LOCAL MATTERS.

School Closed.—Owing to the prevalence of diphtheria in the neighborhood of Flatland school, the trustees have ordered the same closed until County Health Officer Simpers investigates existing conditions. Unless the Health Officer directs otherwise the school will be re-opened on Monday.

Farmers' Institute.—Mr. Wm. L. Amoss, director of Farmer's Institute work, held an interesting meeting at the Court House Chestertown, on Wednesday and Thursday of this week. Much useful imformation was gained by those of our farmers who attended.

Profitable Ewes.—Mr. Harry C. Willis, of near town, has three ewes that have recently given birth to three lambs each. The mothers refused to own their offspring and Mr. Willis has been compelled to resort to strenuous means to induce the ewes to suckle their young. They are doing all right now and the lambs are thriving. Quite a number of farmers report good yields, and notwithstanding the severe weather there have been few losses of young lambs.

Town Officer Appointed.—The Board of Town Commissioners on Wednesday evening appointed Mr. J. Frank Getshall town officer in the place of Mr. Samuel Cooper, who resigned last Saturday. Mr. Getshall was very highly recommended for the position, and we are informed by the commissioners that they were particularly impressed with his ability to meet the requirements of the responsible position in every respect. Mr. Getshall has been assigned to night service and entered upon duty on Thursday evening.

Dredgers Rescued.—The ice boat Annapolis, Capt. Griggs in command, rescued thirty dredgers on Sunday. The men had been icebound on the Great South Marsh on Tangier Sound for three weeks, and had suffered many hardships from the cold and hunger. They were compelled to burn some of their shanties to keep themselves warm and their only food for days was bread and water. The ice boat reached the men after a desperated battle with the ice, and landed them safely at their homes in Crisfield on Deal's Island.

New Agent at Pier 7.—Mr. John B. Thomas has been appointed agent at Pier 7 Light St., Baltimore, for the "Ferry" and "Chester River Line," divisions of the Maryland, Delaware and Virginia Railway Company. Mr. Thomas has been in the employ of the Chester River Company for many years and is very popular with the traveling and business public. Mr. Thomas entered upon his duties on Wednesday, succeeding Mr. Jas. E. Taylor, who has served the company well and faithfully for many years. Mr. Thomas is from Queen Anne's county and has been employed on the wharf in Baltimore for some years.

Insurance Adjusted.—The insurance on the furniture, etc., belonging to Mr. George E. Lambert, and which was distroyed in the fire at the Voshell House two weeks ago, has been promptly settled by the insurance adjusters of the two companies, the Continental, represented by Jas. G. Beck, and the Westchester, represented by L. B. Russell. The adjusters appraised the loss at a little more than $416. The adjustment would have been made last week, but the blizzard interfered with the arrival of the adjusters. Mr. and Mrs. Lambert expressed satisfaction with the appraisement. The Kent Mutual has also promptly adjusted the insurance on the building, and contractors Frank E. Duyer & Bros. are at work making repairs.

Mr. Carnegie's Charity Felt in Elkton.—Elkton Presbyterians are grateful for a handsome contribution in the shape or a check for $525, from Andrew Carnegie. Some days ago he was asked to make a contribution toward paying for the new pipe organ recently placed in the church, and upon being notified that $525 was still due on the instrument, he promptly sent his check for the amount. The organ was placed in the church two weeks ago at a cost of about $2,400. The committee in charge of raising funds for purchasing the instrument and having it placed in the church was composed of Rev. John McElmoyle, chairman; John Frazer, George A. Blake, John Gilpin, Mrs. C. M. Boulden, Mrs. Joshua Witworth, Miss Maggie Gilpin and Miss Susan Bratton.

A Narrow Escape.—Mr. and Mrs. Joseph Watson made a narrow escape from what might have been a very serious accident on Saturday afternoon. Main street was thronged with sleighs racing up and down, and Mr. and Mrs. Watson were in the act of leaving town in their sleigh. Their team had been hitched in front of J. H. Sides jewelery store and Mr. Watson backed his horse in order to turn up town just as the racers, among them Mr. Harry Nicols, with his gray horse, came along. Mr. Nicols' horse struck Mr. Watson's sleigh with considerable force throwing the latter and his wife out. As it happened both Mr. and Mrs. Watson escaped with only a few slight bruises, but it was altogether owing to the excellent driving of Mr. Nicols that prevented the shaft of his sleigh striking Mr. Watson with serious results. Mr. Watson's sleigh was considerably damaged.

