LOCAL MATTERS.

Patrons Day.—Morgnec School, Miss Ethel M. Solloway, teacher, celebrated "Patrons Day" on Wednesday. Supt. Melvin was present and addressed the patrons and pupils. A very pleasing programme was rendered and refreshments were served by the ladies in charge.

Matinee Races.—Mr. Wm. A. Bell, owner of Rose Hill track, near town, informs us that there will be a series of matinee races at the track on Friday afternoon, June 30. Horsemen of Cecil, Kent and Queen Anne's counties are invited to enter their horses and a great afternoon of race sport is anticipated. There will be several class races, as well as events for colts. Particulars will be given by advertisement next week.

To Stop Camp Meetings.—The Kent County Improvement and Rescue League for colored people met at Janes M. E. Church on Monday and passed strong resolutions against the holding of colored camp meetings. Only two camp meetings were held last year and the league is using every effort to put a stop to all such gatherings. Those in charge of the league are Fred Nickols, Rev. J. W. Bond, Rev. J. H. Brinkley. Dan'l Miller is the secretary of the league. This is a most commendable movement on the part of the colored people of the county.

Camped at Tolchester.—The cadets of St. John's College, Annapolis, have been camping at Tolchester during the week. They will remain in camp until Tuesday next. There are 74 tents on the pretty knoll overlooking the bay. Governor Warfield visited the camp during the week and reviewed the cadets on parade. The program for each day has included guard mount at 9 A. M., Company drill as soon as the first Tolchester boat arrives, a battalion drill at 2 P. M. and dress parade at 6 P. M. "They are there to take care of the hostile fleet coming up the bay," said Capt. W. C. Eliason, of the Tolchester Company, "but I have said to them, 'boys, don't have any false modesty about the matter. If the enemy's fire gets too heavy for you, just up and run away, and be done with it.'" Tolchester is an ideal spot for the camp, and the boys have enjoyed the week immensely. Their comfort has been looked after in every particular by Supt. Noland and his efficient force.

Merritt, of Baltimore, died at the home of his sister, Mrs. Dr. Charles Richard Twilley, on Friday morning at 2 o'clock of Consumption, aged 38 years. The deceased was born in Elkton and was educated in the schools of that town. He was a young man of marked mental ability, and during his short career had held positions of prominence and trust. He was a patient sufferer from a long illness, and prior to his death he had made it manifest to his loved ones that he was resigned to his sad fate. He left no doubt in the mind of his loving and devoted mother that he was prepared to cross the dark valley, even though he had to go alone, and his whole thought and conversation in his last hours was the testimony of a saved man. The deceased clung to life with all that tenacity which is so manifest in young lives, and yet he patiently awaited the coming of the end. The deceased is survived by a widow, who was before marriage, Miss Bertie, Merritt, of Baltimore, a mother, Mrs. Joanna Merritt and two sisters, Mrs. Dr. Charles R. Twilley, and Mrs. Dr. Lowe, of Baltimore. Funeral services will be held at the residence of Mrs. Twilley, to-morrow (Sunday) evening at 6.30 o'clock, conducted by Revs. W. L. White and D. L. SYSTEMIC CATARRH

SO LITTLE UNDERSTOOD

Claims Many Thousands. A Tragedian's Thanks to Pe-ru-na.

ROBERT DOWNING, THE FAMOUS TRAGEDIAN.

In speaking of Peruna, Robert Downing, the famous tragedian, says:

"You may notice that persons in poor health always find the heat most intolerable; this I avoid by using Peruna. I know by the thermometer that the weather is hot, yet I have felt the heat less this summer than ever.

"I find Peruna a preventative against all sudden summer ills that swoop upon one in changing climates and water. It is the finest traveling companion and safeguard against malarial influences.

"The cooling action of Peruna on the mucous membrane makes it invaluable to actors and singers, as it does away with that tendency to sudden hoarseness so apt to overtake one on emerging from a hot dressing room to a draughty stage.

"To sum it up Peruna has done me more good than any tonic I have ever taken,"--Robert Downing.

Dr. Hartman was the first physician in the United States to accurately describe systemic catarrh. His remedy, Peruna, the only systemic catarrh remedy yet devised, is now known all over the civilized world.

"CHEATED THE UNDERTAKER"

Says a Well Known Baltimore Physician.

"Some 12 years ago (1892), while engaged in active practice, I was suddenly attacked with a hemorrhage from the kidneys, accompanied by pain and a sickening, bearing-down sensation. I attributed it to the passing of a 'gravel stone' and the worst would soon be over, but not so. I was treated by some of the best professional talent in America. The case was published in medical journals and brother physicians offered suggestions, but the disease continued until, at last, in despair, after **nine (9) long years of the tortures of the damned**, I gave up and went to my room to die. My case was diagnosed by several able physicians as **'Bright's, with complications,'** by others **'Haematuria,** with Catarrh of the Bile Ducts,' but no one could do me the least possible good until the discovery of **LAX-O-LITHIA SELTZ,** which cured me and which I recommend to all similarly affected. I owe it to suffering humanity to make this fact public, also to state that those who take it need never fear Appendicitis or Typhoid Fever."

J. ZACHARY TAYLOR, M. D., Lung, Blood and Nerve Specialist.

LAX-O-LITHIA SELTZ unclogs the Kidneys, stimulates the **Liver,** clears the Skin, aids Digestion, moves the Bowels, cures Constipation, Biliousness, Dizziness, Jaundice, Uric Acid, and filters the Blood of Waste, Ferment and Germs. **25 Cents.**

ANTI-ZYMO-LARIA TABLETS absolutely cures Malaria, Ague and Fever, Dysentery, Headache, Neuralgia, Menstrual and other pains. Wipes out LaGrippe and a Fresh Cold in a few hours. **25 Cents.**

These **Non-Secret Honest Remedies** should be in every home.
