LOCAL MATTERS.

CARD OF THANKS.

I take this opportunity to thank my neighbors and friends and the public generally, for the valuable assistance which they gave me during the fire which destroyed my home on the Hurlock farm near Melitota. Their efforts no doubt saved surrounding property from destruction, and their sympathy since the fire has been such as to lighten the burden of the inconvenience which the fire has caused. For all of these kindnesses myself and family are deeply grateful.

Respectfully,
SAMUEL G. LEE.

Fine Corn from Kent.—A sample of fine white corn was exhibited on the floor of the Chamber of Commerce, Baltimore, on Tuesday, by Mr. Andrew W. Woodall. It was taken from a large field on the farm of his father, Captain Andrew Woodall, near Galena, and was in good condition. The ears measured from 12 to 13½ inches in length and were filled out to the end with large and well developed grains. The seed for the corn was given to Capt. Woodall by Mr. James E. Tyson, who died recently.

The Massey Sale.—The sale of the personal property of the late C. H. B. Massey on Thursday was attended by a great crowd of peopie, and prices were generally good. The 18 horses and colts sold for a little more than $2,300. Adversity, the fine racing stallion, was purchased by Mr. H. P. Skipper, for $605. Adversity is regarded as one of the finest horses on the peninsula and is the sire of some very promising colts. The cattle and implements sold well and the total receipts of the sale will amount to between $3,500 and $4,000.

Bedworth, Jr., to Have a Rival.—The Easton Ledger on Thursday contained the following interesting article: Messrs. Arlington Sparks, of Chestertown, and James W. Walls, of Crumpton, have purchased jointly what is said to be one of the fastest pacers on the peninsula. The animal, whose name, pedigree and record they do not care to divulge as yet, was purchased last week at the Wilmington Horse Show. The horse is a dark chestnut, 16 hands high. And so Bedworth, Jr., is to have a rival, hey? Well, if Mr. Sparks is as good a judge of horse flesh as he is of dress goods, this pacer of which he is part owner will give some of the racers a good dressing next spring.

A Queer Hallowe'en Prank.—Middletown, Del., people are up in arms regarding depredations to young trees in that town by miscreants on Hallowe'en night. Every one of the trees as far out as Forrest Cemetery were cut down and broken off. The trees were just beginning to be of sufficient size to be of some use as shade trees and the progressive town people were looking upon them with pride. The town council has offered $25 for the arrest and conviction of the persons and every one who has the best interest of the town at heart feels the matter deeply. Several parties, who have received heavy fines for misdemeanors are under suspicion, and if a case is lodged against them they will be dealt with vigorously.

Retired From Duty.—Mr. W. J. Tolson, section foreman of subdivision No. 18, of the Delaware railroad, has been retired on part pay from active service by the Pennsylvania company, having reached the age limit, 70 years. Mr. Tolson has been foreman of the section running through Millington for 35 years, and has stood at his post in all kinds of weather. He has removed with his family near Sudlersville, where he will reside for the present with his son-in-law, Mr. E. Stevens. Mr. Tolson's home was burned during the fire, and since then he has been living in a car on a switch near the station. He will be succeeded by Mr. A. A. Lockerman, of Blackbird, Del.

New Company Officers.—A meeting of the directors of the Chester River Steamboat Company was held on Tuesday at the company's office, Pier 7 Light street wharf, and the resignations of the president, Mr. George Warfield, and of Gen. F. C. Latrobe and Col. Sherlock Swann were accepted. Capt. Willard Thomson, vice-president and general manager of the B. C. & A. Railway Company, and Mr. W. L. Rothstein, auditor of that company, were elected directors to fill the vacancies. Captain Thomson was also elected president to succeed Mr. Warfield, who had filled the office since 1879, and Mr. Rothstein was named as treasurer. Mr. Edw. P. Hill was made secretary. The Pennsylvania Railroad Company will dominate the new corporation.

WEDDING BELLS.

A beautiful wedding took place in Middletown M. E. Church on Tuesday, when Miss Myrtle Berry, of Middletown, became the bride of Mr. Wm. B. Wilson, of St. Augustine, Cecil county. The ceremony was performed by Rev. C. T. Wyatt, of Middletown, and Miss Lena H. Pleasanton rendered the wedding march. The church was beautifully decorated with potted plants and chrysanthemums. During the ceremony the bride and groom stood under a beautiful arch of evergreens. The bride was dressed in a handsome traveling gown of brown broadcloth, with hat and gloves to match, and carried chrysanthemums. The ushers were Messrs. George F. Wilson, G. Lindsay Cochran, William Berry and Julian Jones. Mr. and Mrs. Wilson left on the 4.16 train for a Northern wedding tour. They will also attend the St. Louis Exposition. Among those present from Kent were Mr. and Mrs. John P. Wilson, of Sassafras, Mrs. Edward D. Hearne and son, of Georgetown, Mr. and Mrs. Julian Jones and Miss Hill, of Kennedyville.