Buzzards Hungry.—A housewife in the lower section of Chestertown hung two fine turkeys out an upstairs window the other day to freeze, and lo-and-behold some buzzards espied them and made haste to devour the tempting morsel, but were scared off by neighbors. The good housewife now has her toothsome birds covered over with large tin pans as a protection against the invasion of future intruders.

WEDDING BELLS.

LUSBY—SCHRACK.

Mr. Samuel Willis Lusby, of Cecilton, son of Z. Porter Lusby, Esq., and Miss Helen Marguerite Schrack, of Germantown, Pa., were married in St. Peter's Church, Germantown, last week. The ceremony was followed by a largely attended reception at the home of the bride. Misses Helen Lusby and Gertrude Schrack were among the bride's attendants. Mr. Harry Cruikshank, of West Philadelphia, was best man, and Messrs. Oldhan W. Davis, T. C. Cruikshank, Jr., of Cecilton, and Harry Lockwood, of Middletown, Del., were among the ushers. Mr. and Mrs. Lusby took a honeymoon trip to New York and other northern points.

MEREDITH—COOPER.

Miss Mary Ella Cooper, daughter of Mr. Wm. H. Cooper, and Mr. William Franklin Meredith, were married at the home of the bride's parents, "Little Fairlee," near Melitota, Wednesday evening at 7 o'clock by Rev. Mr. Sheridan.

SHABAN—MINNER.

Miss Edith Hopkins Minner, daughter of Mr. Wm. H. Minner, and Mr. Julian Frank Shaban were married Wednesday evening by Rev. Mr. Sheridan, at the home of the bride's parents on the Stewart farm, near Chestertown.

LITTLE LOCALS.

*†*Next Tuesday, Feb. 14th, is St. Valentine's Day. Look out for the comiques.

*†*Seen any goods-box sleighs in town this week? They are a mighty convenient mode of traveling these days.

*†*Joseph Peterson Westcott, son of Mr. George Westcott, fell on the ice on the river on Wednesday afternoon and broke his collar bone.

*†*The postoffices at Hanesville and Fairlee will be discontinued after next Wednesday, when patrons will be served by rural routes.

*†*Mr. James Dunbracco has been speeding his ice boat on the river this week. Skating has been poor.

*†*Mr. Samuel E. Cooper has purchased of Mr. Thos. P. Bradley four small dwellings in Lynchburgh, Chestertown, for $850.

*†*Mr. Archibald Ramage has bought of Miss Caroline I. Smyth her lot of land facing Mr. John Lewis" and adjoining the Zenker property, in Fairlee.

*†*Mr. Hyland P. Jones received a slight cut on the head from a falling icicle from the rear part of Moody & Lusby's storeroom roof last Saturday night.

*†*Mr. C. L. Turner, of Millington, has purchased of Philadelphia parties the old mill property situated between Millington and Galt's, including 60 acres of land.

*†*The board of directors of the Kent County Savings Bank have made a substantial increase in the salaries of the cashier and clerical force of the bank, and also advanced the per diem allowance to the out-of-town directors.

*†*A serious fire was narrowly averted at the home of Mr. Wm. T. Burke, on the Dodd farm near town, last week. The soot in the fireplace caught fire overheating the fireboard. The timely discovery of the fire prevented the destruction of the dwelling.

*†*Rock Hall residents are experiencing a scarcity of coal. A great many people are curtailing expenses by burning only one fire. Rock Hall M. E. Church has suspended all services except Sunday services and Wednesday evening prayer meeting.

*†*Mr. Gus Ayres, head clerk in C. S. Smith's store, will open a first-class bakery in the Bordley store room formerly occupied by Mr. W. H. Waddell, on March 1st. Mr. Ayres understands his business, and will no doubt make a success of it.

*†*Many houses in town sprung leaks during the heavy sleet of Monday. One of our citizens caught three tubs of water in one room, floors were flooded in other dwellings, and all day men were at work on flat roof dwellings shoveling off the snow and ice. It was the worst sleet of the winter.

