LOCAL MATTERS.

Change of Schedule.—The Chester River Company's fall and winter schedule goes into effect on Monday next. The schedule is the same as heretofore—tri-weekly trips—leaving Chestertown Mondays, Wednesdays and Fridays at 8 A. M. The name of the new president and general manager of the company, Mr. Willard Thompson, is appended to the new schedule, which will be found in another column.

Pepsimint Chemical Company.—A meeting of the stockholders of the Pepsimint Chemical Company was held on Thursday evening and the following officers were elected: President, L. B. Russell; vice-president, M. W. Thomas; treasurer, J. A. Sides; secretary and general manager, John M. Toulson. The capital stock of the company is $25,000, most of which has been subscribed. The company will seek larger fields of business at once.

Talbot County Court.—The fall term of the Talbot county court will convene in Easton on Monday next. One of the most important cases to be heard at this term of court is that of Mrs. Fannie Patten vs. Wm. B. Usilton's Sons, printers, removed from Kent. Quite a number of prominent citizens of the town and county have been summoned as witnesses. Marion deK. Smith, Esq., is coudsel for Messrs. Usilton's Sons, and Hope H. Barroll, Esq., and J. L. Gorter, Esq., of Baltimore will represent Mrs. Patten.

Traction Engine Goes Through a Bridge.—A traction engine belonging to Mr. John H. Clendaniel broke through a bridge on the public road leading to Chesterville, while enroute to a farmer's near by to shell corn, on Wednesday. The engine crashed through the bridge and turned over on its side, catching on the fly wheel. Mr. Clendaniel, with the assistance of a force of workmen, succeeded in righting the engine on Thursday afternoon and again steam was gotten up. The outfit proceeded on its way and is now at work shelling corn. The extent of the damage is not yet known. The bridge has been repaired and there is no interruption to travel.

Prof. Greene's Success.—Mr. Thomas Evans Greene, Professor of Voice Culture and Operatic Singing and Acting at the Washington College of Music, is making quite an enviable reputation in the musical world. He has accepted a position in the choir of St. Paul's Church, Washington, D. C., at the best salary paid a church singer in Washington. On Dec. 8 he will sing at Worcester, Mass., under the management of Ellis, of Boston, manager of Melba and the Boston Symphony Orchestra. He has also engagements for the winter booked in Detroit, Michigan, Atlanta, Greensboro, N. C., and New York city. Prof. Greene is remembered by the people of Chestertown as having sung several beautiful solos in Stam's Hall on the occasion of the chrysanthemum show given by the Ladies' Town Improvement Association.

Sale of Valuable Property.—Dr. Geo. F. Nickerson and Col. Oswald Tilghman, of Easton, have sold to Henry Benedict Lockwood, of the firm of Lockwood, Hurd & Co., of New York, the fine property on Miles river, Talbot county, known as the Villa, owned by Mrs. Clarissa T. Balch, and containing 40 acres, for $25,110. This is equivalent to $627.75 per acre, and is regarded as the high-water mark for land on the Eastern Shore. The Villa is one of the ancient landmarks of Talbot county, and it is probably one of its most historical spots. Until within two years ago the Villa was used as a Nautical School, conducted by Commandant Balch, who bought the property with a view to making it a preparatory school for the U. S. Naval Academy at Annapolis. It is one of the most beautiful spots on the charming Miles river, and is an ideal place for a school. It is thought by many that Boss Tweed, the great New York politician in early days, escaped to the Villa and is buried in its soil, and that the estate at one time was in the Tweed family. It is a place of much historical value to the people of Talbot, and this in part accounts for the unusual price for which it sold.

LITTLE LOCALS.

*†*Fresh water ponds, creeks and coves were covered with about a half inch of ice on Tuesday morning.

*†*Mr. Wm. Walter Chapman is having steam heat installed in his fine residence on Washington avenue.

*†*Mr. Alexander Crew has opened a meat store in the store room attached to his dwelling, on High street.

*†*Capt. Jesse Poplar, champion shot on the Susquehanna flats, killed 260 ducks the first day of the first week of shooting.

*†*The gunning season opened in Queen Anne's on Tuesday, and there were many first day shooters out. Birds are reported very plentiful over in the State.

*†*Messrs. George and Percy Hendrickson, in company with Mr. Joseph Watson, killed 21 rabbits on the farm of the latter, near town, one day last week.

*†*The steamer Corsica met with an accident to her boiler on her way from Crumpton to Chestertown Tuesday. She was delayed several hours while the leak was being repaired.

*†*A meeting of the Colin F. Stam Hall Company was held yesterday morning, and the following officers were elected: President, Wilbur W. Hubbard. Mr. Thomas G. Wroth was re-elected treasurer and general manager.

*†*In six months, it is said, wheat will shrink in bulk two quarts to the bushel, or 6 per cent. It therefore follows that 94 cents a bushel in August just after wheat is threshed is equal to $1 in the following February.

