LOCAL MATTERS.

Thanksgiving Day.—In accordance with custom, Gov. Edwin Warfield has issued his Thanksgiving Day proclamation, setting forth Thursday, November 24th, as a day of thanksgiving and prayer. In his proclamation the Governor says: "The people of Maryland have great cause to be thankful for abundant harvests and for freedom from pestilence, and have been blessed with peace and prosperity."

Great Catch of Seed Oyster.—The State Oyster Commission of New Jersey, having inspected the natural beds of the Delaware Bay, has found the greatest growth of seed oysters ever seen in the history of the industry. For years past the oystermen have been forced to expend thousand of dollars for Chesapeake and Connecticut seed, which have gradually risen in price, while the quantity has as rapidly decreased. This season, providing the winter is not too severe, it is believed that the growers in that section will not be forced to expend a single dollar out side of the State for their seed.

Anything else? Yes, a District Sunday School Association will be organized as a step to the better organization of the whole county.

Now permit us to ask a few questions: Are you a pastor, if so will you not interest your people and be there yourself? Are you a superintendent, if so will you not see that your school is represented and be there yourself? Are you a teacher, if so will you not come and see if we cannot help you to be a better teacher? Are you a parent, if so will you not come and manifest your interest in the work which is being done for poor children?

CHURCH NOTES.

Last Sunday evening Rev. Dr. Gardner, of Millington, preached in Asbury M. E. Church concerning the issues of the election. The sermon was a masterly effort, and for thirty minutes the Dr. held his audience almost spellbound. Every one who heard it says it was the most eloquent appeal for good citizenship ever heard there. Dr. Gardner is an able expositor, a masterly thinker, and a fine orator. His congregations are the largest the church has had for years.

The revival services at St. James are being continued with increasing interest, and the pastor, Rev. J. M. Sheridan, is receiving the co-operation of his people in his effort to save souls.

Last Sunday was "Harvest Home" day at Wesley Chapel, and a splendid service of addresses, recitations and music appropriate to the occasion was rendered. Rev. J. W. Parris, the pastor, is making a success of his pastorate at Wesley Chapel, and is very popular with his people.

A vocal trio by Misses Smith and Crew and Mr. Porter, violin solo by Mr. Kemp Bordley and a selection by the Glee Club of the college were splendidly rendered. The associations of the college are doing an excellent work among the students, and the entire student body was present at the service. The association meetings are held in the chapel of the college every Sunday afternoon at four o'clock, and we understand that the public is cordially welcomed to these services.

A Beautiful Social Event.

The home of Mr. and Mrs. James Brice on Washington avenue was the scene of a very beautiful "Chrysanthemum Tea" on Wednesday evening. The tea was given for the benefit of the Woman's Foreign Missionary Society of the M. E. Church, and aside from a social evening, in which all denominations in the town mingled, the society cleared between $35 and $40. Every detail of the "Tea" was most deftly arranged. The spacious lawn was decorated with numerous Japanese lanterns and the interior of the pretty home was a scene of rare beauty with its decorations of white chrysanthemums and holly, emblematic of the purity and sanctity of the work of this noble society. The guests of the evening were met by a receiving party composed of Mrs. James Brice, Mrs. H. H. Klinefelter, Mrs. Wm. Bradford Copper, Mrs. Joel R. Clements, Mrs. Dr. H. Benge Simmons and Miss Ella Wilkins. Mr. Wm. Bradford Copper received the admission of the guests. Misses Anna R. Brown and Idel Baker presided at the coffee urn and elegant refreshments, consisting of harlequin cream fancy cakes, salted almonds and coffee were served by Misses Mary Fleming, Anna Smith, Irma Eliason, Susie Dunbracco, Hallie and Mabel Toulson, Reba Strong and Miss Cox. The table around which the guests stood was beautifully decorated with huge white cyrysanthemums and maiden hair ferns, and the corners of the reception room were banked with chrysanthemums and holly. As the guests departed, Mrs. William Peregoy and Miss Sallie Wilkins presented each with a dainty souvenir bouttoniere of white chrysanthemums and a spray of fern. Mrs. Thomas S. Bordley and Mrs. Dr. Simmons presided at a table on which were beautiful mammoth chrysanthemums for sale at 20 cents a bloom. IN MEMORIAM

CREW—In loving memory of Sarah A. Crew, who died 6 months ago today, November 8th, 1904.

