Important News for Anyone.

The time has come that every person should know how to take care of their eyes and not to buy glasses from peddlers or so-called traveling Opticians who have no right to ruin people's eyes.

To prevent this I will advise you not to wait until some peddler will come around to sell you a pair of glasses. You will do justice to your eyes by coming to Chestertown to have your EYES TESTED and GLASSES fitted to the eyes and not the eyes to the glasses.

Respectfully,
A. LEVINE.

ROOSEVELT AND FAIRBANKS.

Republican Landslide in the Country—Largest Electoral Vote in the History of the United States.

EVERY DOUBTFUL STATE IN THE REPUBLICAN COLUMN.

The Entire Government of the Country in the Hands of the Republicans.

Kent County the Silver Lining to the Dark Cloud.

MARYLAND DEMOCRATIC BY SMALL MAJORITY.

Parker's Plurality in the State 124.

It's all Roosevelt and Fairbanks except Kent county and the Eastern Shore. After one of the quietest campaigns in the history of the country, wherein the issues supported by both parties have been thoroughly discussed by the ablest speakers of the country, the people have registered a verdict in favor of the Republican candidates, and have placed the entire machinery of the government in their hands for practically four years. To say the least of the outcome of the election, the Democratic party was handicapped by the lack of funds which unfortunately play such an important part in elections, and the machinery of the administration was in the hands of the enemy. We do not believe that there was anything about the personality of the Democratic candidate, Judge Parker, that contributed to his defeat, for as the Baltimore *Sun* well expressed it in an editorial on Wednesday, Judge Parker represented the best traditions and best thought of the Democratic party. The verdict of the people, if truly such it has been, is an evidence of the fact that they do not desire a change of administration, and that every principle for which the Republican party stands is pleasing to the vast majority of the voters of the country. Hence Roosevelt and Fairbanks received the largest electoral vote in the history of the country and carried by almost unprecended majorities every doubtful state in the union.

So far as the election in Kent county is concerned, it is the silver lining to the dark cloud and is most gratifying to all those who love good government and fair elections. The day throughout the entire county was exceptionally quiet, but the Democratic party, under excellent leadership and a splendid organization succeeded without much effort, except that which was directed properly, in pulling down a majority for Jackson in the last Congressional fight of 147, and carrying the county by 108 for Parker and Davis, and 62 for Smith over Jackson. This is certainly a victory of which every Democrat may well feel proud, and not withstanding the fact that Kent had been conceded to the Republicans by Gen. Seth and others by majorities ranging from 175 to 250, our good old home county is in the Democratic column and advises Cecil and Talbot to "go and do likewise." The official returns in Kent county are as follows:

Smith's plurality 62.

RESULT IN FIRST CONGRESSIONAL DISTRICT.

The returns from the nine counties comprising the First Congressional District give Smith a plurality over Jackson of 519, according to the following figures:

Counties.	*Smith.*	*Jackson.*
Worcester	1,952	1,471
Somerset	1,569	1,771
Wicomico	2,373	2,295
Dorchester	1,922	2,604
Talbot	1,800	1,973
Queen Anne's	2,171	1,460
Caroline	1,718	1,408
Kent	1,932	1,833
Cecil	2,232	2,245
Totals	17,579	17,060

Smith's majority, 519.

THROUGHOUT THE COUNTRY.

As to the result in the country we are silent. We simply stand in awe of the great majorities rolled up for the Republicans in all the doubtful States, and we let the following figures speak for themselves. Here is the result in the doubtful States:

New York	185,000
New Jersey	50,000
Connecticut	25,000
Indiana	50,000
Wisconsin	60,000
West Virginia	25,000

The electoral vote is as follows:

Roosevelt	343
Parker	133
Majority for Roosevelt	210

In 1900 the electoral vote was as follows:

McKinley	292
Bryan	155
McKinley's majority	137

The plurality of the Popular vote for Roosevelt, it is estimated, will reach the unprecedented figure of 1,625,000.

In 1900 McKinley's plurality of the popular vote was 861,627 and in 1896 it was 593,261.

RESULT IN OTHER STATES.

Joseph W. Folk, Dem., is elected Governor of Missouri by 40,000. Roosevelt's majority is estimated at 20,000.

Wm. L. Douglass, Dem., was elected Governor of Massachusetts by a plurality estimated at 36,000. Roosevelt carried State by 60,000.

Pennsylvania went Republican by 300,000.

Roosevelt and Addicks carried Delaware by 4500. Preston Lea, Rep., is elected Governor and the Legislature will be republican. Addicks may at last be made United States Senator.

Texas gave Parker 200,000 majority.

Ohio went Republican by 140,000.

Berge, fusionist candidate for Governor of Nebraska is elected by about 8,000. The electoral vote will go to Roosevelt. The legislature is republican and Wm. J. Bryan will not go to the United States Senate.

West Virginia will give Roosevelt its electoral vote by 25,000, while Dawson is elected Governor.

Illinois gave Roosevelt 100,000 majority.

Higgins, Rep., is elected Governor of New York by 85,000 majority.

CONGRESS.

The Republicans will have a majority of about 70 in the House of Representatives of the Fifty-ninth Congress.

