Chas. W. Crow,

THE MAY TERM of the Talbot county court will convene on Monday.

PRESIDENT ROOSEVELT has stated that he will not be a candidate for a third term for the Presidency. The President may not be a candidate but he will have a mighty good deal to say who will be the nominee.

PRESIDENT ROOSEVELT has returned from his vacation spent in the bear regions of the wild and woolly west. He is busy looking over his calendar to see how far the trusts have gotten ahead of him, and what Loomis and Castro have been doing down in Venezuela. He'll pick up his big stick shortly, and there'll be something doing in diplomatic circles.

TOWN IMPROVEMENT.

There has been considerable talk on the streets and in the homes of the town during the week in regard to the running of a street sprinkler and the introduction of a garbage system. These agitations of the question are due no doubt to a genuine desire on the part of the people of the town for not only a street sprinkler but also for a garbage system. In numerous instances we have heard tax-payers say that there is money enough in the treasury—in the banks to the credit of the town—which can very much more profitably be used in such improvements. They say they pay taxes to spend in town improvements and not to deposit in bank, for the purpose of being able to show a big surplus at the end of the year. There ought not to be *any* surplus. Every dollar of the town's money raised by taxation should be spent for town improvement, and if the commissioners cannot find a way to spend the money they should lower the tax rate. There is no use in keeping the money in bank. The people are getting no good from that. It should be spent, and spent judiciously. Now, this is the way many of the people are talking. Now, then; at the beginning of the fiscal year, May 1, there was a balance of $3,405 in bank to the town's credit. With what will be raised from other sources and by taxation during the year, there seems to be no reason why the town cannot have both a sprinkler and a garbage system. The town needs both. The people want both. What hinders the commissioners taking action in the matter? We understand that one of the commissioners is strongly in favor of both the sprinkler and a garbage system, but the other two are still debating the question. Stop debating and take some action. If the commissioners are not willing to adopt both improvements with their large surplus, let them purchase a good sprinkler and put it in operation. If we cannot have both, the sprinkler is preferable, if the commissioners will enforce the ordinance against throwing paper, tin cans, nails, etc., in the streets. Do something, for the people are tired of the dust and dirt.

THE COUNTY EXECUTIVE COMMITTEE will meet in the court house on Tuesday afternoon next at two o'clock for the purpose of fixing the time for holding the county primaries and also to decide the method by which they shall be conducted, as well as to appoint the judges for the various precincts and districts. So far as we have been able to learn the general opinion among the voters is that the primaries should be conducted on the seven district plan in order that each election district may be represented in the county convention and that the will of the people may be expressed by the election of delegates from each of the districts favorable to the candidates announced by the respective factions of the party. Any other plan than the seven district plan, it seems to us, would create untold dissatisfaction in the districts that may not be represented in the convention, and may lead to the defeat of the party in the election should any one district be slighted. The primaries were conducted two years ago upon the seven district plan and with such good results in the succeeding election as to advise a repetition of the same plan this time. We do not know what plan will be adopted by the committee at its meeting on Tuesday next but we are confident that their action will be in the interests of the party's success in the approaching election.

A WELL-KNOWN REPUBLICAN leader of Baltimore on the morning after the Councilmanic election, said:

"If the disfranchising amendment had to be voted upon to-morrow it would be adopted by an overwhelming majority, and I would be one of those who would vote for it, too."

Another prominent party man, whose candidate for the First Branch was beaten in what was regarded as a rock-ribbed Republican ward, declared his sentiment in this way:

"I tell you, I'm going to vote for the amendment. I had enough negro yesterday to last me the rest of my life. The only policy for the Republican party to adopt is to help pass the amendment, be satisfied to lose three or four years, get rid of the negro, and then build up a party of voters who will be there when you want them.

The sentiment expressed by the Baltimore politicians seems to be gaining ground throughout the Western Shore. There is not the slightest doubt about the success of the Amendment on the Eastern Shore, where the people thoroughly understand the corruption of the negro element in politics, and even Republicans will lend their aid in ridding the State of a most dangerous foe to clean politics and honest elections. The negro in politics is the cause of a great deal of that which is unfair in elections, and the Republicans know this as well as the Democrats.

About 60 acres are well set with chestnut and oak timber, and sufficient locust for the use of the farm. The character of the soil is a light loam, naturally of the best quality and it readily responds to improvements. The land is well adapted to the growth of peaches and of all kinds of fruit and trucking, and it grows fine wheat and corn crops. It is on the Free Rural Delivery service, two miles from Gale's steamboat wharf and convenient to schools, churches, etc., and is well fenced.

This farm is beautifully situated on one of the finest bodies of water in the world. There is at present as far as is known no other Bay Shore Farm on the market in Kent County. This sale offers a rare opportunity to anyone seeking a beautiful home.

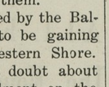

The farm contains

Why Suffuer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggets of Yum Yum, Tennessee, U. S. A., writes, "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by M. A. Toulson, Druggist.

BOX SOCIAL.

The ladies of Locust Grove M. E. Church will hold a Box Social at the home of Mrs. W. H. Kelley, FRIDAY NIGHT, MAY 19th. The public are cordially invited. my13-1t

GET

in the swim, and come to headquarters for

YOUR SPRING SUIT.

It's much easier and more profitable to move with ebb tide where things are moving out. There's plenty life, merchandise, etc., so much more so, than to butt up against flood tide, up stream, or slack water where things are at a standstlll. Merchandise is cheaper where volume of trade predominates.

WE ARE

headquarters for Men's, Boys' and Children's CLOTHING, HATS, NECKWEAR and FURNISHINGS of all description.

WHY SO?

Because our output is larger. Come early while assortment is complete.