*†*The gunning season opened on Tuesday and the gunners were out in full force. Some of the first day's scores were: Auctioneer John H. Greenwood and party of two bagged 23 rabbits; J. E. Ferguson and party, 10; Bayard Vansant and party, half day, 8. Messrs. C. L. Dood and S. Q. Moody got four on Wednesday, and Messrs. Edward Robinson and Harry Bennett bagged 17 rabbits and 5 partridges on Thursday.

*†*A fine driving horse belonging to Mr. James T. DeCorse, of Pomona, was found in the pasture field on Tuesday morning last with a gun shot wound in its thigh. It is not known whether it was a first day gunning accident, or whether it was intentional. The horse died from the effects of the wound on Thursday.

*†*The second football team of Washington college was defeated last Saturday by the Baltimore City College team in one of the best games of the season. The score at the end of the game was 5 to 0, but it should have been a tie, as Capt. Rasin, of the W. C. team, made a touchdown in the first half that was not allowed by the Baltimore city umpire.

*†*A thick fog settled over the land and water Thursday afternoon and evening, and shipping and travel was very much hampered. The Emma Ford was compelled to remain at Bogle's until early Friday morning, when she proceeded to Chestertown, discharged her freight and passengers and left on her regular trip to Baltimore at 8.15 o'clock. Quite a number of passengers were on board, and though compelled to spend the night on the steamer they were well cared for by the officers.

A STRONG, VIGOROUS MAN

Is Liable to Break Down—Pe-ru-na is Sure to Restore.

Hon. Frank Dunn, Alderman Twenty-Fourth District, writes from 232 East Fifty-Eighth Street, New York City:
The Peruna Medicine Co., Columbus, O.:

Gentlemen: "There is no remedy for a broken-down system that I know of which will so effectually restore health as Peruna.

"Whenever I am overworked or suffer from the consequences of a cold a few doses of Peruna builds me up again more quickly than anything I ever tried. I find it especially valuable for catarrh. Three bottles cured me three years ago of catarrh of the stomach and I have never had the least symptoms of it since."

Very truly,
FRANK DUNN, Alderman 24th Dist., N. Y. City.

A TONIC is a medicine that gives tone to some part of the system. There are different kinds of tonics, but the tonic most needed in this country, where catarrh is so prevalent, is a tonic that operates on the mucous membranes.

Peruna is a tonic to the mucous membranes of the whole body. It gives tone to the capillary circulation which constitutes these delicate membranes.

Peruna is a specific in its operation upon the mucous membrane. It is a tonic that strikes at the root of all catarrhal affections. It gives tone to the minute blood vessels and the terminal nerve fibres. Catarrh cannot exist long where Peruna is used intelligently. Peruna seeks out catarrh in all the hidden parts of the body.

Paul Landrum writing from Atlanta, Ga., says:

"In January last I began the use of your Peruna and Manalin for what was termed organic heart trouble. At that time I could scarcely walk to my place of business without stopping to rest and on arrival felt completely exhausted. Had severe pains in my heart and general dizziness. After using the first bottle of Peruna I began to improve and today I feel that I am a sound man and I work fourteen hours a day without any bad feeling."—Paul Landrum.

A. M. Ikerd, an employee of the C. B. & Q. R. R., West Burlington, Ia., writes:

"I had catarrh of the stomach and small intestines for a number of years. I went to a number of doctors and got no relief. Finally one of my doctors sent me to Chicago and I met the same fate. They said they could do nothing for me, that I had cancer of the stomach and there was no cure. I almost thought the same, for my breath was something awful. I could hardly stand it, it was so offensive. I could not eat anything without great misery, and I gradually grew worse.

"Finally I got one of your books, and concluded I would try Peruna, and thank God, I found a relief and a cure for that dreadful disease. I took five bottles of Peruna and two of Manalin, and I now feel like a new man. There is nothing better than Peruna, and I keep a bottle in my house all the time."—A. M. Ikerd.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
