"IF"

"If" is most commonly the word of the doubter—and, too. the excuse of the shiftless.

"If you can prove it to me"—says the one.

"If such-and-such had gone as I expected it to"—says the other.

The Duke of Wellington saw a very different "if" before Waterloo—"If I can fight hard enough and long enough I can vanquish Napoleon." And Napoleon was vanquished.

General George Washington, after a repulse by the British said to his troops—"If we can cross the Delaware to Trenton in the night, and surprise them sleeping, we can conquer them." And the British were conquered, a few after.steps leading to American independence.

Do you trade at Baltimore's Best Store?

There isn't a single "if" to prevent you.

There are many "ifs" that should impel you to trade here.

If you do, you will always get fashionable, reliable things—the kind that satisfy all the way along from the time they're bought until they naturally wear out.

If you do, you will save money—no store anywhere sells merchandise of equal merit as cheaply as we do.

If you do, and you should happen to feel that anything you have bought does not just suit your purpose—your money back without argument.

Baltimore's Best Store is always Baltimore's Best Store.

The McCall Bazar of Fashions mailed free every month on request. Samples of Silks, Dress Goods, Wash Fabrics and so on will be cheerfully sent if you will write for them.

MILLINGTON MATTERS.

Holy Communion will be administered in Trinity M. E. Church (South) by the rector, Rev. Albert Ware, next Sunday morning at 10.30.

Several houses are under way in the burnt district of the town. Mr. Samuel Cole, Jr., has his house up and is rapidly nearing completion. Mr. Clark, Mrs. Comegys Clough, Mr. R. Poor and Mr. W. J. Porter are all finishing their houses, and will soon be comfortably located in their new homes. Mr. F. S. Bottomley is erecting a large store on the lot he purchased from Mr. Loper, where the old shop stood, and will soon move in the new building.

The severe wind and rain storm of Wednesday night was the worst which has passed over the county for some time, and did considerable damage. The new house which was being built at Unicorn Mills, and which was nearly completed, was blown from its foundation and carried three feet. The chimneys were up to the square, and the house would soon have been ready for occupancy. The contractor, Mr. Emmerson, of Crumpton, says he can put it all right again, but cannot get it on its own foundation, as the chimneys are blown down and the cellars blown in. The house was to be occupied by the head weaver at the mill, and Mr. Holden, the manager at the store. Several trees were uprooted, and large limbs were lying in every direction in the streets here. The storm started about midnight with a high northeast wind, which blew at a terrific gale, and the rain poured in torrents. The storm lasted until about four o'clock in the morning. The telephone wires were crossed, a very large tree was blown over near the race bridge, almost making the road impassable.

Mrs. Mollie Spear and daughters, Misses Mabel and Pauline, left here on Tuesday afternoon for the West. They expect to reside there permanently, as Mrs. Spear will make her home with her son, Harry, who has a ranch near Denver, Colorado. They expect to reach their destination Sunday evening as they are going to stop over at St. Louis one day and visit the World's Fair.

Misses Ruby and Clara Ahern started for Westminister on Thursday, where they are enrolled as students at Western Maryland College. This is Miss Ruby's second year and Miss Clara's first year. Their mother accompanied them to the school.

Miss Elva Reese received the scholarship to the State Normal School in Baltimore and started Monday to enter upon her studies at the opening session.

Miss Julia M. Johnson has received the scholarship to the Normal School at Frostburg, Md., and will enter upon her studies at once. The school opened last Monday. Her mother, Mrs. Jennie Johnson, will accompany her to the school this week.

Miss Evelyn Rolph is enrolled as a student at Washington College and will begin her studies at the opening session.

M. A. C., of Baltimore, cancelled the game of base ball with Betterton, that was to have been played on Wednesday at Oriole Park, Baltimore, consequently Betterton has played its last game of the season. Much credit is due all of the players, as they all worked hard to maintain the second year's success of the team.

Miss Gertrude Emerson has been visiting friends in Philadelphia.

Never before in the history of our bay side resort has such a storm swept over it, and so much damaged done as on Wednesday night. The fishing boats were washed ashore, also launches and rowing boats and tossed to splinters against the logs on the shore. The damage is estimated by some of the oldest fishermen to be about $2,000. Among the heaviest losers were Messrs. Earl Wilmer, Fountain Crew, George Jess and many others.