The Senate will stand: Republicans 56, Democrats 24. A Republican majority of 22. The Republican majority in the present Senate is 24.

RESULT IN THE STATE.

Official returns from the State show that the Democrats have elected three Congressman and the Republicans three. The electoral vote of the State goes to Parker by a small majority. Baltimore city gave Parker 333 majority, a little less than was cast for Mayor McLane. The total vote was: Parker, 108,211 Roosevelt, 108,087, giving Parker a majority of 124. The State, therefore, gives the Democrats a majority of 124.

The First Congressional District is Democratic by 519, and Smith will be our next congressman. Smith's majority over Jackson 519.

In the Second District Congressman Talbott, Dem., is re-elected by an increased majority, carrying all the counties in his district.

In the third district, which comprises the wards of Baltimore city 1 to 8 and and 18th and 22d, Congressman Wachter, Rep., is re-elected over Meyer, Dem., by 2,132 majority.

In the Fourth District, State Senator John Gill, Jr., is elected to Congress by 1,715.

In the Fifth District Congressman Sidney Mudd is re-elected by 1,200 majority.

Pearre, Rep., is re-elected to Congress by the usual majority of about 3,550.

Maryland's representatives in the 59th Congress will be: Democrats—Thos. A. Smith, J. F. C. Talbott and John Gill, Jr. Republicans—Sidney E. Mudd, Frank C. Wachter and George Pearre.

The House by States.

The following is a table of the next House of Representatives, according to the latest returns:

CONGRATULATED BY JUDGE PARKER.

Roosevelt's Reply to Telegram.

Judge Parker conceded the election of President Roosevelt at 8.30 Tuesday evening, when he received a bulletin that the Democratic national headquarters had already admitted that every doubtful state had been carried by the Republican national ticket. He appeared to be not at all cast down by the result, although it is known that he greatly deplored his over-whelming defeat in his own state. He received the discouraging news in his study, where he had been smoking with two of his neighbors. The bulletin from Democratic headquarters concerning Judge Parker's defeat was given to the judge by the Associated Press representative. When asked if he had any statement to make, he pulled a telegraph blank toward him and wrote hastily for a moment. Then he said:

"I am going to send this telegram to President Roosevelt." The message was dispatched at once. It was as follows:

"The President, Washington, D. C.—The people by their votes have emphatically approved your administration, and I congratulate you."

The demeanor of Judge Parker as he heard the bulletins read was of cheerful resignation. He wore the air of one who could say if he would: "I will die game," and die game he did. He discussed the returns with his friends and compared the figures with former years. It might have been some other man's defeat for all the concern he seemed to feel.

At 10 o'clock Judge Parker received as follows: "I thank you for your congratulations."

Judge Parker retired at 11.40 o'clock Tuesday night, declining to make any statement beyond that indicated by his telegram to President Roosevelt.

CHAIRMAN VANDIVER CAN'T EXPLAIN LANDSLIDE.

Didn't Expect Parker Would Be Elected, But Thought He Would Make a Better Showing.

"I can't explain it," said Democratic State Chairman Murray Vandiver at the Eutaw House headquarters Wednesday. "Can you? I don't believe anyone can. Of course, I had but little real expectation that Judge Parker would be elected, but I wasn't prepared for such a landslide. I would have bet every cent I was worth that we would have carried Maryland by 10,000 plurality, and any other Democrat would have bet heavily that we would have carried it conclusively. As it is, the majority will be small, and we may have lost it.

"There is some consolation, though in knowing that we have knocked out the Republican majority of 20,000 in 1900 and gained a Congressman. Our advices are that Mr. Thomas A. Smith has been elected in the First district by a small but safe majority, and this, added to Messrs. Talbott and Gill, makes us break even with the Republicans in this State.

"I suppose when you get down to the bottom of it, the prosperity argument was the hardest thing we had to fight. The people felt that the country was fairly prosperous, and they were unwilling to run the risk of any possible disturbance of business conditions by a change of administration. The counties seem to have held their own very well, except in Western Maryland.

"We'll pick our flints and try again. This headquarters will be kept open right along, doing business at the old stand. We'll be alright in the State fight next year."

Arrested for Illegal Voting.—John Holland, colored, was arrested on Tuesday on the charge of fraudulent voting. About nine o'clock on the morning of election day Holland walked into the polling room of the first precinct of the 4th district and attempted to vote, and was successful. He had been refused registration by the Board of Registrars for the first precinct, and it was contended that he had sufficient knowledge that he was not a legal voter. Constable Charles L. Gill arrested Holland and lodged him in jail. On Wednesday evening he was given a hearing before Police Justice Samuel Hicks and the evidence in the case was of such a character as to warrant the justice in holding Holland for the action of the grand jury at the April term of court. Holland was released on $150 bail furnished by Mr. Wilbur Eliason. Holland was represented at the trial by Sidney P. Townsend, Esq. States Attorney Wm. W. Beck appeared for the State.

Rev. Dr. F. T. Little, President of the Maryland Annual Conference, will pay his official visit to Christ M. P. Church tomorrow (Sunday) evening, and will preach at 7.30 o'clock.