*†*The capital stock of the Cecil Farmers' Telephone Company, which will build an independent line, will be $25,000. The company is composed of some of the most prominent citizens in Cecil county.

*†*Miss Ellen Barroll, of Elkton, purchased at auction last week a prayer book published in 1683, for $1.50. It is probably the oldest in Maryland, and was the property of the late ex-Senator John S. Wirt.

*†*Mr. Fred. C. Numbers, of Millington, purchased at mortgage sale on Saturday the property situated in Queen Anne's, near Crumpton, and advertised in the Centreville papers by James W. Chapman, Esq., assignee of mortgage.

*†*Master Wilbur Hubbard is the proud owner of a handsome pony and trap. It came to Chestertown ahead of Old Santa Claus, but will be just as much appreciated as if Old Santa had left it in Wilbur's stocking. This outfit was purchased in Baltimore.

*†*Moody & Lusby have on exhibition in their display window a strawberry vine, upon which there are several full blooms and two ripe berries. These berries are a part of a second crop grown in Queen Anne's by Mr. Robinson, and they are quite a curiosity, especially after Sunday's snowstorm.

*†*Cashier Wm. F. Russell and clerk Charles L. Dodd went rabbit hunting on Thursday and killed *four squirrels*. They took a fine fox hound to chase the bunnies, and when the hound saw the guns he took to the stable on the farm and stayed the livelong day. The tenant on the farm had to chase the dog out of the stable with a cart whip. But the boys had a good time.

*†*Mr. Charles Holden's team created some excitement on the streets last Saturday morning by running away. The team was in charge of a little boy on Spring avenue while Mr. Holden called at one of the resident's home to sell some truck. The little boy became frightened, jumped out of the wagon and left the horse to do as it pleased. It dashed off at a rapid rate down the avenue into the public square, and came to a standstill in front of Sparks & Jefferson's store. Nothing was broken except a bag of sugar in the wagon. Mr. Holden lives in Queen Anne's, and the animal he was driving was a colt.

P. Church on Saturday and Sunday, Nov. 19th and 20th. Another date will be selected soon and every effort made to make the convention a great success.

Rev. Milton McCann, pastor of Bond Chapel M. E. Church, is not only a good preacher but he is a brave man. He had promised Rev. Warren Burr, pastor of Rock Hall M. E. Church, to preach for him during his absence last Sunday morning, and undaunted by the severe rain and snow storm, Mr. McCann was at the church at the appointed hour, ready to fill the appointment. He drove over from Pomona in the thickest of the storm, and when he reached the church he found five of the members who had braved the elements. UNITED STATES SENATOR THURSTON,

The Brilliant Statesman from Nebraska, Makes an Important Public Utterance.

INTERIOR OF THE UNITED STATES SENATE CHAMBER.

Ex-Senator John M. Thurston, of Omaha, Nebraska, is one of the most prominent and influential men in the country. He made the speech nominating President McKinley at the St. Louis convention, and was made permanent Chairman of this convention. He was also made Chairman of the convention that renominated the late President McKinley at Philadelphia. He was appointed by President McKinley to be Chairman of the St. Louis Exposition Commission.

This prominent gentleman recently wrote the following letter to The Peruna Medicine Co., of Columbus, Ohio:

Washington, D. C., April 6, 1901.

"I have used Peruna at various times during the past year or two with most satisfactory results.

"It entirely relieved me from an irritating cough—the result of excessive effort in the presidential campaign, and I am a firm believer in its efficacy for any such trouble."—Jno. M. Thurston.

Catarrh has already become a national curse. Its ravages extend from ocean to ocean.

More than one-half the people are affected by it. It has become such a serious matter that it has passed the boundaries of the medical profession and become a national question. Senators are talking about it; Congressmen are discussing it.

They are not only considering the extent and chronic nature of the disease, but the possibility of finding a national remedy to meet this national calamity.

The catarrh remedy, Peruna, seems to be the main expectation in this direction.

Dr. Hartman, President of The Hartman Sanitarium, devised the remedy, Peruna, over forty years ago, and the remedy as a catarrh cure has been growing in favor steadily all these years.

It stands to-day before the nation as a thoroughly tested, accurately scientific internal remedy for catarrh. There are practically no medicinal rivals in the field.

Peruna is not a local application or temporary relief; it is a permanent cure. Peruna is a systemic remedy. It eradicates catarrh from the system. It cures catarrh wherever located. Its cures are radical and lasting.

Fritz Vollmer, President Schwæbischer Sængerbund, Chicago, in a recent letter to The Peruna Medicine Co., says:

"My voice was so badly affected from catarrh that I was afraid I would lose it entirely. I read of some of the wonderful things your Peruna would do and thought it advisable to try some myself.

"I am pleased to state that in a very short time I was cured."—Fritz Vollmer.

Address the Peruna Medicine Co., Columbus, O., for a book of testimonials, containing letters from prominent men and women concerning Peruna.