THEY PREDICT $2 WHEAT.

Chicago Bulls Claim High Prices Before May.

"Wheat at $2 a bushel before next May" was roared by the bulls on Monday on the Chicago Board of Trade.

At the opening of the market there was an excited demand for wheat, with few traders venturing to sell. The price for May delivery was $1.11½ to $1.12 and for delivery for the present month $1.07⅞ to $1.08. Those who wished to buy shouted bids of 2 cents a bushel above the prices prevailing at the close of the market Saturday and the quantity that anyone would sell even at such a tempting advance was extremely limited. The Agricultural Department at Washington through information furnished by its army of crop reporters scattered throughout every wheat-growing-county in the country, issued a report Saturday afternoon that, according to the bulls, confirmed the worst fears regarding the lamentable loss to the spring wheat crop by the black rust.

Of winter and spring wheat produced this year in the United States it was contended there is barely enough for bread and seed if every bushel of it were available, which is not possible, and the country is therefore face to face with the necessity of bringing in foreign wheat to help keep the wolf from the door till another harvest shall have been reached.

Closing figures on May were $1.14⅝; September closed at $1.09¾ and December at $1.12⅝. Here is a chance for speculation.

KENNEDYVILLE W. C. T. U. NOTES.

The Kennedyville W. C. T. U. held its meeting for Sept., Friday evening of last week, the 9th inst. in the M. P. Church, with Mrs. Annie Shafer Redmile at the organ. The meeting opened with singing: "Let a little Sunshine in," followed with prayer by Mrs. Jarrell, and a very appropriate scripture reading by Mrs. M. J. H. Othoson from Proverbs. Singing "Deeper Yet." In commemoration of Mrs. Willards birth day, the program prepared by Mrs. Helen G. Price was used. Miss Helen Copper read "The Harvest Home" which was followed by a recitation by Hartly Weer "Welcome." Quotations from Miss Willard were asked for and very appropriate remarks relating to the birth day of Miss Willard and why we celebrate it, were made by the president Mrs. Shafer. A welcome by Miss Emma Shafer and an earnest appeal for new members by the president after which the following delegates were elected to attend the county convention to be held in Chestertown, Sept. 22nd. Mrs. Emma Jarrell, Mrs. M. J. H. Othoson, Mrs. Ella Hill, Mrs. Annie S. Redmile, Mrs. M. E. Bryan. The alternates were Miss Ellen Copper, Mrs. Etta Lane, Mrs. Wm. Garey, Mrs. Maggie Faulkner and Miss May Hurlock. Appropriate remarks relating to the convention were made by the president. It was thought best to elect delegates to the State Convention to be held in Centreville, Oct. 18, 19, 20 and Mrs. Amanda Fogwell, Mrs. Charles Hill, Mrs. Minta Weer, with Mrs. Atwell, Mrs. Rachell Hill and Mrs. W. R. Hurlock, as alternates were elected. Announcement of the proceeds of lawn fete held in Aug. was made and other business attended to, and an exceptionally interesting meeting closed, to meet the first Friday in Oct. by singing "Anywhere with Jesus."

HOPPS AND HOLLAND.

To Face the Grand and Possibly a Trial Jury.

It is generally understood and accepted that Hopps and Holland, the colored men detained in Elkton jail since the day following the shooting of the late Albert Constable, will be presented to the coming grand jury. It is possible that they may be indicted on the presumptive case that can be made out against them. The two men, with Holland's mother, wife, daughter and son, were put through a rigid examination on Friday afternoon of last week by State's Attorney Squier, former State's Attorneys A. L. Crothers and W. S. Evans, W. T. Warburton, Joshua Clayton and Albert Constable. The lawyers decline to state what was elicited, if anything, from the examination tending to cast light upon the murder of Mr. Constable, which has baffled the talent. All that can be said is that Hopps and Holland will face the grand and perhaps a trial jury.

*†*A directory issued in Honolulu contains what is believed to be the longest name appearing in any such publication. It is that of Miss Annie K. Keohoanaakalalainhuekaweloaikanaka, which means substantially "Jack and the beanstalk." Pauline Nabuchonozowiczowna, a resident of Milwaukee, is probably champion of America, though Salvatore Schilianoditonnariello of Providence, R. I., and Bernard G. Ahrenhoersterbaeumer of St. Louis may be regarded as entitled to honorable mention.