*†*Fieldlarks have been seen feeding upon the seeds in the straw coverings of the grand de Flora Magnolia trees in the public square during the week. This is terrible weather on all kinds of birds and game, and it would be an act of kindness to feed the game while the ground is covered with snow.

*†*A match race between Mr. Wm. McKee's fleet mare, Mary, and Mr. Harry Nicols' fast gray was arranged for last Saturday afternoon at twelve o'clock, but owing to the lameness of Mr. McKee's mare, the match was declared off. Both horses are fast, and it would have made an exciting race, no doubt.

*†*It is reported that Mr. Walter B. Barnes has sold his fine building lot near the town hall, Fairlee, to Mr. Walter F. Sparks. Mr. Barnes bought the lot last year from Mr. A. P. Emerson. It is also reported that Mr. Barnes has closed negotiations with Mr. William T. Maslin for the purchase of the property Mr. Barnes now occupies in Fairlee, belonging to the heirs of the late Mrs. E. A. Kendall.

*†*Quite a number of young men, lovers of skating, raised a fund of money last Saturday morning to defray the expense of flooding the ice on Chester river with the town hose for skating. Officer Hudson manipulated the hose, and in the afternoon the skating was fine, but the weather was uncomfortably cold. The heavy sleet on Sunday night ruined things for a while, but skating was resumed on Tuesday afternoon.

*†*Mrs. J. Scotten and Miss Mary Mulford, residing on Dr. S. E. Ford's farm in Queen Anne's, were victims of a run-a-way accident on Saturday afternoon. They were upset and thrown out of their sleigh opposite Mr. J. T. Dixon's farm near town, and their horse ran through town and across Chester bridge. The ladies were found and cared for by Mr. Wm. A. Bell.

*†*The Still Pond Farmers' Club was entertained at the home of Mr. and Mrs. Robert R. Hill last Friday. Among those present were: Mr. and Mrs. J. E. Jarrell, Mr. T. Shafer and Miss Emma Shafer, Mr. and Mrs. L. Redmile, Capt. and Mrs. Daniel Hill, Mr. and Mrs. S. J. Roseberry, Mr. and Mrs. Frank Miller, Mr. and Mrs. Harry Price and son, Mr. and Mrs. Leonard Price, Mrs. W. T. Hepbron, Misses Lizzie Pennington and Bessie Dodson, Messrs. J. L. Usilton and Will Price. Owing to the absence of the president there was no business session of the Club.

OBITUARY.

ANNA AUGUSTA ALDRIDGE.

Miss Anna Augusta, daughter of Mr. and Mrs. Wm. R. Aldridge, died at the residence of her parents, on Main St., Chestertown, at 1.30 o'clock A. M., yesterday (Friday) morning of typhoid fever, aged 16 years. Miss Aldridge was taken sick one week ago and her condition became alarming from that moment. She was an unusually sweet and pretty girl with attractive and pleasant manners, and was much admired by a large circle of friends. The whole community is shocked at her seemingly untimely death, and many expressions of sympathy for the family are heard. Funeral arrangements were not made at the hour of going to press.

MARY ASHLEY.

The home of Mrs. Nathaniel Ashley, of Piney Neck, was made sorrowful by the death of their youngest child, Mary, aged five years, eleven months. After an illness of a little more than a week she left us for her home above, Friday night, February third. She attended the public school and was loved by teachers and pupils. Though young, her little life was a helpful one. Many truths she taught the older ones by her little recitations given on special occasions in the Sunday school. She was one of the faithful attendants of the revival services recently held at the Methodist church. She surprised all who knew her by the manifestation of the spirit's power in the heart. During her illness she would frequently remind those around her of the messages delivered by the pastor, Rev. G. S. Connaway, during these meetings, thus convincing all that she had given her young heart to her Saviour and was one of God's young soldiers.

"Suffer the little ones to come unto me for of such is the kingdom of heaven."

The funeral services were held at the church. Rev. G. S. Connaway, officiating. The school children paid their last respects by marching in a body to the church. All of us may be influenced by this little life by leading such lives that will cast sunshine all around our paths.

CHARLES E. DICKEY.

