WHAT IS THE
FUNCTION OF A BANK

We all know how indispensable one is. It simply acts as your agent in investing your money. You deposit your money, the bank takes these funds and lends to other people. You could lend it yourself, but the difficulty is to find safe investments. You do the wise thing to put it where it is reasonably well invested.

Now, when you go to sell property, why not place it with one who is in touch with buyers, just as the bank is in touch with borrowers. I know many people who are looking for various kinds of property. You don't know them. My information is worth dollars to you if you want to sell. I don't mean I can get exorbitant prices. I can't. I don't intend to try. But, my ability to handle your property better than you can, has been proven. I have sold property after the owners, having tried for years to sell, have failed.

MEETING OF THE COUNTY EXECUTIVE COMMITTEE.

A Harmonious Meeting Held in the Court House on Tuesday Afternoon.

Pursuant to a call of the temporary chairman, Mr. Wm. F. Russell, the Democratic County Executive Committee met in the Court House on Tuesday for the purpose of determining the time, place and manner of holding the approaching County Primaries. The County Executive Committee is composed of 35 members, five from each of the seven election districts. Nineteen of these numbers represented the People's wing of the party and sixteen represented the "Old Organization." The People's wing of the party was therefore in control of the situation, and determined both the time and method of holding the primaries. Mr. Wm. F. Russell called the meeting to order in a neat speech. He thanked the committee for the honor of having been its chairman, and stated that he had found pleasure in serving his party in that capacity. Nominations were in order for chairman. Mr. J. Wesley Moffett, of the First District, nominated Mr. Wm. F. Russell, of the Fourth District, Mr. E. C. Bowers, of the Second District, nominated Mr. Charles L. Miller, of the Fifth District. By a vote of 19 to 16 Mr. Miller was declared elected. He was escorted to the chair by the retiring chairman, and conducted the business of the meeting with dignity and promptness. Mr. Joseph S. Clark of the Second District, was elected Secretary. Upon motion of Mr. George W. Hatcherson, the usual voting places in the respective districts were selected. Mr. E. C. Bowers offered a motion in the form of a set of resolutions which provided that Saturday, June 10th, be selected as the day for holding the primaries. Tuesday, the 13th, as the day for holding the convention, and that the primaries be conducted on the seven district plan—each district being allowed a delegation in the convention—and that the judges be appointed by the committee in meeting assembled. Mr. Bowers' motion was seconded, and upon a vote the resolutions were adopted as a whole. The following voting places were selected:

FIRST DISTRICT, First Precinct—Millington. Second Precinct—Galena.

SECOND DISTRICT—Kennedyville.

THIRD DISTRICT—Worton Station.

FOURTH DISTRICT, Court House—Chestertown.

FIFTH DISTRICT, First Precinct—Rock Hall. Second Precinct—Edesville.

SIXTH DISTRICT—Fairlee.

SEVENTH DISTRICT—Pomona.

Mr. E. C. Bowers, of Second District, submitted a list of two judges for each voting place in the county, which upon motion of Mr. Wm. F. Russell, of the Fourth District was increased to three judges for each voting place, the People's wing securing two and the "Old Organization" one judge in each voting place. They are as follows:

Millington—Pearley Moffett, Gove Everett, Wm. T. Jones.

Galena—Frank P. Cochran, Benj. P. Walters, H. J. Gray.

Second District—E. C. Bowers, Chas. G. Watts, John C. Redmile.

Third District—Thomas J. Willis, Arthur L. Harris, Joseph Duyer.

Fourth Dsitrict—Harry Cannon, Alwyn M. Culp, Charles W. Kibler.

First Precint, 5th Dist.—Elmer E. Leary, Clarence Hersch, Milton L. Maslin.

Second Precinct, 5th Dist.—William Burgess, John L. Lewis, Edgar H. Strong.

Sixth District—Mahlon Lee, Walter B. Barnes, Archibald Ramage.

Seventh District—Victor Hendrickson, Wesley McCleary, J. H. Thompson.

Upon motion of Mr. Wm. F. Russell, and seconded, each candidate was assessed in the sum of $4 to defray the expense of conducting the primaries. There being no further business before the meeting the committee adjourned subject to the call of the chairman. It was one of the most largely attended meetings in the history of the party, every district in the county being represented by a full committee with the exception of the Seventh. It was manifested early in the meeting that the representatives of the People's wing of the party were in control of the situation, and they exercised the same rights and privileges which the "Old Organiztion" had used when they were in the majority.

