy relief. It only took two bottles and I consider this money well spent.

"You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rosa Gerbing.

To neglect a cold is to invite chronic catarrh. As soon as anyone discovers the first symptoms of catching cold he should at once begin the use of Peruna according to directions on the bottle, and the cold is sure to pass away without leaving any bad effects.

Unless this is done the cold is almost sure to end in the second stage of catarrh which is making so many lives miserable. If Peruna was taken every time one has a cold or cough chronic catarrh would be practically an unknown disease.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Extravagance and Deficit.

The government deficit of $24,000,000 for July and August, against $1,000,000 loss last year, is due in part to a decrease in revenue of $7,000,000, in part to an increase in expenditure of $16,000,000.

Greater expenditure is due in the main to an increase from 1903 in only two months of nearly $6,700,000 for the War Department and $7,000,000 for the Navy. Yet even last year we were spending for these warlike purposes $118,000,000 more than we did in 1897.

The only possible means of restoring cash to the depleted Treasury—the Treasury so recently overflowing—is to sell new bonds or to increase taxation or to cut down expenditures, and especially our mounting military costs.

The last named is the method of business common sense. It is idle to expect its application by the present administration, military-mad, crazed by the obsession of the Big Stick.

Wanted Her Undershirt.

A colored woman, named Emma Gibbs, was buried about a month ago in an old grave yard near Denton, Caroline county, and the corpse was prepared for burial by putting on the undershirt of Elberta Easton, a friend and acquaintance, also colored. A few weeks after the burial Elberta was haunted with the fear that unless she recovered her underwear, she would soon follow her friend to the place of departed spirits. Her fears was so great that sleep deserted her. Her trusted friends, John Bell and Joseph Bantum, were consulted and they advised disinterment and the recovery of the shirt. One night last week they, in company with Elberta, went to the grave yard, took up the dead woman and exchanged the underwear for another. All three are now in Denton jail for grave robbing.
