"CHEATED THE UNDERTAKER"

Says a Well Known Baltimore Physician.

"Some 12 years ago (1892), while engaged in active practice, I was suddenly attacked with a hemorrhage from the kidneys, accompanied by pain and a sickening, bearing-down sensation. I attributed it to the passing of a "gravel stone" and the worst would soon be over, but not so. I was treated by some of the best professional talent in America. The case was published in medical journals and brother physicians offered suggestions, but the disease continued until, at last, I in despair, after nine (9) long years of the tortures of the damned, I gave up and went to my room to die. My case was diagnosed by several able physicians as 'Bright's, with complications,' by others 'Haematuria, with Catarrh of the Bile Ducts,' but no one could do me the least possible good until the discovery of LAX-O-LITHIA SELTZ, which cured me and which I recommend to all similarly affected. I owe it to suffering humanity to make this fact public, also to state that those who take it need never fear Appendicitis or Typhoid Fever."

J. ZACHARY TAYLOR, M. D., Lung, Blood and Nerve Specialist.

LAX-O-LITHIA SELTZ unclogs the Kidneys, stimulates the Liver, clears the Skin, aids Digestion, moves the Bowels, cures Constipation, Biliousness, Dizziness, Jaundice, Uric Acid, and filters the Blood of Waste, Ferment and Germs. 25 Cents.

ANTI-ZYMO-LARIA TABLETS absolutely cures Malaria, Ague and Fever, Dysentery, Headache, Neuralgia, Menstrual and other pains. Wipes out LaGrippe and a Fresh Cold in a few hours. 25 Cents.

These Non-Secret Honest Remedies should be in every home.

TORTURING PAIN.

Half This Man's Sufferings Would Have Killed Many a Person, But Doan's Cured Him.

Thousands of grateful people are telling every day how Doan's Kidney Pills cured them of distressing and dangerous kidney and bladder troubles.

Yet other thousands are suffering every day from these same ills. Why? They are either very negligent or very skeptical. Neglect of kidney disorders leads to dropsy, diabetes, Bright's disease and other fatal diseases.

Sincere, honest testimony like the following should convince every skeptic.

A. C. Sprague, stock dealer, of Normal, Ill., writes: "For two whole years I was doing nothing but buying medicines to cure my kidneys. I do not think that any man ever suffered as I did and lived. The pain in my back was so bad that I could not sleep at night. I could not ride a horse and sometimes was unable even to ride in a car. My condition was critical when I sent for Doan's Kidney Pills. I used three boxes and they cured me. Now I can go anywhere and do as much as anybody. I sleep well and feel no discomfort at all."

A. C. SPRAGUE.

A FREE TRIAL of this great kidney medicine which cured Mr. Sprague will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

IMPROVING HER SKIN.

One Searcher After Beauty Tells of Her Experience.

"I wish the papers would quit publishing these articles that tell you how to be beautiful," says a young matron. "I was fairly content with myself till I began to read them. I had an average good skin, too, but I've steamed it and creamed it and massaged it till it's a wreck. I've been for two weeks trying a new beautifier for it. I've been rubbing my face with slices of onion. It makes your eyes water, and it gives you an unattractive perfume, but the article said it would produce the soft, velvety skin of a child, and I kept it up. Yesterday my husband rose in his wrath.

"'What on earth makes you rub your face with onion?' he said. 'Wouldn't limburger cheese do for a change? Why wouldn't potatoes or asparagus do as well? Does it have to be onion?'

"'It does,' I said.

"'You'll have to show me,' said he. 'Let me see the article that turned your brain. I don't believe it says onions. I believe it says any vegetable you happen to have in the house.'

"This made me furious, and I brought out the article. What do you think it said? It didn't say onions. It said cucumbers. I knew it was something you put vinegar on. That's how I happened to get mixed. After this I'm going to let my face alone, but I shan't hear the last of that onion beautifier till I die."—Washington Post.

LANDSCAPE ART.

The Work of Le Notre, Europe's Most Famous Gardener.

Although Le Notre's life was a long and a busy one, he could not possibly have designed all the gardens with which his name is now associated, more or less correctly. The list is an astounding one, ranging as it does from Aranjuez and La Granja in Spain to Wilhelmshohe and Oranienbourg in Germany, from the villas Albani and Pamphili in Rome to Hampton Court and Kensington gardens in England. But, directly or indirectly, he is responsible for the spirit of all these designs, as he created a school of outdoor art, which, modified and adapted to suit various conditions and climates, spread over the civilized world and is the foundation of all the landscape art of today. It was he who first released gardens from their mediaeval swaddling clothes, widened their narrow borders, did away with their childish decorations of fantastically clipped trees and made them instead dignified parts of a splendid whole. To some people his gardens do not now seem attractive on account of what is called their severity and coldness, but we must remember that they were entirely appropriate to the places for which they were designed and perfectly fitted for their uses and are consequently artistically admirable.—Beatrix Jones in Scribner's.

His Own Great Foolishness.

Nordy—Your wife seems to think you'll get bunkoed if she lets you out of her sight. You must have once done something very foolish to have a woman looking after you like that. Butts—I did. I married her.—Louisville Courier-Journal.

Hard Work Ahead.

Miss Gadd—There goes Jack Poorley. My, he looks as solemn as an undertaker these days! Mr. Batchellor—No wonder. He's going to undertake a wife next week.—Exchange.