The resolutions were identical to those adopted by the "Old Organization" two years ago when they had control of the committee, with the exception of the method of conducting the primaries. The "Old Organization" was known to look with favor upon a combination of several of the districts, so as to secure the five-district plan, in order to make themselves stronger in the primary contest. The People's wing desired the seven-district plan, not only because it is to their advantage, but because the majority of the voters want the seven districts to have the right to vote for candidates for nomination. It was a play for points, and the Peopie's wing won out.

REV. DR. W. S. HAMMOND IS DEAD.

Eminent Methodist Minister Passes Away After an Active and Influential Career.

Rev. Dr. W. S. Hammond, one of the oldest and most successful ministers of the Maryland Annual Conference Methodist Protestant Church, died at 9.30 o'clock Sunday evening, after an illness of several weeks, at the Union Protestant Infirmary, Baltimore, aged 72 years. Dr. Hammond was one of the leading members of the Methodist Protestant Conference, and belonged to a galaxy of distinguished ministers that has made the Maryland Conference an influential and prominent church body. He entered the ministry at an early age, and about five years ago ended his fiftieth year in the active ministry. He was president of the Maryland Conference, serving a distinguished term, and was also president of the General Conference. To this body, at its quadrennial sessions for many years, he was elected one of the delegates. He has served all the leading charges in the conference, including Chestertown, Ninth Street and Congress, Washington, Starr, Mt. Lebanon, Allnutt Memorial and Broad way, Baltimore, and Hill Street, Newark, N. J. As a preacher, Dr. Hammond was a clear, forcible and impressive speaker. His ministry in the pulpit and pastorate was marked by great success. As a personal worker, especially among the young people, he was particularly gifted. His death and that of Rev. Dr. J. J. Murray, formerly of Baltimore, removes two of the oldest men in the conference. The remaining two are Rev. S. B. Southerland, D. D., and Rev. David Wilson, D. D. The funeral took place from Lafayette Avenue M. P. Church, Baltimore, on Wednesday. The services were presided over by Rev. Dr. F. T. Little, president of the Maryland Conference. Many of the prominent ministers of the conference attended, and several beautiful eulogies were delivered. Rev. E. D. Stone, of Centreville, sang with much feeling, a solo, "Face to Face." Interment in Loudon Park Cemetery, Baltimore. The active pall bearers were: Revs. J. S. Bowers, of Clarke Memorial Church; F. C. Klein, of Mt. Royal Avenue Church; J. W. Kirk, of Allnutt Memorial; Dr. T. H. Lewis, president of Western Maryland College; Messrs. Daniel Baker and Thomas A. Murray.

BASE BALL NOTES.

W. C. 16—WESTERN MD. 3.

The first inter-collegiate game of the season was played on the College campus on Friday afternoon last between Washington College and Western Md. College, and resulted in a victory for the former team by the score of 16 to 3. The Western Maryland team came to Chestertown on Thursday via steamer Ford, and so confident were they that they preferred to take in the sights of the town on Friday morning instead of going on the field for morning practice. It is a decidedly easy matter to be mistaken, and the truth of the ability of the W. C. boys to play ball dawned upon the mountaineers after the game had thoroughly gotten under way. Baker, Western Maryland's star-pitcher, and the quondam crack twirler of the Snow Hill professional team, was batted out of the box in the fifth inning, and was relieved by Henry, who proved but little better. For Washington College White pitched a masterly game, in fact the best game he has pitched for W. C., while the team behind him put up a lightning game. McGinnes and Brice carried off the batting honors, while Moore put up a splendid game at first, making a beautiful catch of a foul fly. The score by innings was as follows:

Washington—0 0 5 4 5 1 0 1 0—16.
Western Md.—0 0 0 0 1 0 2 0 0— 3.

Umpires, Massey for W. C.; Smith for Western Md.

The C. H. S. team and the second team of Washington College played an interesting game on the college diamond last Saturday afternoon. The score was 11 to 8 in favor of the second team. Both Brittingham and Shallcross pitched a good game, and their support was very good. The batting of both teams was heavy and timely. The C. H. S. will go to Millington to-day to play the strong team of that town.

The C. A. C. team went to Millington on Saturday afternoon and crossed bats with the strong team of that town. Millington won by the score of 14 to 6. They will go to Rock Hall to-day to play the strong team there.

The first team of Washington College will play the Dover Conference Academy team at Dover to-day.
