CALIFORNIA

Do you want to live where the climate is mild the year round—where labor is never oppressed by stress of weather, and where animal vitality is never lost by mere conflict with cold?

Do you want to live in a region where the resources are more varied than in any other equal area in the world, where the division of great ranches affords a fine opportunity to get a small farm that will assure you a competence?

Do you want to live where, with a minimum of labor, you can grow profitable crops of grapes and small fruit, oranges, lemons, olives, prunes and almonds, alfalfa and grain, where crops are sure, business is good and capital easily finds profitable investment?

Then go to California, where both health and opportunity await your coming.

The Chicago, Union Pacific and North-Western Line

is the most direct route to the Pacific Coast, and there are two fast through trains daily via this line, over the famous double-track railway between Chicago and the Missouri River. One-way Colonist **$33** tickets are on sale daily, March 1 to May 15, at the rate of $33.00 from Chicago, with correspondingly low rates from all points, give you an unusual chance to make the trip.

These tickets are good on daily and personally conducted excursions, on which a double berth in a Pullman tourist sleeping car from Chicago costs only $7.00. Round-trip tickets are always on sale from all points at reduced rates via the

THE JUICY GRAPE.

Its History Is Well Nigh as Old as That of Man.

The history of the grape is almost as old as that of man. Growing in its highest perfection in Syria and Persia, its luscious fruit recommended it to the especial care of the patriarchal tillers of the soil, and vineyards were extensively planted long before orchards or collections of other fruit trees were at all common.

The grape came originally from Persia. From the latter country as civilization advanced westward this fruit accompanied it—first to Egypt, then to Greece, Sicily, Italy, Spain, France and then to Great Britain, to which latter country the Romans carried it 200 years after Christ.

To America the seeds and plants of the European varieties were brought by emigrants and colonists the first fifty years after its settlement.

There are a vast number of varieties of grapes, but there are really only about a dozen varieties good for the table. California produces the Tokay, Muscat, Black Prince, Malaga, etc., while the eastern states produce such varieties as the Concord, Catawba, Niagara, Delaware, Black Hamburg and Isabella.—New England Grocer.

In After Years.

"Women are certainly changeable creatures," said the weary looking man.

"What's the explanation?" asked the friend of the family.

"During our honeymoon," answered the weary party, "my wife declared she could not live a day without me."

"Well?" queried the family friend.

"Only last week," continued the other, "she tried to get me to insure my life for $10,000 in her favor."—Chicago News.

A Time Limit.

"I'm afraid you smoke too much for your own good," said the physician.

"Well," admitted the patient, "I do smoke almost continuously from morning till night."

"Why do you do that?" asked the M. D.

"Because it's the only time I have to smoke," replied the victim. "I have to sleep at night."

He Knew the Rules.

Tommy—He called me a name agen, so I jist grabbed him round de neck wid me left arm an' soaked him good wid me right an'— Mother—Oh, Tommy, Tommy! You mustn't fight like that. It isn't right— Tommy—Aw, w'at do you know about it, mom? Hittin' in de clinches ain't barred.—Catholic Standard and Times.

Considerate.

"He pretends to love music, but he never asks me to sing."

"Perhaps that's his way of proving it."

There isn't anything in the whole world that a man knows as much about as a woman knows about dress.—Philadelphia Record.

About Rheumatism.

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys and extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will releave the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by M. A. Toulson, Druggist, Chestertown, Md.
