### MILLINGTON MATTERS.

Miss Gertie Turner went to Philadelphia on last Thursday morning to attend the funeral of her cousin, Miss Nellie Brumell, who died at her home in Philadelphia from nervous prostration. Miss Brumell had a great many friends here, having visited Miss Turner quite often at her home near town. Her funeral will take place from her parents residence in Philadelphia to-day (Saturday), April 15th.

Samuel Hines, colored, who has been a section laborer on the section of the Queen Anne and Kent county railroad, between Millington and Sudersville ever since the road was graded, was put on the pension list April 1st, having reached the age limit. He was one of the laborers who helped to grade the road, and has worked faithfully ever since, and always for the interest of the company.

The wind and rain storm which passed over this section last Monday evening was very severe about 5.30 P. M. The wind blew the dust down the street with such force it was with difficulty that pedestrians kept on their feet until they found refuge in the first house or store they came to. It was impossible to see across the street, and after the wind clouds passed the rain fell in torrents, and the heavy peals of thunder and sharp lightning lasted for several hours. The only damage done in town was the chimney on the kitchen of Mr. R. E. Feddeman's home on Sassafras street which blew down, breaking a hole in the kitchen roof.

Miss Addie Vansant has returned from Philadelphia where she has been visiting relatives for several weeks.

Mrs. Dukehart and children are at Hotel Bailey.

Mrs. P. P. Turner and daughter, Miss Anna, have returned to their home in Philadelphia after visiting the former's sister-in-law, Miss Gertie Turner, near town.

### BASE BALL NOTES.

The professional ball season opened in Baltimore last Saturday with a game between the Orioles of the Eastern League and Edw. Hanlon's National League team, the Brooklyns. 2000 people saw the game which was a splendid exhibition of ball playing. Darkness closed the game after eleven innings had been played. Score 6 to 6. The Baltimore team looks like a pennant winner this year.

The first team of Washington College went to Villanova last Saturday and crossed bats with that strong team. One of the best games of the season was played and notwithstanding the fact that W. C. was defeated by the very close score of 5 to 0, the team played splendid ball and proved that they are capable of coping with the best teams in the State. There has been marked improvement in the college team's work since their first practice, and the game with Villanova on Saturday, after that team had defeated such teams as George Washington University, of Washington, Georgetown University and Galudett by high scores, is an evidence that our college team is capable of playing a strong and winning game. White pitched a splendid game and his support was giltedged. The college team will play the strong Millington team on the college campus this afternoon, and as the Millington players are crack ball players, a fine game and a big crowd may be expected.

The Chestertown Athletic Club played its first game of the season last Saturday with the second team of Washington College, and the game was so closely contested that the scores of the two officials, Messrs. Blakeney for the Athletics, and Hopkins for the college, differed, the Athletics score being 13 to 13 and the W. C. score 13 to 12. It was one of the most interesting games seen on the campus for some time and both teams are so evenly matched that it is difficult to decide which is the better. The Athletics looked very much like ball players in becoming new uniforms and with a little more practice will give the best teams in the county a hustle. The team is composed of young men of the town, and they have recently expended $27 in new uniforms and paraphernalia. There is also much excellent material in the second W. C. team. Ward at short is especially good, and there are several good hitters. They play good ball and their games should be patronized. Coleman, of the Athletics, pitched good ball, retiring the college boys in one inning on strikes. Brittingham for the college also did good work, and the catching of Long for the college and Rolph for the Athletics were also features. The Athletics play the Kennedyville team this afternoon at Kennedyville.

The Little Potatoes will play the Rooters this afternoon. Leslie Duyer and Jewell Armstrong batteries for the Potatoes.

Last Saturday an interesting game of baseball was played between the Washington Avenue and downtown teams, resulting in the defeat of the downtown team by the score of 20 to 12.