'Tis hard to break the tender cord
When love has bound the heart,
'Tis hard, so hard, to speak the words,
"Must we forever part?"
Dearest loved one we have laid thee
In the peaceful grave's embrace,
But thy memory will be cherished
'Till we see thy heavenly face.
By her loving husband and children.

SISTERS OF CHARITY

RELY ON PE-RU-NA TO FIGHT

CATARRH WHEREVER LOCATED IN THE SYSTEM.

MISS BEATRIX CALLAM.

Interesting Letters from Catholic Institutions.

THE SISTERS GOOD WORK.

In every country of the civilized world the Sisters of Charity are known. Not only do they minister to the spiritual and intellectual needs of the charges committed to their care, but they also minister to their bodily needs. With so many children to take care of and to protect from climate and disease, these wise and prudent sisters have found Peruna a never-failing safeguard.

A letter recently received by Dr. Hartman from Sister Beatrix B. Callam, 410 W. Thirtieth street, New York, reads as follows:

"I cannot say too much in praise of Peruna. Eight bottles of it cured me of catarrh of the lungs of four years' standing, and I would not have been without it for anything. It helped several Sisters of coughs and colds and I have yet to find one case of catarrh that it does not cure."—Sister Beatrix.

From a Catholic institution in Central Ohio comes the following recommend from the Sister Superior.

"Some years ago a friend of our institution recommended to us Dr. Hartman's Peruna as an excellent remedy for the influenza of which we then had several cases which treatened to be of a serious character.

"We began to use it and experienced such wonderful results that since then Peruna has become our favorite medicine for influenza, catarrh, cold, cough and bronchitis."

Another recommend from a Catholic institution of one of the Central States written by the Sister Superior reads as follows:

"A number of years ago our attention was called to Dr. Hartman's Peruna, and since then we have used it with wonderful results for grip, coughs, colds and catarrhal diseases of the head and stomach.

"For grip and winter catarrh especially it has been of great service to the inmates of this institution.

SISTERS OF CHARITY

All Over the United States Use Pe-ru-na for Catarrh.

Dr. Hartman receives many letters from Catholic Sisters all over the United States. A recommend recently received from a Catholic institution in the Southwest reads as follows:

A Prominent Mother Superior Says:

"I can testify from experience to the efficiency of Peruna as one of the very best medicines, and it gives me pleasure to add my praise to that of thousands who have used it. For years I suffered with catarrh of the stomach, all remedies proving valueless for relief. Last spring I went to Colorado, hoping to be benefited by a change of climate and while there a friend advised me to try Peruna. After using two bottles I found myself very much improved. The remains of my old disease being now so slight, I consider myself cured, yet for a while I intend to continue the use of Peruna. I am now treating another patient with your medicine. She has been sick with malaria and troubled with leucorrhœa. I have not a doubt that a cure will be speedily effected."

These are samples of letters received by Dr. Hartman from the various orders of Catholic Sisters throughout the United States.

The names and addresses to these letters have been withheld from respect to the Sisters but will be furnished upon request.

One-half of the diseases which afflict mankind are due to some catarrhal derangement of the mucous membrane lining some organ or passage of the body.

A remedy that would act immediately upon the congested mucous membrane restoring it to its normal state, would consequently cure all these diseases. Catarrh is catarrh wherever located, whether it be in the head, throat, lungs, stomach, kidneys, or pelvic organs. A remedy that will cure it in one location will cure it in all locations.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
