SATURDAY, DECEMBER 17, 104.

THE TOTAL VOTE cast for President in the last election was 13,533,820. Roosevelt's plurality was 2,546,470.

CONGRESSMAN WACHTER is being boomed as the Republican candidate for Governor in 1908. He has emphatically declared himself out of the race for the mayoralty and says that he is not a candidate for governor.

IT LOOKS as though Senator Louis E. McComas, whose term as Unites States Senator will expire in March, 1905, will be appointed by President Roosevelt to succeed Hon. Richard H. Alvey, who has recently retired as Chief Justice of the United States Court of Appeals. Senator McComas was on the Federal Bench before he went to the Senate.

CHAIRMAN MURRAY VANDIVER, in criticising the statement of Chairman John B. Hanna, regarding the frauds and trick ballot, about which no one knows anything except Chairman Hanna says: "It is the same old story. Every time the Republicans are defeated there's a cry of fraud. They do not take defeat gracefully."

THE FIRST STEP in the legal battle which is to decide whether the people of Maryland are to have a chance to vote upon the Amendment to the Constitution disfranchising the negroes, was taken on Thursday in the Circuit Court for Anne Arundel County, Judges Revel and Thomas on the bench. The suit between the Governor and Chairman Vandiver is purely an amiceable one.

HON. JOSHUA W. MILES REPLIES TO CHAIRMAN HANNA.

"Hon. Joshua W. Miles, one of the most prominent residents of Somerset county and a leading Democrat, has made reply to the tirade of John B. Hanna, Esq., Chairman of the Republican State Central Committee, against the alleged fraud and trickery practiced in the last election. In part he says:

"I have read Chairman Hanna's official statement giving the result of the so-called investigation by him and his legal advisory committee of the conduct of the recent election in the State, and I confess that I am surprised that even a chairman of a partism committee could make such unwarranted charges as are made in his statement. I do not feel called upon to answer any charges which he has made touching the conduct of the election in any other county in the State except my own county. I have good reason to believe that at the proper time such a report will be made by the proper authorities of the conduct of the election throughout the State as will be a complete answer to Chairman Hanna's charges as a whole in detail, but I shall content myself with reference to such of his statement as touch upon the conduct of the election in Somerset county. For instance, I quote the following from Mr. Hanna's official report: "In some counties ballots of different form were used. In such, Democratic candidates were always placed in the same position while the Republican candidates were shifted. This was intended to make it difficult for the Republican voters to learn to mark their ballots. In Somerset county trick ballots were used in great variety.' It is fair to say that Mr. Hanna has employed the language contained in the above statement for the purpose of making the impression that in Somerset county different forms of ballots were used. Indeed he says in terms that 'trick ballots were used' in that county 'in great variety.' I want to say that this statement is absolutely devoid of truth, and I challenge Chairman Hanna to produce any reliable evidence warranting him in making such a statement."

Mr. Miles says that the ballot used in Somerset county was uniform throughout and legal in every respect, and that the election was honestly conducted.

GOOSE BONE PROPHET PAINFULLY UNCERTAIN.

Mr. Shallcross Fears That His Barometer May Not Be Fully Orthodox.

The Baltimore Evening Herald, of Monday contains the following interesting interview with Mr. Thomas J. Shallcross, one of Kent's most prominent citizens: Mr. Thomas J. Shallcross, a former president of the board of Kent county (U. S. A.) commissioners and the semi-official interperter of Eastern Sho' weather conditions by means of the goose bone, was in the city Saturday. He was unwilling, however, to make any statement to the press, regarding the weather forecast by the breast bone of his Thanksgiving goose.

Mr. Shallcross said he had unfailing faith in the goose bone if all the requirements were fulfilled, but that the bone from which he picked delicate morsels of meat a month ago did not go through all the neccessary red tape required by Dame Nature in laying, setting and hatching to insure its infallibility. He said to be absolutely accurate the egg from which the goose is hatched must be laid on St. Valentine's day; that it must be hatched on Good Friday, and that the goose must be eaten at the Thanksgiving feast.

Mr. Shallcross this year obtained an egg laid on St. Valentine's day, marked it and set it at the right time, and when Good Friday came around several fluffy goslings were found snugged away under Mother Goose. Mr. Shallcross had marked the eggs, but no mark could be found on the goslings to indicate which was the weather prophet. He did not care to kill the entire flock for his Thanksgiving dinner, and so the most promising youngster in the nest was selected.

"It is just possible that I may have gotten the wrong gosling," said the Kent countian, "but I think I struck the right one. So far as the bone which I have is concerned, the forecast for December is for fairly moderate weather. But for January and February, he says, the outlook is for a cold trying spell."

In the Circuit Court for Kent County, Maryland, in Equity.

THE object of this bill is to procure a decree for the sale of the real estate of William Beck, colored, deceased, and to distribute the proceeds therein after the payment of his debts, to the respective heirs at law.

The bill states that a certain William Beck, colored, late of Kent county, deceased, was, in his lifetime indebted unto your orator, Thomas J. Beck, colored, and that he left certain real estate lying in Kent County, Maryland.

And the said William Beck, colored, at the time of his death left the following heirs at law: William Beck, a son, who lives in Norfolk, Va., Samuel Beck, who lives in the State of Pennsylvania, Isiah Beck, whose wife is Nancy Beck, who resides in Edesville, Kent county, Frank Beck, who lives in Queen Anne's county, Md., George Beck, who resides in the State of Delaware, Mamie Beck Hopkins, who intermarried with Levi Hopkins, both of whom reside in Kent county, Md., Charlotte Beck Cotton, whose husband's name is Sam'l Cotton, who is now said to live in Queen Anne's county, Md., and Samuel Cotton is said to reside in Kent county, Md., Mansolus Beck and Arlinda Beck, his wife, reside in Kent county, Md., and these are the only heirs-at-law and persons entitled to interests in the real estate of the said William Beck. And the bill further states that the said William Beck left no personal estate sufficient to pay his just debts.

To the end therefore that the real estate of William Beck, colored, or so much thereof as may be necessary may be sold for the payment of the claims of your orator and those of the other unsatisfied creditors of the said William Beck, deceased.