Mr. Charles E. Dickey, formerly proprietor of the Maryland Meter Company of Baltimore, died at his home in that city on Saturday morning as the result of a self inflicted gun shot wound. The deceased had been a sufferer for a long time with diabetes, and several days before his death developed an attack of the grippe, both of which diseases are supposed to have caused mental depression. He was one of the best known men in Baltimore and his death was a great shock to his family and friends. Among his surviving children is Mrs. G. Wright Nicols, wife of Mr. G. Wright Nicols, general manager of the Sanders & Stayman Music Company, of Baltimore City. The deceased was in his 73rd year.

ROBERT BOGLE.

Mr. Robert Bogle, a prominent and respected citizen of lower Kent, died at his residence on Eastern Neck Island on Saturday, of paralysis, aged 58 years. Funeral services were to have been held as 11 o'clock on Tuesday morning but owing to the condition of the roads, the time was delayed until two o'clock. Rev. C. T. Denroche was the officiating clergyman. Interment was made in St. Paul's cemetery. The pallbearers were Messrs. Harry and Newton Bogle, brothers of the deceased, Richard and Notley Willson, John C. Wood and Robert Wickes. Undertaker Jno. N. Dodd had charge of the funeral arrangements.

JOHN W. CLAYTON.

John W., son of Mr. and Mrs. Eugene Clayton, died at the residence of his parents at Smithville, near Worton, on Wednesday, of pneumonia, aged 8 months. Funeral services were held yesterday morning at eleven o'clock. Interment in I. U. Church yard. Undertaker Wm. H. Krusen had charge of the funeral arrangements.

MABEL TRUITT.

Mabel Truitt, beloved daughter of Mr. and Mrs. Frank Truitt, died at the home of her grandmother, Mrs. Emma Fowler, at Flatland, on Tuesday, of diphtheria, aged 3 years and 13 days. Interment without services was made in Chester cemetery on Tuesday. Undertaker Jno. N. Dodd.

MEDICAL EXAMINER

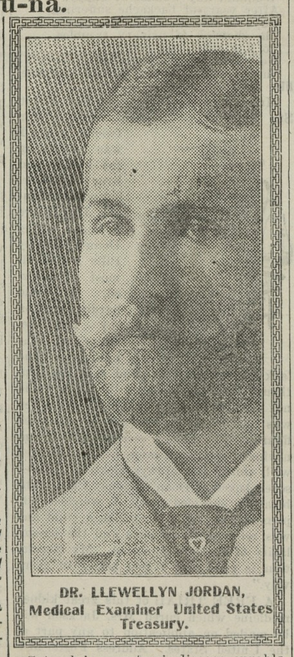

Of the United States Treasury Recommends Pe-ru-na.

Prominent Physicians Endorse Pe-ru-na.

DR. LLEWELLYN JORDAN, Medical Examiner of the U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering.

"Fellow sufferers, Peruna will cure you."—Llewellyn Jordan.

DR. LLEWELLYN JORDAN, Medical Examiner United States Treasury.

Doctors have been loathe to endorse a catarrh remedy because catarrh and catarrhal diseases have puzzled the medical fraternity for many decades.

The popular endorsements that Peruna has received at the hands of the people have induced a great many doctors to try the remedy.

More prominent physicians use and endorse Peruna each year.

Dr. A. Morgan, 214 Gater street, Indianapolis, Ind., writes:

"Regular physicians do not, as a rule, endorse patent medicines. I have, however, found in my practice that Peruna is a notable exception and not at all like any other medicine generally sold as 'patent medicine.'

"In examining it I find that it is a scientifically prepared medicine, composed of herbal remedies of high medicinal value.

"It is a specific for catarrh of the head, lungs or stomach, a fine remedy for female troubles, and invaluable to mothers and children.

"After fevers or other protracted illness, it is one of the best tonics I know of to restore the system to normal condition and I recommend it to convalescents.

"It is a high class family remedy, good for young and old."—A. Morgan.

Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day.

Robert R. Roberts, M. D., Washington, D. C., writes:

"Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."—Robert R. Roberts.

Catarrh is a systemic disease curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does.

Peruna immediately invigorates the nerve centers which give vitality to the mucous membranes. Then catarrh disappears. Then catarah is permanently cured.

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.
