DEMOCRATIC PRIMARIES.

TO BE HELD SATURDAY JUNE 10TH.

Plans and Modes of How They Must be Conducted.

Pursuant to the action of the County Executive Committee, the Democratic voters will meet in their respective election districts and precincts on Saturday, June 10th, 1905, between the hours of 2 and 6 o'clock P. M., as follows:

At Millington for the First Precinct of the First Election District;
At Galena for the Second Precinct of the First Election District;
At Kennedyville for the Second Election District;
At Worton for the Third Election District;
At the Court House, Chestertown, for the Fourth Election District;
At Rock Hall for the First Precinct of the Fifth Election District;
At Edesville for the Second Precinct of the Fifth Election District;
At Fairlee for the Sixth Election District;
At Pomona for the Seventh Election District,

for the purpose of appointing ten delegates from each of the Seven Election Districts to meet in Chestertown on Tuesday, the 13th day of June, 1905, at 11 A. M., to nominate

Two candidates for the House of Delegates,
One candidate for Sheriff,
One candidate for Treasurer,
Two Candidates for County Commissioners,
One candidate for County Surveyor,

The said primary election shall be on the seven district plan and each of the Seven election districts of the county shall be entitled to ten (10) delegates each in the County Convention which shall meet to nominate a Democratic county ticket on Tuesday, June 13th, 1905.

All qualified voters of the county who have been recognized as Democrats and whose names appear upon the registration books of the district in which they present themselves, shall be entitled to vote, also all young Democrats who on account of their age, are not now registered, but who will be entitled to registration and to vote at the coming November election, shall be entitled to vote at said primaries.

If there is any contest for the election of delegates in any of the seven election districts of the county and a desire is expressed for a vote, the judges in each district, where the desire for a vote is expressed, shall appoint 2 clerks and shall open and close the polls at the hour above mentioned.

Upon the closing of the polls at the hours herein directed, the judges shall proceed to count the votes cast, and shall certify to the person receiving the hightest number of votes as delegates. Whereupon it shall be the duty of said delegates to proceed to Chestertown on said Tuesday in June, and cast the vote of the district in convention and nominate a county ticket.

Should no desire be expressed for a ballot, then the district meetings may select delegates by a viva voce vote, or by committee nominations. The mode of procedure herein prescribed shall be strictly followed, any other method will not be legal, as this committee has full power so to decree.

CHARLES L. MILLER.
Chairman Kent Co. Executive Com.
JOSEPH S. CLARK, Secretary.

THE CALL of the County Executive Committee for the primaries is in this issue. Read it.

IT ISN'T FAIR TO censure other people for doing what we, under similiar circumstances, have done many times before. It's the same old story of people living in glass houses.

THE Democratic State Central Committee will meet in Baltimore city next Thursday, May 25th, for the purpose of setting the time for holding the State convention and outlining a plan of campaign.

CECIL COUNTY is the first in the field with a good ticket. Democratic primaries were held in the county this week. Austin L. Crothers, Esq., was in control of the convention, and he was nominated for the State Senate.

PROBABLY no candidate in the county has made a more thorough canvass of his district than has Mr. Biddle Hossinger in the Second. He is still hard at work, and his friends state that there is not the slightest doubt about the Second. Mr. Hossinger is a striking illustration of the young man in politics. There was a time when the young man was not worth more than his own vote. Not so now. He is recognized as a power, and his worth is duly appreciated.

Why Suffuer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggets of Yum Yum, Tennessee, U. S. A., writes, "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by M. A. Toulson, Druggist.

A PROMINENT POLITICIAN said on the court house green on Tuesday, "There are two important ways to play politics. One is to play for everything in sight, and the other is to play for futures, and the People's wing played mighty good politics both ways."

MANY OF THE FRIENDS of Mr. Harry Griffith, of Sassafras, are urging him to become a candidate for the Legislature from the First District. Mr. Griffith's candidacy would meet with favor throughout the county. There are other gentlemen, we understand in the First District, whose friends are urging to become candidates, but who, it is said would step aside for Mr. Griffith. Mr. Isaac Gibbs, who represents the "Old Organization" is the only announced candidate, at drdsent, in the district, and it is claimed that his opposition to Senator Rayner has made him enemies in that section.

WARNING NOTES, were sounded Tuesday night at the Episcopal Church Congress in Association Hall, Brooklyn, that there is a menace to white domination in the ever-increasing number of negroes in this country, but in the main the speakers were hopeful of the future. It was the consensus of opinion that it is not in the amalgamation of the races, nor the dependence of the blacks upon the whites that the solution of the problem lies, but in the negro himself, who, by identifying himself with the industrial life of the nation and keeping out of politics, has it in him to work out his own salvation.

THE COUNTY EXECUTIVE COMMITTEE did a wise thing at its meeting on Tuesday by adopting the seven district plan as the method by which the county primaries shall be conducted. The people of the county are entitled to a voice in the selection of their nominees for office, and the seven district plan gives to each election district the right to send 10 delegates to the convention to name a Democratic ticket. Any other plan except that adopted by the committee would have met with a great deal of dissatisfaction, especially in those districts where a combination may have been effected in order to strengthen the "Old Organization" forces. Had the plan which the "Old Organization" favored, namely, the five district plan, been adopted, the Fifth and the Broad Neck part of the Seventh District would have been combined and it is said that Mr. Thomas J. Fletcher would have been launched as a candidate for County Commissioner against Mr. Charles D. Wood. The remainder of the Seventh and Fourth Districts would have been combined and Messrs. George B. McWhorter and Curtis E. Crane would have made the fight upon this combination. The "Old Organization" is fairly strong in the Seventh District, and they hoped by the above combination to beat Mr. Wood and Mr. McWhorter. It is said by those in a position to know that the "Old Organization" cannot beat Mr. Wood in the Fifth as it is now districted, nor will they be able to beat Mr. McWhorter in the Fourth, whose popularity as a candidate is recognized and their hope of carrying these two districts was on a combination with parts of the Seventh. The seven district plan greatly enhances the chances of the People's wing of the party in the approaching primaries, and it is conceeded that the result of the County Executive Committee's meeting on Tuesday is a severe setback to the "Old Organization's" chances.

A CONFERENCE of prominent Maryland Democratic was held at the home of Senator A. P. Gorman, in Washington, on Wednesday last. Below we give a list of those present:

Ex-Governor Elihu E. Jackson, State Chairman Murray Vandiver, Col. Spencer C. Jones, of Montgomery county; Sen. Arthur P. Gorman, Jr., of Howard county; Col. Buchanan Schley, of Washington county; Messrs. I. Freeman Rasin; Austin L. Crothers, of Cecil county; Joshua W. Miles, of Somerset county; Thomas H. Robinson, of Harford county; John E. George, of Queen Anne's county; J. Frank Smith, of St. Mary's county; Thomas A. Smith, of Caroline county, and J. F. C. Talbott, of Baltimore county.

Certain of the agreements reached at the conference indicate surely that so far as the Democratic party is concerned the fight next fall will be one the most determined in the history of the State.

In the first place, it was decided with marked unanimity that the negro disfranchising amendment will be made the sole issue, that the negro will be pushed to the front from the start, and that the party will take no backward step on this policy. The State convention, which it has been determined to hold about the last week in July, will flatly and unequivocally indorse the amendment, and a statement to this effect will be inserted in the State platform. All of the candidates on the Democratic ticket will take their stands on this platform, and the whole ticket will either win or be defeated on this issue.
